**Once completed please return to St Vincent's Hospice, Midton Road, Howwood, PA9 1AF**

St Vincent's Hospice provides a skilled caring team to improve the quality of life to patients who have an illness where curative treatment is no longer an option. It is open to all local people regardless of race, religion or ability to pay.

We are a registered charity and serve the local community of Renfrewshire and East Renfrewshire with our in-patient unit (8 beds), day care and home respite services.

### **Volunteering**

Volunteers contribute in a wide variety of ways to the care of patients and to the running of the Hospice. However much time, great or small, volunteers can offer it is greatly welcomed and appreciated. We have suggested here just a few of the many volunteer roles we have available to help support the hospice.

It might be that you have a particular skill/interest not included in this leaflet which could be useful to the Hospice. Please give details on the Application Form.
