### 2016 Spring Clean Up Dates

<input type="checkbox"/> Saturday, April 16	Locations are grouped geographically and assigned by the Spring Clean Up Coordinator.  You may <b>mark out only one date</b> in the list to the left that will not work due to a scheduling conflict outside your organization's control.  <b>Marking out more than one date will jeopardize your organization's opportunity to participate in Spring Clean Up.</b>
<input type="checkbox"/> Saturday, April 23	
<input type="checkbox"/> Saturday, April 30	
<input type="checkbox"/> Saturday, May 7	
<input type="checkbox"/> Saturday, May 14	
<input type="checkbox"/> Saturday, May 21	

1) Each Clean Up Saturday, locations are needed for tire collection and appliance collection.

**Tires and Automotive Batteries:** Does your organization and location have the necessary space and volunteers (at least 1 person dedicated to tire & battery collection) to host a dumpster and a truck for disposing of tires and batteries?

- Yes                     No

**Appliances:** Does your organization and location have the necessary space and volunteers (at least 2 persons dedicated to appliance collection) to host a dumpster for disposing of appliances?

- Yes                     No

2) Combining organizations at one site helps control the cost of Spring Clean Up and are encouraged.

Previously your organization has combined with: \_\_\_\_\_

This year the Spring Clean Up Coordinator would like to combine your organization with:

\_\_\_\_\_

3) Brush is not accepted at Spring Clean Up sites. Vouchers for brush disposal at River City Recycling (6404 S 60th St) or the Pheasant Point Landfill (14320 N 216th St), **good only on your Spring Clean Up day**, are available.

The number of vouchers distributed last year: \_\_\_\_\_

This year we expect to need (check one)     More                       Less                       The Same

4) Will your organization be arranging for separate thrift store or metals collection? This must be organized in advance with a container or vehicle on site to accept these items.     yes     no

**Note:** Due to recent Municipal Code changes, metals recycling must be pre-arranged and communicated to the Spring Clean Up Coordinator. **No Metals recycling will be allowed unless prearranged.**

Please describe what you will be doing: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

5) Spring Clean Up is more than just free disposal of bulky, household garbage, it is community betterment. What public area is your organization going to clean up or otherwise improve this year? **(This is a required element for participation in Spring Clean Up)**

\_\_\_\_\_

\_\_\_\_\_

6) Other Comments or Suggestions: \_\_\_\_\_

\_\_\_\_\_
