

16633 DALLAS PKWY SUITE 150 ADDISON, TX 75001

Dear Patient,

This letter is to inform you that this office is the location for both East Rehabilitation, as well as Knutson Chiropractic, both also known as **Addison Pain Management**.

The purpose of East Rehabilitation and Knutson Chiropractic in sharing a facility is two-fold. We want to offer our patients a single location where they can receive comprehensive care without going to multiple facilities. The second objective is for East Rehabilitation and Knutson Chiropractic to lower overhead by sharing some of the costs required in running a business, such as rent and utilities.

East Rehabilitation and Knutson Chiropractic are not always on the same insurance plans. If you see the physician, physical therapist, and chiropractor, your insurance companies may require separate deductibles, co-pays or co-insurances for all medical professionals that provide you treatment. Our administrator and billing office can assist you with questions on payment plans or financial assistance, if possible.

Although our practice name is Addison Pain Management, claims to your insurance as well as any statements you may receive will be shown as either East Rehabilitation or Knutson Chiropractic. If you have any questions or concerns, please do not hesitate to contact our practice administrator at 972-380-0000.

Sincerely and Respectfully,

John W. East, D.O. and C. Brandon Knutson, D.C.
