## 1 POOL SHAPE

I have steps on my pool. (Please submit detailed drawing)  
 Please make special note on a drawing of any obstructions within 12" of the waterline such as slide legs, diving board stands, fill spouts, nonremovable handrails and ladders, rocks, waterfalls, raised spas, grass filled areas, etc.

## 3 STRAP SPACING

Choose "checkerboard" spacing below

- 5' x 5' layout (approximate)
- 3' x 3' layout (approximate)\*

\*We recommend, and sell 3' x 3' spacing when:

- 1) Free-form pool
- 2) Safety cover over 800 ft<sup>2</sup>
- 3) You live where there is a potential for excessive snow, rain or wind
- 4) Commercial or Government applications

## 4 TYPE OF SAFETY COVER MATERIAL

- Mesh (Lightweight, allows water and sunlight to pass through)
- Solid (Heavy duty, blocks out sunlight and keeps out debris)
  - Pump (Automatic Cover Pump)
  - NO Pump (Mesh Drain Panel)
- I have questions for a Blue Haven Pools & Spas *Supplies Direct* professional.

## 5 TYPE OF DECK

I have at least 3 feet of deck all around my swimming pool.  YES  NO

- I have a concrete deck – brass anchors
- I have concrete pavers/flagstone/brick/other – aluminum tubes
- I have a wood deck – wood deck anchors
- I have a combination deck

## 2 RECORD YOUR DIMENSIONS
