SEVIS I-901 FORM

The SEVIS I-901 form and fee is mandated by Congress to support the program office and the automated system that keeps track of students and exchange visitors so that they can ensure that they maintain their status while in the United States. Applicants may choose to file the SEVIS I-901 form and make the required payment online at www.fmjfee.com or by mail. This non-refundable fee must be paid upon receiving your I-20; keep in mind that you should print out the receipt before you exit the I-901 website and keep it for your records to have it available the day of your appointment with the U.S.A. Embassy.

VISIT TO THE EMBASSY/CONSULATE

Request for an Appointment

To request an appointment you must have the following documents and present them the day of your appointment:

- ◆ The original I-20 form signed by the PDSO.
- ◆ A current bank letter of financial resources.
- ◆ Your passport valid for travel to the United States and with a validity date of at least six months beyond the applicant's intended period of stay in the United States.
- ◆ Receipt of your SEVIS I-901 payment.
- ◆ The additional suggested documents
- ◆ It is highly suggested that you contact the U.S.A. Embassy/Consulate in your country to obtain additional information that may be required to assure that you will be well prepared the day of your visit.
- ◆ To locate one of the U.S Embassies, Consulates and Diplomatic Missions please go to: www.usembassy.gov.
- ◆ It is your responsibility to review all documentation before you leave the Embassy/Consulate to assure that you have been issued the correct visa type, which is the M-1 Visa. Should you receive a wrong visa type, request a correction before you leave the Embassy.

Important: If you arrive to the U.S.A. with a visa type other than an M1, you must first request, either a change of status or a correction, directly with USCIS and before you may start attending BSA. Call the Primary School Official if you need further information.

ARRIVAL TO THE U.S.A.

I-94 Arrival/Departure Record Form - M-1 students must provide the International Department with the information about the electronic I-94 given by the U.S.A. Port of Entry record.

M-1 Visa – Passport - The passport must reflect the approved visa type (M-1), the approval and expiration dates, school name: Beauty Schools of America® (BSA), and the right location. Also, it should be valid for at least six months beyond the applicant's intended period of stay in the United States.

Late Arrivals - If the applicant selects a program that is 12 months in length, they must arrive to the U.S.A. and report to school not earlier than 5-10 calendar days prior to the program start date. This is very important because M1 applicants are allowed to be in the U.S.A. for a total of 12 months, or 30 days after the last day of attendance, whichever comes first. If a situation arise where the student cannot start classes on the Program Start Date as listed on the I-20, the student should request the International Department a deferral of the program start date. The SEVIS system automatically cancels immigration records of those students who do not start their program within the expected time. If so, the immigration record may be canceled and the applicant will have to apply for reinstatement.

STUDENT PAYMENT INFORMATION & BSA ORIENTATION

Student Tuition Payment Information - Tuition and fee payments may be arranged on a monthly basis. The first (1) payment is due on the first (1) day of class, and on the same day of every month thereafter.

NOTE: Federal financial aid is not available to international students.

Orientation - All BSA students are required to attend the *New Student Orientation* and complete all necessary paperwork. Orientation is conducted on the first day of class.

TRAVELING OUTSIDE THE U.S.A.

Traveling outside the United States as an M-1 Student - Due to regulations of the M-1 Visa program, an International student may leave the United States only while the school is closed as per the academic calendar published in the school catalog. If the student decides to leave for any reason while classes are in session, the I-20 may be terminated and the student will be required to re-apply for admission following the regulations of the M1 visa program. School is not responsible for any inconvenience caused when students leave the U.S.A. while still a student of BSA. Please refer to the school's calendar in the About the School section. For Frequently asked questions you may visit the following link http://www.ice.gov/sevis/travel/faq_m2.htm.

FLORIDA STATE BOARDS/COUNCILS & SOCIAL SECURITY

Beauty Schools of America® will certify students to apply for a license ONLY if students meet the requirements of the DBPR. BSA is not the entity which provides a license, it is the DBPR.

OPTIONAL PRACTICAL TRAINING (OPT)

International students are not permitted to work while attending school. Students may apply for *Optional Practical Training* (OPT) on Form I-765. The application must be submitted 90 days prior to the program end date. If the student is authorized by the *Department of Homeland Security* (DHS) to engage in employment for practical training, he or she will be issued an employment authorization document. The student may not begin employment until he or she has been issued an employment authorization document by USCIS. One month of employment authorization may be granted for each four months of full-time study that the student has completed. However, the student may not engage in more than six months of OPT.

APPLICATION TO EXTEND/CHANGE NONIMMIGRANT STATUS (FORM I-539)

This form is required by the *U.S.A. Department of Homeland Security* (DHS) and the *U.S.A. Citizen and Immigration Services* (USCIS) only if you are applying for a change of status or an extension of stay in the United States (U.S). You must read and follow all the instructions on the form and pay the proper fee. The form could be downloaded at www.uscis.gov.

CREDIT FOR PREVIOUS EDUCATION / TRAINING

This is only required if the applicant is requesting credit for previous education/training. Please keep in mind that an additional two (2) weeks will be added for processing of your I-20. If you are interested in requesting credit for your previous education/training the following procedure must be completed before processing and issuing applicants a *Certificate of Eligibility* (I-20).

Transfer of hours, services and grades from a previous institution - If requesting a credit, students must provide an official transcript, which should be mailed directly to the International department. When bringing the transcripts in person, they must be sealed. The transcripts must include the number of hours attempted and completed, which services were completed, as well as grades obtained for each course. Applicants must meet the minimum requirements listed below to be eligible to transfer coursework, although the minimum standards do not guarantee full or partial credit for your previous education. The final decision resides with the Registrar department. Please allow up to two weeks for the review process.

- ◆ Credits/clock hours completed
- ◆ Practical services completed
- ◆ 75% or higher on exams

NOTE: Applicants transferring may be required to complete additional hours, services and exams if their previous education does not meet our current program requirements, as well as the State of Florida.

Transferring hours, services and grades within our school - To receive credit for courses previously completed within our school, applicant must follow the same policy stated above. However, submission of an academic transcript is not required. Some of our programs contain educational components that are equivalent to one another. Those components may be transferable partially or in its entirety. The final decision resides with the Registrar department. In most cases, there are no prerequisites in regards to the order in which the student takes each phase of the program.

NOTE: The required hours for HIV are not transferrable, nor will the grade be credited. You must obtain a new HIV certificate for each program taken. If you obtain a certificate from outside (another) institution, which is current, Beauty Schools of America® (BSA) will give a grade of Pass, however you must still complete the hours; BSA is not responsible if it is not accepted by the Board or Council. If the certificate is not accepted then you will be required to take the course at BSA.

CERTIFICATION BY THE INTERNATIONAL THERAPY EXAMINATION COUNCIL (ITEC)

Beauty Schools of America® has been certified by the International Therapy Examination Council and approved for certification in various categories. If you are interested or would like more information on how to become ITEC certified, please inform your International Admissions Representative upon enrollment. You can also find additional information at www.itecworld.co.uk.

Remember that the United States Embassy is the entity that reviews your entire case; they will be interviewing you and making a decision at the end. The stronger your case is in all of the above mentioned areas, the higher your possibilities of getting approved for your M-1 visa.

We look forward to having you as one of our proud students.
