

Please return your completed signed application, answers to essay questions, and letter of recommendation via email to sciencescholars@dmns.org.

Application

Apply now!

The 2013 Teen Science Scholars Program is open to students who will be entering grades 10–12 in the fall of 2013. Each applicant must demonstrate an interest in science through their application, essay, and interview as well as a letter of recommendation from a teacher or mentor. Students also should have leadership experience and good academic background.

Applications must be received by Monday, March 25, 2013.

To apply, submit a completed, signed application and answers to the essay questions enclosed.

A letter of recommendation from a mentor or teacher must accompany your application.

You will also be asked to participate in a personal interview with the selection committee. Interview dates and times are to be determined. Incomplete applications will not be accepted.

We encourage students interested in science to apply, especially those who would be the first to attend college in their family and those from diverse communities.

2013 Teen Science Scholars Application

STUDENT INFORMATION

Name (last): _____ (first): _____ (middle): _____
