

INFANT FEEDING INFORMATION

Infants will be fed on demand unless written instructions to the contrary are provided below.

Prepared infant formula should be brought in daily and bottles should be clearly labeled with the child's first and last name and the date.

Unused formula and baby food will be saved for the parent to pick up at the end of each day. If not picked up, all leftovers will be discarded.

Breast feeding mothers may nurse their children at the center.

Pooh Corner will keep emergency supplies of formulas and disposable diapers on hand. If we need to use our supplies for your child, you will be charged \$1.00 per diaper, bottle or meal. We will keep you informed when the supply runs low, but it is the parent's responsibility to keep them on hand.

Child's Name _____ Age _____

DATE	FORMULA	AMOUNT	TIME
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Special Instructions:

Name of emergency formula to be given, if needed:
