

SALTWATER DISPOSAL REPORT CONTINUATION - FORM 16A
SFN 5764

1. This report shall only be filed when attached to a completed Saltwater Disposal Report - Form 16 (SFN 5763).
2. Please refer to Section 43-02-05-12 of the North Dakota Administrative Code (NDAC) regarding reporting requirements for injection wells.
3. The well name and number, field, and UIC number of the saltwater disposal well and the operators, well names and numbers, well file numbers and locations of the source wells shall coincide with the official records on file with the Commission.
4. All volumes shall be reported as barrels (42 gallons) and rounded to the nearest full barrel.
5. The operators of source wells that dispose of fluids in this disposal well shall be listed.
6. If the source of disposal water is not a particular well site, only the location need be listed.
7. When reporting source of disposal water and method of transportation, a "P" or "W" is sufficient to indicate pit or well water, and a "P" or "T" is sufficient to indicate transportation by pipeline or truck.
8. Monthly barrels transported shall be totaled at the end of the report.
9. If this is an amended report, the amended volumes shall be clearly indicated.
10. The original of this report shall be filed with the Industrial Commission of North Dakota, Oil and Gas Division, 600 East Boulevard, Dept. 405, Bismarck, ND 58505-0840, by the fifth day of the second succeeding month.
