

Organization Training Request Form

The Student Organizations and Clubs area of the Harvey and Lucinda Gantt Center for Student Life hosts trainings on a variety of leadership learning topics for student organizations and clubs on campus. Members of the Student Life staff will come to your organization's meetings or retreat to present on a topic that fits your needs. Please ensure there are a minimum of 5 people in attendance.

Reasons to Host a Training for your Organization/Club

Having a facilitator come who is not in your organization allows for ALL MEMBERS AND OFFICERS TO PARTICIPATE IN THE TRAINING

We will tailor the training to your organization's specific needs

We can come to your regularly scheduled meetings so you do not have to schedule a special meeting time for the training

**L E A D Plans - These exciting developmental workshops provide participants an opportunity to complete an individualized leadership learning plan based on Kouzes and Posner's Five Practices of Exemplary Leadership. Participants are given an opportunity to complete an internationally recognized leadership self-assessment, The Student Leadership Practices Inventory (S-LPI).
