

## About TPEL...

TPEL, the Transportation Political Education League, is the UTU's voluntary legislative and political arm.

It is one of the largest and most effective political leagues in organized labor, having made great legislative and political accomplishments in the past few years.

Members of the Auxiliary support UTU's efforts to help its friends in Congress and in the state legislatures by donating some of their time and proceeds of fund-raising events to this important cause.

Through TPEL, we work to help those people who recognize the problems which affect railroad and bus workers and their families and who will work toward enacting laws which will protect our interests.

- TPEL contributes to qualified state and national political candidates, regardless of part affiliation.
- TPEL protects the interests of active and retired members and safeguards laws, working conditions and pension rights.
- TPEL is the largest operating bus and rail political organization.
- TPEL has well-organized advisory committees in 49 states, and an office in Washington. D.C.

Cleveland, Ohio 44107-4250  
Phone: (216) 521-1161**

The Auxiliary of the UTU is an organization of persons of all ages related to members of the UTU or Auxiliary.

Our purpose is to unite the families of the UTU and promote their welfare – socially and intellectually.

What membership in the Auxiliary will mean to you: It will bring an association with people of similar interests. It will help you to better understand the work of the UTU and the importance of the union to your spouse or relative's job.

You will belong to an organization which is non-sectarian and non-partisan. As a member of a subordinate lodge in the United States and Canada, you will have an opportunity to participate in community affairs and become informed on important legislation affecting railroad families.

Eligibility for membership: Spouse or relative of a member of the UTU or Auxiliary. Ladies who held membership in the Auxiliaries to the former Brotherhoods which merged into the United Transportation Union. Employees of the United Transportation Union at the International.

UTU members and retired UTU members ARE NOT eligible for membership in the Auxiliary.

Grand Lodge projects: TPEL (Transportation Political Education League) and Community projects of your choice.
