New Year New Church Domain Name!

You may have noticed that we have been slowly moving all of the church e-mail addresses to a new domain name. We are moving over from @allsaintshoole.org to the new address which is @allsaints.church as part of an upgrade of the whole church IT system. The main new e-mails are:

John Kirkland is now vicar@allsaints.church
Helen Dymond is now office@allsaints.church
Christina Beveridge is now centre@allsaints.church
Chantal Proctor is now finance@allsaints.church

All of those people and organisations which had e-mail addresses under the old @allsaintshoole.org system now have equivalent new ones @allsaints.church, and I hope everyone involved now knows about this! These include alpha, marriageprep and safeguarding. For the time being we will continue to forward all e-mails from the old @allsaintshoole.org addresses to the new @allsaints.church ones.

We are also moving the church web site over to a new address which is unsurprisingly www.allsaints.church! Again, any enquiries and searches to the old address will be forwarded to the new one.

If anyone has any questions, please feel free to chat to Rick Hemmings, or you can e-mail me at rick.hemmings@allsaints.church

30th Anniversary of the Great Daffodil Appeal

We are looking for collectors to come along and volunteer their services by holding a bucket for approximately two hours during the day. Individuals can do as many shifts as they wish over the 2 days. The collections will be between 9am – 5pm and any time that you could offer during these hours would be most appreciated.

All the money raised from the collection will enable our nurses to continue to provide free hands-on care to people with all terminal illnesses in their own homes, and vital emotional support to their loved ones, allowing families to make the most of the precious time they have left together.

If you feel this is something you could help us with, please email angela.mahandru@mariecurie.org.uk

WARMER HOMES AND CHEAPER BILLS FOR CHESHIRE WEST RESIDENTS

Warm Zones CIC is working in partnership with Cheshire West and Chester Council to help residents make their homes warmer and to reduce fuel bills.

The Warm Zone fund is offering the following improvements; replacement boilers and central heating systems (that are broken and uneconomical to repair or over 20 years old), new heating systems, loft insulation and cavity wall insulation.

There is no cost to residents and all works will be carried out free of charge. Residents do not need to be claiming a benefit or be unemployed to have the work done; they just need to live in a specific postcode area.

Eligible areas include certain postcodes within the following; CH1, CH2, CH3, CH4, CH65, CH66, CW7, CW8, CW9, WA6 localities. This opportunity is open to home owners and private tenants, subject to landlord's permission.

Councillor Mark Henesy, Cabinet Member for Environment and Community said: "We are delighted to be working with Warm Zones to offer these free energy measures to local homes that need help to bring their heating systems up to scratch. This will not only help residents to make their homes much warmer but will also reduce their household energy bills."

For help with heating or insulation if you live within one of the eligible areas please contact Warm Zones on 0800 033 7967 or 0121 552 0563. There is limited funding available and work will be completed on a first come first served basis.
