- ★ All guests must enter through the Front Gate. Any and all equipment must be carried through the Front Gate and to the Dare Devil Dive stage without assistance from park personnel.
- ★ Prior to arriving at the park, it may be necessary to consider modifying your normal performance routine in order to ensure that all equipment and instruments you intend to bring can easily be brought through the Front Gate.
- ★ Please have your entire group come to the Dare Devil Dive stage (located in the USA section of the park) 20 minutes prior to your scheduled performance time (30 minutes prior to your scheduled performance time for Marching Bands).
- ★ Your Six Flags performance contact will be waiting for you at the Dare Devil Dive stage.
- ★ Six Flags will not store any equipment or instruments after your performance. Please make arrangements to place these items back on your bus while you enjoy the park.

### Performance Details

Six Flags Over Georgia allows many types of groups to perform: marching and concert bands, choral ensembles, dance troupes and more! If you're not sure if we can accommodate your group type, simply call to find out! All performances are held on the Dare Devil Dive Stage or an uncovered, 90 x 120 foot concrete area. Six Flags will supply (2) microphones, speakers, a CD player and a technician for all performances. Any additional equipment or logistical requests should be made when making a reservation. \*Marching bands have the option of marching through the park on a pre-selected 20 minute route.

**Putting this program together is as easy as 1, 2, 3...**

- 1** Select the date and time of your performance. Performances can be held any regular operating day and in 30-minute intervals (Marching bands will have a 20 minute performance time).
