I. PARTIES

1. **THIS AGREEMENT** is made and entered into this ___ day of _____, 2010, by and between the Early Learning Coalition of St. Lucie County, Inc., with its principal offices located at 804 South Sixth Street, Fort Pierce, FL 34950 (hereinafter referred to as "COALITION") and St. Lucie County School District, with its principal offices located at 4204 Okeechobee Road, Fort Pierce, FL 34947, (hereinafter referred to as "PROVIDER").

II. TERM OF AGREEMENT

2. This Agreement applies to the 2010-2011 VPK program year, including the 2010-2011 school year and summer 2011 programs. This Agreement shall begin on August 1, 2010, or on the date on which the Agreement is signed by the last party required to sign the Agreement, whichever occurs last, and expires upon completion of all of the PROVIDER's VPK programs (*i.e.*, school-year program, summer program, or both programs) or August 31, 2010, whichever occurs first. The COALITION is not obligated to pay for costs incurred by the PROVIDER before the Agreement's beginning date or after its ending date.
3. The PROVIDER must complete and sign a new Agreement each subsequent program year to remain eligible to deliver the VPK program.

III. PROVIDER ELIGIBILITY

4. The PROVIDER certifies that it has registered with the COALITION by completing and submitting to the COALITION or the COALITION's contractor the Statewide Provider Registration Application (Form AWI-VPK 10) and Class Registration Application (Form AWI-VPK 11). If any information submitted in any of these applications changes, the PROVIDER agrees to notify in writing the COALITION or the COALITION's contractor immediately of the change.
5. This Agreement shall bind the successors, assigns, and legal representatives of the PROVIDER and of any legal entity that succeeds to the obligations of the State of Florida. If the ownership or corporate structure of the PROVIDER changes, the current PROVIDER shall notify the COALITION within 10 calendar days before the change. In addition, whenever a signatory to the executed Agreement changes, a new Agreement must be executed.
6. The COALITION has reviewed the applications submitted by the PROVIDER and, based on the information submitted, has determined that the PROVIDER is eligible to deliver the VPK program during the program year specified in Paragraph 2.
7. Although the COALITION has determined that the PROVIDER is eligible to deliver the VPK program, the PROVIDER understands that the COALITION has an ongoing duty to verify the PROVIDER's compliance with the Florida Statutes, state rules, and procedures of the COALITION and the Agency for Workforce Innovation.

 - b.** A prekindergarten instructor who holds one of the educational credentials (*i.e.*, associate's or higher degree) listed in section 1002.55(4), Florida Statutes, or an educational credential approved by the Florida Department of Education under section 1002.55(4)(e), Florida Statutes, as being equivalent to or greater than those educational credentials. In addition, the PROVIDER agrees that, for each VPK class composed of 11 or more children (*see* Paragraph 9a), the PROVIDER shall have a second adult prekindergarten instructor who meets the requirements provided in Paragraph 14 but who is not required to have the credentials or training required in this paragraph.

V. PROGRAM PERFORMANCE AND PROBATION

- 18.** The PROVIDER understands that, in accordance with section 1002.69(5), Florida Statutes, the Florida Department of Education shall annually calculate each provider's kindergarten readiness rate, expressed as the percentage of VPK children who are assessed as ready for kindergarten. The kindergarten readiness rate shall be based exclusively on the results of the statewide kindergarten screening for children completing the VPK program.
- 19.** The PROVIDER understands that, in accordance with section 1002.67(3)(c)1., Florida Statutes, if the PROVIDER's kindergarten readiness rate falls below the minimum rate adopted by the State Board of Education as satisfactory, the PROVIDER is required to submit for approval, and implement, an improvement plan.

VI. CHILD ELIGIBILITY AND ENROLLMENT

21. The PROVIDER understands that the COALITION or the COALITION's contractor shall determine the eligibility of children for enrollment in the VPK Program and shall issue to each eligible child a Certificate of Eligibility (Form AWI-VPK 02 or substantially similar form). The PROVIDER agrees that it shall not admit a child in the VPK program unless the child has been determined eligible for the program by the COALITION or the COALITION's contractor.
22. The PROVIDER understands that each child's parent or guardian is responsible for finding an eligible private provider or public school to admit the child in the VPK program and that the COALITION shall not assign children to providers or schools.
23. The PROVIDER agrees that, upon deciding to admit a child in the VPK program, the PROVIDER shall notify the COALITION or the COALITION's contractor of the enrollment in accordance with procedures of the COALITION and the Agency for Workforce Innovation. The PROVIDER understands that it shall not be paid for a child who is not enrolled with the COALITION.
24. The PROVIDER understands that it may deliver the VPK program for children who reside in a Florida county other than the Florida county where the PROVIDER is located.
25. The PROVIDER agrees to follow the Agency for Workforce Innovation's procedures for delayed enrollments (*i.e.*, enrolling a child in the VPK program after part of the program instruction has been delivered for other children in the child's VPK class*).

