## THE FIELD IS THE WORLD (Matt. 13:38)

It is easy to miss the world-wide impact of Person to Person Ministries. P2P is a multi-faceted ministry assisting the church in making disciples around the world.

It is important for our brethren to know about P2P's vast outreach, because this is exactly the impact Christ wanted as he taught in the parable of the tares. Contained in that parable is the line, "The field is the world."

There are multiple meanings of the word "world" as used in the Bible. Two uses are "world" as the inhabited earth, and "world" as an organized system. Person to Person is working hard to "go into all the world" with the gospel.

First, let me share with you that we are doing what we can to impact the inhabited earth.

- Personal ministry takes us annually to 10-15 states in the US
- Nearly 2/3 of US states are represented each year at Family Camp
- An annual trip of at least a month is made to Australia
- P2P events are shared around the world via our Media Ministry

Second, we strive to impact the world system by teaching the truth of God's word.

- The first two prongs of our mission are to get people to **know Christ** and to **grow in their faith**
- Our seminars and classes are targeted to **face the issues and challenges** of a world system that is anti-God
- We unashamedly stand on and plead for the unity of God's people in **the truth** of God's word
- We invest heavily in our Media Ministry so that this **teaching and preaching**, to which we are committed, can be **preserved** and made **available** to all people for all time

Person to Person Ministries is here to make a difference in the world. A sobering question was asked in a seminar we recently hosted, "If your church closed, would the community miss it?" I am thankful to say that if P2P shut down our nation would miss it. The church in America and Australia would miss it. Mission stations around the world would miss it. And a world system rooted in falsehood would miss another opportunity to hear the truth.

The field is the world. P2P is taking the gospel to the world!

Yours thru Jesus,

*Kerry*

# Family Camp 2015

Captured below, the Trustees and Kerry burn the mortgage to celebrate paying off the caretakers house and five acres that was purchased in the Fall of 2013. Most of the funds came through the 2014-2015 Capital Campaign.

Harvey Bream spoke Wednesday evening. At age 92 he is the oldest person to preach a full sermon at Family Camp.

Thank you to all Family Camp volunteers for making this an incredible year. It takes many volunteers to get the campground ready for Family Camp and several others to maintain it and run the program during the week of Camp. Thanks to everyone who helped .

## 2015-16 CAPITAL CAMPAIGN

Restoration Acres is a marvelous place for God's people to use for His glory. Only by the personal sacrifice of numerous volunteers working to maintain these grounds and facilities is Person to Person Ministries able to do what she does at Restoration Acres. Right now we have needs to maintain this campground that far exceed what our normal operating budget can withstand. The automatic hand dryers must be replaced. We use three main commercial riding mowers five days a week during mowing season. This summer all three mowers went down. They are all at least 9 years old, and have reached the point of being beyond repair. The road needs some major repairs. Please help! Our volunteers can only work as they have equipment to work with, and we must maintain the road to operate the campground. Therefore, we humbly ask for your financial help.

1. Purchase 14 Xlerator automatic hand dryers (\$6,500)
2. Purchase commercial mowers (\$23,500)
3. Road Improvement (\$10,000)

Total goal \$40,000.00
