

CYPRESS SEMICONDUCTOR

PRODUCT CHANGE NOTIFICATION

PCN: PCN000049

DATE: October 30, 2000

Subject: Revision to PCN990013, CPLD, PGA Package Addition.

To:

Customer Category:

Description of change:

Cypress previously has qualified a new ceramic window package lid for the 84-pin (CY7C341) and 100-pin (CY7C346) ceramic PGA and is extending this qualification to the 68-pin (CY7C342B). On the 100-pin PGA the quartz window diameter changes from: .393" typical to: .375" min., .405" max. On the 84-pin PGA the quartz window diameter changes from: .390" typical to: .375" min., .405" max. On the 68-pin PGA the quartz window diameter changes from: .350" typical to: .375" min., .405" max.. The package height remain the same for all packages. The Cypress data sheets will be updated to reflect these changes. Revised Qualification report QTP 98369 Version 1.1 is attached.

None of the above changes effect the DSCC Standard Microcircuit Drawings (SMD) as the military package specification MIL-STD-1835 does not specify the window dimensions.

Cypress part numbers affected:

CY7C341*R*, CY7C342B-R*, CY7C346*R*, all speeds, commercial, industrial and military temperature ranges, ceramic PGA, packages (package code 'R').

Customer part numbers affected:

Benefit of the change:

This change will improve product quality and reliability.
