Chess Club will run for children of all standards of chess but who are already able to play chess i.e. know the rules - it is not for absolute beginners.

If this club is over-subscribed on the deadline day of Friday 13th January, the list for the club will be decided by pulling names from a hat. However we will then also split the whole term and the unsuccessful children will be swapped in to play in the second half of the term. The aim is to get as many children up to speed for the Spring Term when the Inter School Chess Challenge begins.

Please note the finish time for this club is 4.15pm
