NOTE: Please let me know if any **birthday date** is wrong, so we can make changes.

Members,

Let it snow. Let it snow. Let it snow. You can't do much about the weather except.... complain. Today, (Wed. 2/5) is the third week of arriving to breakfast on four wheels. Even for us, diehard all -weather riders, this could be a new record.

The **Bingo Bash** sign ups have begun. I know that some of you are not in the area...you lucky dogs, but I wanted to remind everyone of the registration deadline.

That would be **April 12.**

The earlier you can confirm your attendance, the easier it is to organize the event. The flyer (**Page 7**) has all the details.

As a reminder, this is the combined newsletter for **March** and **April**. You will find the birthday lists and breakfast lists for both months within this issue.

Daytona Beach Retreads Reunion

For those folks lucky enough to be in Florida this March, we will have our annual get-together at 'Our Deck Down Under' 78 E. Dunlawton Ave. Port Orange (located under the bridge)

March 11(Tues) 11:30AM

FYI

Sam Beloff is looking for a roommate for the Retreads International Rally held in Branson, MO. We have a group leaving **May 1** and returning **May 11.**

You can contact Sam at sam@beloffmail.com if you are interested in going.

The **Mid-Atlantic Rally** is held in mid-May each year.

The Bird-in-Hand rally has always been a premier event that kicks off the ride season for many Retreads.

This is the **closest** rally to most of the Southern NJ Retreads members. Many of the attendees to the rally in Branson will also be going to our Mid-Atlantic Rally. Good food, familiar faces, close by and fun.

I would like to have a **Ride Committee Meeting** to discuss rides for the 2014 season. This would be an opportunity to voice your suggestions for our Sunday or Wednesday rides and the numerous overnight possibilities.

Sometime in April, I will send out an e-mail with a date..time..and location for the meeting.

I would encourage all of our current ride leaders to attend as we could use the 'expert' feedback on the suggestions.

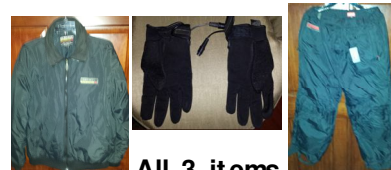

I hope all our **Snow Birds** are having a good time in Florida. "Bring some sun back with you. We miss it!"

The Lighter Side - That Is, the Back Side

I don't remember being absent-minded.

As I was lying around, pondering the problems of the world, I realized that at my age I don't really give a rat's ass any more.

If walking is good for your health, the postman would be immortal.

A whale swims all day, only eats fish, drinks water, but is still fat.

A rabbit runs and hops and only lives 15 years, while a tortoise doesn't run and does mostly nothing, yet it lives for 150 years. And you tell me to exercise?? I don't think so.

Just grant me the senility to forget the people I never liked, the good fortune to remember the ones I do, and the eyesight to tell the difference.

Now that I'm older here's what I've discovered:

1. I started out with nothing, and I still have most of it.
2. My wild oats are mostly enjoyed with prunes and all-bran.
3. I finally got my head together, and now my body is falling apart
4. If all is not lost, then where the heck is it?

Thanks to Bob Moore

7. It was a whole lot easier to get older, than to get wiser.
8. Some days, you're the top dog; some days you're the hydrant.
9. I wish the buck really did stop here; I sure could use a few of them.
10. Kids in the back seat cause accidents.
11. Accidents in the back seat cause kids.
12. It's hard to make a comeback when you haven't been anywhere.
13. The world only beats a path to your door when you're in the toilet.
14. If God wanted me to touch my toes, he'd have put them on my knees.
15. When I'm finally holding all the right cards, everyone wants to play chess.
16. It's not hard to meet expenses . . . they're everywhere.
17. The only difference between a rut and a grave is the depth.
18. These days, I spend a lot of time thinking about the hereafter . . . I go somewhere to get something, and then wonder what I'm "here after".
