Boys Nite Out is a very special and unique fundraising event of the Boys & Girls Clubs of Southern Nevada. On one evening each year, several hundred boys from Clubhouses are matched up with several hundred men from the community. Together, they play a variety of games, enjoy a special meal and win wonderful prizes. Many of the boys come from single-parent disadvantaged homes and the one-on-one attention they receive from the men is a very precious gift. Boys Nite Out is free to our young members - funds are raised from individual donations and corporate sponsors.
