Dianne has a Masters in Nursing of children and has worked in the pediatric arena for the entirety of her over 30 year nursing career. She is PALS regional faculty for the American Heart Association and is an ENPC Course Director (ENA).

PALS Heartcode (On-line at www.heart.org)

This is an on-line PALS course. Didactic is provided on line. Upon completion of the didactic portion, a course completion certificate is provided. In order to obtain a PALS Provider card, individuals will need to complete the evaluation stations of PALS course with AHA PALS faculty. Evaluation sessions will be offered in conjunction with update courses (see dates below) Pre-registration is required. Certificate of Completion from Heartcode is required.

Part I: \$125 to be completed online

Part II: \$50 available during PALS Updates as listed below (10 a.m. – 12 p.m. OR 1 – 3 p.m.)

PALS Update Course (7 Category 1 CME Credits available)

This is a 1-day renewal course. PALS is a nationally recognized American Heart Association course. It focuses on early recognition and treatment of infants and children at risk for cardiopulmonary arrest, as well as systematic approach to assessment and use of effective team dynamics. An AHA PALS Provider card will be granted upon successful course completion.

Location: Sacred Heart Providence Auditorium

Time: 8-4:30

Cost: \$150 (textbook required/NOT included). Information regarding required textbook will be sent 30 days prior to course.

- July 13
- August 9
- September 19
- October 19
- November 9
- December 6

PALS Update MD (7 Category 1 CME Credits available)

This is a condensed PALS Renewal class offered to physicians.

Location: Children's Hospital 4th floor classrooms

Time: 5:30-9 pm

Cost: \$150 (textbook required/NOT included). Information regarding required textbook will be sent 30 days prior to course.

- September 15

APLS: Pediatric Emergency Medicine Course (13 Category 1 CME credits)

This is a 2-day advanced course developed by the American Academy of Pediatrics. It is designed to teach physicians how to assess and care for critically ill/injured children in the first few hours in the office or ER setting. (Although this course is designed for physicians, other disciplines involved in treatment of pediatric critical/emergency care are encouraged to attend.)

Location: Children's Hospital 4th floor classrooms

Time: 7:30 -4:30

Cost: \$450 (textbook included)

- September 16 & 17

CEARP: Providence Health Care is an approved provider of continuing nursing education by the Washington State Nurses Association Continuing Education Approval & Recognition Program (CEARP), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

CME: Providence Health Care is accredited by the Washington State Medical Association CME Accreditation Committee to sponsor continuing medical education activities for physicians.

Providence Health Care designates this live educational activity for a maximum of 13 hour in Category I to satisfy the re-licensure requirements of the Washington State Medical Quality Assurance Commission.

Providence Health Care designates this live educational activity for a maximum of 13 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

PALS Provider Course (13 Category 1 CME Credits available)

This is a 2-day provider course. PALS is a nationally recognized American Heart Association course. It focuses on early recognition and treatment of infants and children at risk for cardiopulmonary arrest, as well as systematic approach to assessment and use of effective team dynamics. An AHA PALS Provider card will be granted upon successful course completion.

Location: Sacred Heart Providence Auditorium

Time: 8-4:30

Cost: \$255 (textbook required/NOT included). Information regarding required textbook will be sent 30 days prior to course.

- July 11 & 12
- September 27 & 28

PEARS Provider Course (6.0 CEARP contact hours)

This is a 1-day course designed to equip participants to identify pediatric victims as risk of severe cardiopulmonary distress – focus is on early recognition and interventions to stabilize the child while contacting the next level of care. This course is ideal for physicians, nurses, urgent care clinic staff, outpatient clinic staff, school-based and pre-hospital providers as well as senior nursing students who do not routinely care for children.

Location: Providence Auditorium

Time: 8-4:30

Cost: \$150 (Student Rate \$75) (textbook required/NOT included). Information regarding required textbook will be sent 30 days prior to course.

- September 20

Emergency Nursing Pediatric Course (ENPC) Provider Course

This 2-day ENA course is designed to provide core-level pediatric knowledge and psychomotor skills needed to take care of pediatric patients. The course presents a systematic assessment model, integrates associated anatomy, physiology and pathophysiology, and identifies appropriate interventions. Triage categorization and prevention strategies are included in the course content. ENPC is especially valuable for RNs working in Emergency Departments and Pediatric units. CE credit available from Emergency Nursing Association.

Location: Various

Time: 8-4:30

Cost: \$ 250.00

Registration: call 509-474-3343

- October 5 & 6 (Holy Family Hospital)
