PODIATRIC SCIENTIFIC LECTURE TRACK

Special Evening Seminars

Thursday, January 30, 2003

4:00 pm	5:30 pm	OUM/PICA Seminar RSV: A Complex Regional Pain Syndrome <i>Insureds get a 10% discount for attending</i>
6:00 pm	7:00 pm	Infection Control
7:00 pm	10:00 pm	HIPAA and Medicare Seminar

SPONSORED BY AN UNRESTRICTED EDUCATIONAL GRANT FROM PHYSICIANS' RECIPROCAL INSURERS

Dermatology

Friday, January 31, 2003

8:00 am	8:10 am	Opening Remarks	
8:10 am	8:30 am	Treatment of Plantar Verrucae Utilizing Formaldehyde	MAUREEN B. JENNINGS, DPM
8:30 am	9:00 am	Pearls in Dermatopathology	BRYAN MARKINSON, DPM

Pediatrics

9:00 am	9:20 am	Assessment of the Intoeing Child	RICHARD M. JAY, DPM
9:20 am	9:40 am	Metatarsal Adductus	JOHN M. SCHUBERTH, DPM
9:40 am	10:00 am	Pediatric Pharmacology	ERWIN J. JUDA, DPM
10:00 am	10:20 am	Juvenile Hallux Valgus Deformity	RICHARD M. JAY, DPM
10:20 am	10:40 am	Rationale & Selection of Foot Orthoses in Children	JOSEPH C. D'AMICO, DPM
11:25 am	11:45 am	Surgical Evaluation of the Pediatric Pes Planus Deformity	RICHARD M. JAY, DPM
11:45 am	12:05 pm	Subtalar Joint Arthroereisis in Treatment of Juvenile Pes Planus Deformity	RENATO J. GIORGINI, DPM
12:05 pm	12:25 pm	Complications of Subtalar Joint Implants	LAWRENCE M. OLOFF, DPM
12:25 pm	1:00 pm	Interactive Workshop: When to Operate on the Pediatric Patient Moderator: RENATO J. GIORGINI, DPM <i>Panel discussion with question & answer session</i>	

Rheumatology

2:00 pm	2:20 pm	The Arthritides: Differential Diagnosis	PLACIDO A. MORANO, MD
2:20 pm	2:40 pm	Office Management of Common Arthritic Foot Disorders	ALLEN M. JACOBS, DPM
2:40 pm	3:00 pm	Medical Considerations the Surgeon Needs to Know Before Operating	ALLEN M. JACOBS, DPM
3:00 pm	3:20 pm	Surgical Approach to the Rheumatoid Foot	MICHAEL S. DOWNEY, DPM

Geriatrics

4:05 pm	4:25 pm	Pharmacology in the Geriatric Patient	ERWIN J. JUDA, DPM
4:25 pm	4:45 pm	How Does Age Affect The Choice of Surgical Procedures?	JOHN M. SCHUBERTH, DPM
4:45 pm	5:05 pm	Management of Anticoagulant Therapy in the Perioperative Period	ALLEN M. JACOBS, DPM
5:05 pm	6:00 pm	Interactive Workshop: Approach to Chronic Nerve Pain & Injuries Moderator: Charles T. Arena, DPM <i>Panel discussion with question & answer session</i>	

Trauma

Saturday, February 1, 2003

8:00 am	8:20 am	Metatarsal Fractures	GEORGE S. GUMMAN, JR., DPM
8:20 am	8:40 am	Management of the Acute & Old Lisfranc's Joint Dislocation	BARRY L. SCURRAN, DPM
8:40 am	9:00 am	Talus Fractures	GEORGE S. GUMMAN, JR. DPM
9:00 am	9:20 pm	Post Traumatic Sinus Tarsi Syndrome: Diagnosis & Management	LAWRENCE M. OLOFF, DPM
10:45 am	11:05 am	Achilles Tendon Ruptures	BARRY L. SCURRAN, DPM
11:05 am	11:25 am	Controversies in Management of Calcaneal Fractures	CHARLES M. LOMBARDI, DPM
11:25 am	12:30 pm	Interactive Workshop: Ethical Issues in Everyday Practice Moderator: ALLEN M. JACOBS, DPM <i>Panel discussion with question & answer session</i>	

