

# Vegas Wedding Packing Lists

TK has a general packing list here: <http://images.theknot.com/travelromance/pdf/packlist.pdf>

Here's my own checklist that I came up with since it was Las Vegas and two weeks straight since we were going from wedding to honeymoon without coming back home:

- All vendor contracts printed out and the wedding day schedule from Scheme Events (day of coordinator)
- Battery & phone charger cable
- Beach flip flops
- Black socks
- Blistex
- Boarding pass
- Cigars & travel humidior
- Dice for craps table photo shoot
- Dress shirts
- Eye drops
- Ground plug adaptor (for honeymoon with international outlets)
- Groupon & restaurant.com printouts
- Jeans
- Koozies
- Laptop & charger
- Laptop security cable
- Marriage license pickup number
- Passport
- Razors
- Steamer
- Sunglasses
- Ties
- Tux, shirt, cufflinks, shoes, belt
- Verizon global roaming cheat sheet & support # card
- Video camera & charger
- Walking flip flops
- Waterproof Camera Case
- Wedding ring
- Workout clothes & socks
- Zip locks (large & small)
