Dear Parents and Guardians:

Your son or daughter has expressed interest in participating in the Elementary Track & Field Meet taking place **Wednesday, June 1st** at Masich Place Stadium. The meet starts at 9am and should end no later than 3:30.

We will be relying on parents to transport students. Students can be driven directly to the track by their parents any time after 8:30am. All parents ***are responsible for picking up their child at the end of the meet or after their events are finished.*** Please check out with a teacher before you leave with your child.

A schedule of all events will be handed out when finalized, however, can each student fill out their preferred events to compete in on the permission slip. Rank event choices from 1 to 4, number 1 being their most preferred. ***Ranking an event number 1, does not guarantee that they will be competing in this event, as each school only has a certain number of spaces for each event.*** Please understand that with many students in each grade not every student will be able to compete in their first choice, however they will be able to compete in as many events as possible that they indicate they are interested in. If you have any further questions/concerns feel free to contact me at the school. A list of events can be found on the back of this letter.

Sincerely,

Gillian Roberts
St. Mary's PE teacher

Please return this permission form no later than **Friday, May 13th** to Ms. Roberts to be able to participate.