Surgical Pearls

2:15 pm	2:35 pm	Complications of Proximal 1st Ray Surgery	JOHN M. SCHUBERTH, DPM
2:35 pm	2:55 pm	Pearls of Tarsal Tunnel Release	MICHAEL S. DOWNEY, DPM
2:55 pm	3:15 pm	Hallux Varus: How to Cause & How to Prevent	JOHN M. SCHUBERTH, DPM
3:15 pm	3:35 pm	Nerve Injury Complications Associated with HAV Surgery	ALLEN M. JACOBS, DPM
3:35 pm	3:55 pm	Use of Autogenous Growth Factor & Implantable Bone Stimulator for Nonunion	JOHN M. SCHUBERTH, DPM
3:55 pm	4:15 pm	The Future of Implant Arthroplasty of the Great Toe	ALLEN M. JACOBS, DPM
4:15 pm	4:35 pm	Management of the Failed Great Toe Implant	LAWRENCE M. OLOFF, DPM
4:35 pm	5:30 pm	Interactive Workshop: How to Deal with Intra-Op/Post-Op Complications Moderator: BARRY L. SCURRAN, DPM <i>Panel discussion with question & answer session.</i>	

Management of Diabetes Related Infections of the Lower Extremity

Sunday, February 2, 2003

8:15 am	8:35 am	Proposed New Classification for Diabetic Foot Infections	WARREN S. JOSEPH, DPM
8:35 am	8:55 am	Skin Conditions of the Lower Extremity in the Diabetic Patient	W. PHILIP WERSCHLER, MD
8:55 am	9:15 am	Surgical Management of Diabetic Foot Infections	MICHAEL S. DOWNEY, DPM
9:15 am	9:35 am	Diabetes Care is High Risk	WINFIELD E. BUTLIN, DPM
10:20 am	10:40 am	Vascular Disease in the Diabetic Patient	MARCUS D'AYALA, MD
10:40 am	11:00 am	Emerging Strategies in the Treatment of Diabetic Foot Ulcers	PETER SHEEHAN, MD
11:00 am	12:00 pm	Interactive Workshop: Management of Diabetic Charcot Arthropathy Moderator: MICHAEL S. DOWNEY, DPM <i>Panel discussion with question & answer session</i>	

MANAGEMENT OF DIABETES RELATED INFECTIONS OF THE LOWER EXTREMITY IS SPONSORED BY
AN UNRESTRICTED EDUCATIONAL GRANT FROM DERMIK LABORATORIES, INC.

12:00 pm 1:00 pm Resident Research Paper Presentation

Track I – Sports Medicine

2:00 pm	2:20 pm	Treatment of Grade 2 & Grade 3 Ankle Sprains: When to Operate	DOUGLAS H. RICHIE, JR., DPM
2:20 pm	2:40 pm	Choosing Proper Functional Footwear & Orthotics for the Athlete	JUSTIN WERNICK, DPM
2:40 pm	3:00 pm	Exercise Induced Leg Pain	JAMES M. LOSITO, DPM
3:00 pm	3:20 pm	Biomechanics of Running	JUSTIN WERNICK, DPM
3:20 pm	3:40 pm	Fifth Metatarsal Fractures in the Athlete	JAMES M. LOSITO, DPM
3:40 pm	5:00 pm	Interactive Workshop Moderator: DOUGLAS H. RICHIE, JR., DPM <i>Panel discussion with question & answer session</i>	

