Uniform Violation Consequences

- Continuous uniform defiance will result in after school detention and/or out of school suspension.

Dress Code Rationale

- The mission of LCCP is to develop well-disciplined scholars who will be prepared for college or a career when they leave our school. In light of this, all students will be taught how a scholar acts, how a scholar presents him or herself and appearance, and the skills necessary to be a scholar. The school believes that students appear more scholarly when they are wearing an attractive uniform, and it also believes that students will act more scholarly because they will feel good about their appearance.
- Another value of the school is that of “teamwork”. Just as members on a sports team are required to wear a uniform in order to show their strength in unity, so too are scholars of the LCCP team.
- Students in school often spend too much time and energy worrying about which students are wearing the name brand clothes. If our focus is on developing scholars, the students at LCCP will need to spend all of their time and energy focusing on their education, not on comparing clothing.

**Upon the opening of Lake Charles College Prep, students may be given the option to earn different colored oxford shirts for different honors.*
