Kim Cummins,  
-Secretary

Britton Peterson,  
Volunteer Chair

Shelly Robinson,  
-Fund-raising Chair

Open Position  
-Parent Ambassador Chair

## What is PTO?

Many hands make like work. Today's diverse parent group has access to many resources that can be used to enhance the environment for the growth and development of children. Our PTO plays a vital role in assuring the school fulfills its mission to our students by:

- Supporting the staff in providing quality educational opportunities in a suitable environment
- Providing a forum for parents to exchange ideas
- Fostering hospitality and community among parents, students, staff, and parishioners
- Assisting in school fundraising activities

During the school year, PTO coordinates a variety of fun, community-building events, including:

- Fall Festival
- Wreath Sales to support CYO athletic programs
- Catholic Schools Week events and activities
- Movie nights; Night at the Rainiers
- Our End-of-Year BBQ

These fun events are loved by our students. They require a little bit of effort to create a whole lot of enjoyment for kids and families.

**Be an active member of our PTO!  
Without "U", we can't spell S - CCESS!**

## We have \$\$\$, Where should it go?

Even with all of the great activities sponsored by PTO last year, we have some proceeds left in our account.

With your vote, you can help decide what our PTO funds can be applied to for supporting the enrichment and education of our students.

---

**PTO:**  
*Enhancing school life for  
students, families, teachers  
and schools.*
