*Your prayers and financial support*

*provide the wings for our ministry*

**Red Bird Missionary Conference**

needs ***YOU*** to help give  
Wings to our ministries.

The congregations and pastors in the Red Bird Missionary Conference Churches & Outreach Ministries are a witness for Christ in the heart of Appalachia. You can participate in God's work by helping us share the Gospel in the mountains of southeastern Kentucky through "Wings for Red Bird".

Because the membership in mission churches is our congregations are only able to supply about 50% of their ministry budget.

Even with the financial struggles our 27 congregations strive to live out the Great Commission in their communities - reaching out beyond their church walls.

Our United Methodist presence in these mountains is vital; we need your help to provide it. Our prayer is that you will consider a \$1,000 contribution through "Wings for Red Bird". This can be done over a period of time through your own fundraising efforts (i.e. setting a monthly goal in order to reach \$1,000). Or sending a monthly pledge or a one time gift.

"Wings for Red Bird" is designed to enable any individual, small group or congregation to move more deeply into their connection and support of Red Bird Missionary Conference.

*A Special Note: I have spent over 35 years serving in Red Bird Missionary Conference. I can personally assure you that God continues to be at work in this endeavor. So, currently, with the blessing of Bishop Davis and Superintendent Stuart, I have committed to making this story known. I am personally asking you to prayerfully consider what it is that YOU can do to help give Wings to Red Bird. I would welcome e-mails or calls to discuss this wonderful ministry and help you become a deeper part.*
