

Indemnity

I understand that the Promoter (The B.M.W. Motorcycle Club Limited) has not organised the track-day in the form of a commercial venture and its officers will be participants. Whilst involved in the general organisation of the day neither the promoter nor its officers will be scrutinising participants' vehicles or protective clothing nor giving formal training or instruction; the designated instructors will be present to provide only general advice and guidance. They will however assist the circuit owner in enforcing its rules and safety standards as requested on the day.

I understand that motor sport has inherent risks and I am voluntarily exposing myself to the risk of damage or loss or personal injury by participating in the track day. I acknowledge that racing is prohibited and that the purpose of the day is to improve my riding skills and knowledge of the characteristics of my vehicle at speed whilst having due consideration for the safety of others using the track.

I appreciate that for my own vehicle, third party and public liability insurance (if any) is unlikely to cover me for my any losses or liabilities arising to me out of the track day and that the promoter does not carry insurance in respect of my liability. I am aware that I may obtain appropriate insurance from specialist brokers. I confirm that the payment I have made to the promoter for the day is a track access charge only and does not include any payment for any other service.

I declare the following:-

I am fit and healthy and that my eyesight (with lenses if worn) is adequate for track use.

I do not suffer from any medical condition or disability which may make it unsafe for me to participate in a track day or safely operate a powered vehicle.

Any powered vehicle for which I am responsible and/or which I will use on the track is in good condition, of suitable mechanical condition, and can lawfully be used on public roads in the UK.

I hold a current full driving licence for the size and type of vehicle being used on the track. This licence enables me to operate this vehicle on public roads in the UK or Europe.

I will not participate in the track day whilst under the influence of alcohol or intoxicating drugs.

I agree not to claim against the promoter, its officers, supporting individuals, companies and agents in respect of any loss or injury (other than a personal injury caused by their negligence) suffered by me during the track day and to indemnify them against their costs and losses arising out of any claim made against them or any of them by anyone to the extent that such costs and losses are attributable directly or indirectly to my participation in the track day.

I have read and agree with the above declaration and indemnity and agree to its terms.