Track II – Healing the Diabetic Foot Wound: A Marriage of Old & New Technologies

2:00 pm	3:00 pm	The Diabetic Foot: A Global View – Identify the impact of amputations in the developed & developing world; key risk factors associated with ulcer formation & lower extremity amputation; & how to implement a structured screening program for risk assessment.	ANDREW J. M. BOULTON, MD
3:00 pm	4:00 pm	What to Take Off the Wound: Practical, Evidence-Based Strategies For Wound Debridement – Elements of appropriate wound care; evidence-based modalities reducing plantar pressure around the diabetic foot wound; implementing these strategies into clinical practice; understanding the basic tenets of activity monitoring & modulation in the treatment & prevention of diabetic foot ulcers.	LAWRENCE A. LAVERY, DPM

Track II – Healing the Diabetic Foot Wound: A Marriage of Old & New Technologies (continued)

4:00 pm 5:00 pm **What to Put On the Wound: New Technologies in Wound Healing –** I. KELMAN COHEN, MD
The basic definition of "chronic wound;" strategies for converting chronic wound space into an acute wound environment; new technologies in the treatment of diabetic foot wounds (e.g., bioengineered tissues, growth factors, protease modulators, VAC therapy, & hyaluronic acid).

TRACK II: APMA'S DIABETES EDUCATION PROGRAM
SPONSORED BY AN UNRESTRICTED EDUCATIONAL GRANT FROM ROYCE MEDICAL

DPM Workshops

Friday, January 31, 2003

9:00 am 5:00 pm **Common Forefoot Osteotomies with Internal Fixation** MICHAEL P. DELLA CORTE, DPM
Full day lecture & hands-on workshop on rigid internal screw fixation. Presentation of didactic information & sawbones use of implant materials. BARNEY F. MARTIN, DPM
Moderator: PATRICK J. GRISAFI, DPM DAVID J. SANDS, DPM

9:00 am 12:00 pm **ISOGuard System (Cadaver Lab)** EDWARD A. BURO, DPM
The new minimally invasive ISOGuard system will be used to perform Morton's neuroma decompressions & plantar fasciotomies. These surgical techniques allow the surgeon to perform nerve decompressions & fasciotomies safely & effectively through single small incisions without the use of endoscopic equipment. VITO J. RIZZO, DPM
SPONSORED BY KOBY SURGICAL

9:00 am 12:00 pm **New Concepts in Screw Fixation** MICHAEL J. TREPAL, DPM
Will cover the indications for utilization of bone screws in foot & ankle surgery, describe the relationship between screw anatomy & function, facilitation of new technology, & utilization of saw bone models to perform common osteotomies & fixate with a cannulated self tapping system. KEVIN T. JULES, DPM

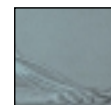

2:00 pm 5:00 pm **Endoscopic Surgery of the Lower Extremity (Cadaver Lab)** EDWARD A. BURO, DPM
Uniportal endoscopic technique for gastrocnemius tenotomy/recession, plantar fasciotomy & Morton's Neuroma Decompression. DANIEL JERAN, DPM
Moderator: AMOL SAXENA, DPM
SPONSORED BY AM SURGICAL

2:00 pm 5:00 pm **Practice Enhancement**

SPONSORED BY THE AMERICAN ASSOCIATION OF HOSPITAL PHYSICIANS AND PHYSICIANS' RECIPROCAL INSURERS

Saturday, February 1, 2003

9:00 am 10:30 am **Common Dermatologic Disorders of the High Risk Patient** GARY L. DOCKERY, DPM
This symposium will focus on clinically relevant information regarding lower extremity genologic disorders of the high risk patient, specifically the patient with diabetes mellitus & arthritides. Experts in the management of these conditions will discuss evidence-based treatments of the lower extremity dermatologic disorders. Current & most common diagnostic tests of biopsies, including incisional, excisional & punch, as well as periodic acid-Schiff pathology test will be discussed. JEFFREY C. PAGE, DPM

