TERMS OF ACCOUNT AND AUTHORIZATION TO RELEASE INFORMATION

By signing this Application, it is AGREED that payments on all invoices are due and payable NO LATER than the end of the month following the purchase. A finance charge of Eighteen (18%) per annum (i.e. 1 1/2 % per month) will be applied on any unpaid or outstanding balance. This interest charge is cumulative for any month(s) and/or portion thereof where there remains an outstanding balance. Purchases and/or deliveries are hereby authorized to be made without signature. Payment tendered by check or other instrument of indebtedness is considered a charge sale (and subject to the above interest charges) until that check/instrument is honored. The stated allowable fee at the time will be added to any dishonored checks/instruments in addition to any other interest charges. The undersigned, if signing on behalf of a corporation, partnership, or proprietorship represents that he/she has full authority to act as agent for such corporation, partnership, or proprietorship.
