What We Agree to Do

All-Access Plans:

We agree to give you all-access meal plan service during the Fall Semester of 2016 and the Spring Semester of 2017. Your encoded UGA Card is your key to unlimited and unrestricted access into The Village Summit, Bolton Dining Commons, Oglethorpe Dining Commons, Snelling Dining Commons, and the Niche at Scott Hall whenever they're open for Meal Plan service. Because of remodeling, maintenance, and other things that can come up, we can't promise that each of the five dining commons will be open all year. (If you lose your UGA Card, just go to the Tate Center to get another one. We can't give you a temporary card.)

If you choose the 7- Day Plan, you'll have unlimited access seven days a week whenever the dining commons are open for Meal Plan service. If you choose the 5 -Day Plan, you'll have unlimited access Monday through Friday whenever the dining commons are open for Meal Plan service.

All-Access Plans with Paw Points:

We agree to give you all-access meal plan service plus flexible spending points to be used in any Food Services location on campus, as well as vending services. Your Paw Points will be accessible via your UGACard. If you have a Bulldog Bucks account, please be aware that Paw Points will be used first in all Food Services locations.

Service Dates and Times:

Our first meal for the Fall Semester will be breakfast on Sunday, August 7, 2016. During the Fall Semester, we'll close the dining commons after breakfast on Wednesday, November 23, 2016 for Thanksgiving break. The Village Summit and Bolton Dining Commons will reopen on Saturday, November 26, 2016 for breakfast. Oglethorpe, Snelling Dining Commons and the Niche will reopen on Monday, November 28, 2016 for breakfast. Our last meal for the Fall Semester will be breakfast on Friday, December 16, 2016. Spring Semester meal plan service will begin on Monday, January 2, 2017 at 10:30am at The Summit and Bolton and end on Saturday, May 6, 2017 after breakfast. If you have chosen a plan with Paw Points, please refer to our website: foodservice.uga.edu for precise operating dates in Retail locations.

What You Agree to Do

In signing and submitting the meal plan contract to UGA Food Services, you agree to make payment on your student account according to billing instructions published by The University of Georgia Bursar's Office. The charge for the meal plan you select will be posted to your student account. You will receive notification of the meal plan charge posting to your student account via the e-mail address you have registered with The University of Georgia along with payment instructions from the Bursar. **It is very important for you to understand that this agreement is for the FULL ACADEMIC YEAR and is not just for the Fall Semester.** The Spring Semester meal plan charge for the plan you choose will be automatically transmitted to your student account in keeping with the schedule issued by the Bursar's Office.

You agree **NOT to take food out of the dining commons.** If you take food out of the dining commons, then we can take away your Meal Plan rights without giving you a refund.

You agree **NOT to allow others to use your ID to access any Food Services location.** If you allow unauthorized access or use, then we can take away your Meal Plan rights without giving you a refund.

You agree to behave responsibly in the dining commons. If you behave irresponsibly in the dining commons, then we can take away your Meal Plan rights without giving you a refund. If interruption of enrollment occurs as a result of University disciplinary action, no refund credits will be made to your student account after the 4th week of the semester.

Your Meal Plan Bill of Rights

If you decide that you don't want to be on the Meal Plan, or if you do not enroll at the University of Georgia, and you let us know before the first serving day of the Fall Semester (August 7, 2016), then you have the right to leave the Meal Plan. The amount charged to your student account for the meal plan will be credited in full.

If you decide to withdraw from the University you may cancel your meal plan contract. Refunds in the form of a credit to your student account will be made based on your official withdrawal date or your last day of dining, whichever is later.

University of Georgia Food Services Academic Year Meal Plan Agreement
Fall Semester 2016 - Spring Semester 2017 (continued)

If you are enrolled Spring Semester and decide to cancel the Spring Semester portion of your Meal Plan contract, then you have the right to leave the Meal Plan. If you cancel before the first meal plan serving day of spring semester (January 2, 2017) then 85% of the charge to your student account will be credited. You may cancel your contract after the first serving day; however, the amount credited will be 85% of the meal plan contract price less a daily cash rate charge for each day the meal plan offered service.

If you graduate fall semester and/or if you are not enrolled in spring semester classes held on the UGA Athens Campus (like the Studies Abroad Program), then you have the right to cancel the spring portion of your meal plan agreement. You will need to fill out a request to cancel at Food Administration and upon verification the amount charged to your student account for the Spring Semester portion of your meal plan will be credited in full.

If a physician prescribes a special diet for you to address a health problem and Food Services is unable to provide the special diet, then you have the right to leave the Meal Plan, and charges for future meals to your student account will be credited in full. Our on-staff registered dietitian is ready to help with counseling to make the Meal Plan work for you. You can't leave the Meal Plan because of a diet that you follow for other reasons, or because you've committed to eating somewhere else (like a sorority or fraternity or other social organization), so be sure the Meal Plan is right for you before you sign up.

Other Important Information

This agreement is for the FULL 2016-2017 academic year, beginning on August 7, 2016 and ending on May 6, 2017 or for the remainder of the 2016-2017 academic year if entered after the beginning of Fall Semester.

Signing up for the Meal Plan is not the same thing as admission to the University. You can't participate in the Meal Plan unless you have a valid UGA MyID Card.

This agreement is severable. That means that if any part of the agreement is invalid, the rest of the agreement is valid.

Any Paw Points remaining unused at the end of Fall Semester will be made available for use during Spring Semester. At the end of Spring Semester when Academic Year service concludes, the balance of the unused Paw Points will remain for your use for up to one year from the date of your last purchase.

You will be added to our email list for information and specials from UGA Food Services. You may opt out of marketing emails at any time, but will continue to receive important alerts for things such as: inclement weather, change of service, and contract updates.

Sign-up online at foodservice.uga.edu or return this agreement **without payment** to: UGA Food Services, Snelling Dining Commons, University of Georgia, Athens, Georgia 30602. Send no money; billing will be processed through your student account at the Bursar's Office.
