

**OSHA Form 300 Task Force Report:**

The Form 300 Task Force submitted a draft of its “NHCA Guidelines for Recording Hearing Loss” to the Executive Council. Following review and discussion with the Material Content Review Task Force, edits were made, and a final draft was reviewed and approved at the EC meeting on April 26, 2011. This best practices guide has been made available on the website (<http://nhca.affiniscap.com/associations/10915/files/NHCAGuidelinesforRecordingHearingLossontheOSHA300Log0516112.pdf>) and will be published in Spectrum. With the completion of its task, this taskforce has been disbanded.
