Dear Friends,

The Lanier Cluster Education Foundation was established in April 2011 to support the teachers, parents and the 5,000 students attending the six Lanier Cluster schools: Buice School, Sugar Hill Elementary, Sycamore Elementary, White Oak Elementary, Lanier Middle and Lanier High School. Our mission is to empower students to achieve at high levels and foster their learning through academics, leadership, service and extra-curricular activities that will positively impact our community and prepare them for a post-secondary career and/or the work force. We will do this through fund-raising, corporate grants and other community support.

You are invited to be a part of history as the Lanier Cluster Education Foundation hosts the Inaugural Blue Jean Ball, a gala dinner-auction that is poised to become a major event in the Lanier community. The Ball is being held February 25, 2012 at Lake Lanier Islands Legacy Lodge and Conference Center. This will be the largest fund-raiser for the Foundation this year and your support is very important and much appreciated.

In our first year, the Foundation has already funded a \$4,000 grant to form a vertical literacy team. We hope to raise \$30,000 at the Blue Jean Ball which will allow us to continue to fund grants that will be used to pay for classroom tools, academic programs and innovative projects. None of this would be possible without your support. Whether you want to sponsor a table at the event and/or donate items such as goods and services, vacation packages, condominium stays, event tickets, gift certificates and more, you can rest assured that monies raised will be used to support academic initiatives within the cluster.

Sponsor information can be found on the next page. If you have questions or would like more information about the event, please email us at: laniercef@gmail.com or visit our website at www.laniercluster.org. All donations to the Lanier Cluster Education Foundation are tax deductible. The LCEF is a registered non-profit, 501(c) (3) organization, tax ID number 16-1764597.

Thank you in advance for your support for the children in the Lanier Cluster of schools. You can follow our progress including auction donations, partners and more on our website and also through our facebook page.

Sincerely,

Lisa Ramsay
