## **Reimbursement details**

BWC will reimburse employers 75% of the covered transitional work developer services up to the maximum of your grant. Maximum developer rate is \$200/hour and maximum fee for job analysis is \$200/analysis. There is no specific number of developer hours or number of job analyses.

- BWC will not reimburse employers for the following;
- · Cost associated with a transitional work developer's preparing and submitting a plan to an employer
- Plan materials such as paper, binders and memory devices
- Travel and lodging expenses
- Services we deem not covered by grant monies

### Reimbursement request

- Reimbursement of corporate grant program
- Reimbursement request from implementation fund (check below)
  - Assistance with employer's first claim in the transitional work plan
  - Training for employer's new transitional work coordinator
  - Update or additional job analyses
  - Program improvement

### To the best of my knowledge, the information submitted in this form is correct.