SPONSORED BY AN UNRESTRICTED EDUCATIONAL GRANT FROM NOVARTIS PHARMACEUTICALS CORPORATION

9:00 am	12:00 pm	<p>Advanced Forefoot Surgery (Cadaver Lab)</p> <p>Cadaver lab illustrating advanced forefoot surgical procedures & osteotomies with the use of advanced internal fixation techniques. Good working knowledge of common forefoot procedures & AO principles & techniques suggested.</p> <p>Moderator: PATRICK J. GRISAFI, DPM</p>	<p>BARNEY F. MARTIN, DPM DAVID J. SANDS, DPM</p>
9:00 am	12:00 pm	<p>Introduction to Neurosensory Testing</p> <p>This comprehensive introductory course will introduce the attendee to neurosensory testing, interpretation, & its clinical applications. There will be didactic presentations on the restoration of sensation in diabetic neuropathy, as well as discussion of podiatric diagnostic dilemmas for heel pain, tarsal tunnel syndrome, & the staging of diabetic peripheral neuropathy. A hands on workshop will allow for a practicum with podiatrists who are currently using the PSSD Technology in their practices.</p>	<p>A. LEE DELLON, MD STEPHEN L. BARRETT, DPM SUHAD A. HADI, DPM MARK MONDATO, DPM</p>
2:00 pm	3:30 pm	<p>The Physician-Patient Dynamic: Communication Strategies for Enhancing Therapeutic Outcomes</p> <p>This program will focus on the importance of effective communication skills between physicians & patients. The workshop will provide an opportunity to strengthen those skills used in everyday practice in order to manage patient expectations &, at the same time, improve compliance & patient satisfaction.</p>	<p>PETER A. BLUME, DPM KATHLEEN SATTERFIELD, DPM</p>
<p>SPONSORED BY AN UNRESTRICTED EDUCATIONAL GRANT FROM NOVARTIS PHARMACEUTICALS CORPORATION</p>			
2:15 pm	4:15 pm	<p>How To Protect Your License</p> <p>Discussion with members of the New York State Board for Podiatry</p>	
2:15 pm	5:15 pm	<p>Basic Rearfoot Surgery (Cadaver Lab)</p> <p>Lecture & hands-on workshop to demonstrate tarsal tunnel release, HAGLUND'S deformity, Evan's Calcaneal Osteotomy, posterior calcaneal osteotomies, & arthrodesis procedures.</p> <p>Moderator: CHARLES M. LOMBARDI, DPM</p>	<p>LESTER N. DENNIS, DPM ALICIA T. LAZZARA, DPM</p>
2:15 pm	5:15 pm	<p>Indications, Casting & Billing for AFO Devices</p> <p>This workshop will cover traditional AFOs as well as the Richie Brace and foot orthotics. Pearls will be discussed in the treatment of difficult foot pathologies. Common pathologies discussed will include Posterior Tibial Tendon Dysfunction (PTTD), lateral ankle instability & degenerative arthritis of the foot & ankle. Hands on casting demonstration with plaster & STS stockinet.</p>	<p>DOUGLAS H. RICHIE, JR., DPM RICHARD STESS, DPM</p>

SPONSORED BY AN UNRESTRICTED EDUCATIONAL GRANT FROM ALLIED OSI LABS AND STS COMPANY

9:00 am	12:00 pm	<p>Diagnostic Ultrasound This workshop will review the principles & terminology of ultrasonography, review ultrasonography anatomy & pathology, such as tendonitis, tendon tears, fasciitis, bursitis, soft tissue masses & exotoses. There will be a hands on opportunity to use an ultrasound machine & identify normal & pathological tissue.</p>	TERRY L. SPILKEN, DPM
9:00 am	1:00 pm	<p>Essentials of Appropriate History & Physicals This lecture & workshop will demonstrate the right & wrong ways of taking a proper history & physical on a new patient. An important enhancement to one's practice skills.</p>	JOHN T. COSTA, MD
9:00 am	12:00 pm	<p>Cryogenic Neuroablation for the Treatment of Lower Extremity Neuromas A report on a prospective study testing the efficacy of cryosurgery on lower extremity neuromas. Thirty-one neuromas in twenty patients were percutaneously denervated using a Westco® neurostatil cryoneedle. The success rate is similar to surgical excision with little to no disability period & high patient satisfaction.</p>	LAWRENCE M. FALLAT, DPM
2:00 pm	4:00 pm	<p>Board Certification Process: How to Pass the Oral Exam This time-tested course will teach the do's & don'ts of taking an oral board exam. Questions for Surgical & PPM Boards will be discussed. A three question mock oral exam will be given.</p>	RAYMOND J. MOLLIKA, DPM LAWRENCE A. SANTI, DPM JOSEPH C. STUTO, DPM
2:00 pm	4:00 pm	<p>How to Become a Residency Director <i>Presented by the New York College of Podiatric Medicine</i> This workshop will help podiatrists to start a podiatric residency program. The Council on Podiatric Medical Education approval requirements will be reviewed & the financial advantages to the hospital will be examined. A practical guide to running a program & the responsibility of the on-site Director & Podiatric Medical Educator will be covered. Session will end in a roundtable discussion with question & answer period.</p>	JONATHAN A. HABER, DPM TERRY L. SPILKEN, DPM
2:00 pm	4:00 pm	<p>The Residency Interview Process Students/Residents/Preceptees Only (No CME Credit) All you ever wanted to know about the podiatric residency interview process but were afraid to ask. Excellent opportunity for students to learn the ins & outs of residency applications & how to prepare for the interview. This workshop will help make the life of the fourth-year student more organized & prepared for what lies ahead.</p>	RUSSELL R. CAPRIOLI, DPM ANTHONY J. ESPOSITO, DPM LAWRENCE A. SANTI, DPM GARY S. SAPHIRE, DPM

Social Events

President's Open House – Friday, January 31, 2003 from 6:00 until 7:30 pm

Meet with friends and colleagues in the President's Suite for cocktails and a light snack. New members are especially welcome to get to know the Association's Officers, Trustees and Division leadership.

Luncheons –

Lunch is on your own and will be available each day in the Exhibit Hall.

General Membership Meeting – Saturday, February 1, 2003 12:30 pm

This meeting is for NYSPMA Members to meet with the Officers and Board of Trustees to discuss Association strategies and to get answers to questions about Association issues.

General Information

Continuing Medical Education Credits For Lectures And Workshops

Approval of 20.75 CEU credits have been granted for General Lectures. Workshop participants earn one CEU per hour of instruction.

Conference Confirmation

Confirmation will be mailed following receipt of your registration. Workshop tickets and other materials will be mailed to pre-registered attendees only. Registration will be open Thursday from 5:00 until 8 pm, Friday from 7:00 am until 5:00 pm, Saturday from 7:00 am until 5:30 pm, and Sunday from 7:30 am until 5:00 pm.

Conference Attendance

General Lecture attendees will be scanned twice each day to verify attendance. Workshop tickets will be collected at the beginning and end of each session.

Cancellations

\$50 Cancellation Fee – Cancellations must be received in writing. No refunds for cancellations will be issued after January 10, 2003.

Changes To Lectures Or Workshop Schedules

The Foundation for Podiatric Medicine reserves the right to adjust or change the lecture and workshop schedule due to unforeseen scheduling conflicts, low registration or as otherwise deemed necessary. Fees for cancelled lectures or workshops will be promptly refunded.

Hotel – Reservations must be made by January 3, 2003

The venue for the Clinical Conference is the New York Marriott Marquis, 1535 Broadway, New York, NY 10036; (800) 843-4898. Rooms have been blocked for our conference, but **reservations must be made by January 3, 2003.**

Please state that you are attending the Foundation for Podiatric Medicine's Clinical Conference to get the best rates. The rates are as follows:

Single/Double: \$199

Additional Person: \$20

Suites: \$475 & up

Room rates are exclusive of 13 1/4% state tax, 5% New York City tax and \$2 occupancy tax.

2003 CONFERENCE DPM REGISTRATION FORM

Please check the boxes for your selections of seminars, lectures and workshops. Note the amount that fits your member type and add your totals in the space provided. Use one registration form per registrant; please make additional copies as needed.

NYSPMA/APMA Member #: _____ DPM MD STUDENT RESIDENT OTHER