VII. CHILD ATTENDANCE AND DISCIPLINE

26. The PROVIDER agrees that, in accordance with section 1002.71(6)(a), Florida Statutes, the PROVIDER shall provide a copy of its attendance policy in writing to the parent or guardian of each child upon enrollment of the child in the VPK program. **See Attachment A.**
27. The PROVIDER agrees that, if it removes (*e.g.*, dismisses) a child from the VPK program, the PROVIDER shall, in accordance with the COALITION's procedures, submit to the COALITION or the COALITION's contractor documentation specifying reasons for removing the child from the program. The PROVIDER understands that, until the PROVIDER submits to the COALITION or the COALITION's contractor documentation specifying reasons for removing the child, the COALITION may withhold payment of funds for all children that the PROVIDER serves in the VPK program.
28. The PROVIDER agrees to document, in accordance with procedures of the COALITION and the Agency for Workforce Innovation, the daily attendance of each child enrolled with the PROVIDER in the VPK program. **See Attachment A.**
29. The PROVIDER understands that, in accordance with section 1002.71(6)(b)2., Florida Statutes, the parent or guardian of each child in the VPK program must verify, each month, the child's attendance on the prior month's certified child attendance. The PROVIDER agrees, in accordance with procedures of the COALITION and the Agency for Workforce Innovation, to collect from each child's parent or guardian Form AWI-VPK 03S or Form AWI-VPK 03L (Student Attendance and Parental Choice Certificate) signed by the parent or guardian. The PROVIDER agrees to keep each original signed form for at least 2 years in accordance with section 1002.71(6)(b)3., Florida Statutes.

VIII. NONDISCRIMINATION

30. The PROVIDER understands that, in accordance with section 1002.53(6)(c), Florida Statutes, the PROVIDER may not discriminate against a parent or child, including the refusal to admit a child for enrollment in the VPK program, on the ground of race, color, or national origin.

* AWI policies and procedures may be viewed at: <http://www.floridajobs.org.earlylearning/IMPI.html>.

31. The PROVIDER understands that, in accordance with section 1002.71(8)(a), Florida Statutes, the PROVIDER may not require payment of a fee or charge for services provided for a child in the VPK program during instructional hours reported for funding.
32. The PROVIDER understands that, in accordance with section 1002.71(8)(b), Florida Statutes, the PROVIDER may not require a child to enroll for, or require the payment of any fee or charge for, supplemental services (e.g., “extended-day,” “extended-year,” “wrap-around,” or “full-day” services) as a condition of admitting the child in the VPK program.

IX. COMPENSATION / FUNDING

33. The PROVIDER understands that, in accordance with section 1002.71(5)(b), Florida Statutes, the PROVIDER shall receive a prepayment each month based on the PROVIDER’s child enrollment in the VPK program. The PROVIDER understands that prepayments shall be reconciled and adjusted based on actual child attendance in the program in accordance with the Agency for Workforce Innovation’s uniform attendance policy.* The PROVIDER further understands that, if the PROVIDER and the COALITION mutually agree in writing, instead of receiving prepayments, the PROVIDER shall receive a payment each month based on reimbursement for actual child attendance in the program.
34. The PROVIDER shall return to the COALITION any overpayment due to unearned funds or as result of error or funds disallowed under this Agreement. If the PROVIDER discovers an overpayment, the PROVIDER shall repay the overpayment within the timeframe specified by the COALITION without prior notification from the COALITION. If the COALITION discovers an overpayment, the COALITION shall notify the PROVIDER of the overpayment by mail. If repayment is not made by the date specified by the COALITION, the COALITION is entitled to withhold funds from the next month’s payment. **See Attachment A.**
35. The PROVIDER agrees that, if the end-of-year reconciliation results in a deficiency, the COALITION may withhold funds from any payments, including school readiness, owed to the PROVIDER to cover the deficiency. If the PROVIDER ceases to deliver the VPK program, the PROVIDER agrees to return the deficient funds. If the PROVIDER fails to return the deficient funds, the PROVIDER is subject to collection efforts.
36. The PROVIDER understands that, in accordance with section 1002.71, Florida Statutes, payments for a child shall not exceed funding for one full-time equivalent (FTE) child. The PROVIDER further understands that, in accordance with section 1002.71(3)(b), Florida Statutes, an FTE child is calculated annually by multiplying the base child allocation provided in the General Appropriations Act by the county’s district cost differential provided in section 1011.62(2), Florida Statutes.
37. The PROVIDER agrees to follow all payment procedures adopted by the COALITION and the Agency for Workforce Innovation.
38. If the PROVIDER is a Head Start Agency, the PROVIDER understands that, in accordance with federal law, the PROVIDER’s Head Start programs must be “in addition to, and not in substitution for, comparable services previously provided without Federal assistance” (Title 42, United States Code, section 9835(c)).
39. If the PROVIDER receives federal funds under Title 20, United States Code, sections 6311-6322 (Title I), the PROVIDER understands that, in accordance with federal law, the PROVIDER may “use [those Title I] Federal funds to supplement, [but] not [to] supplant non-Federal funds” (Title 20, United States Code, section 6314(a)(3)(B)).

X. NOTIFICATION

40. The PROVIDER agrees that it shall follow the notification requirements adopted by the COALITION for completing the class transfer of a child.

* AWI policies and procedures may be viewed at: <http://www.floridajobs.org.earlylearning/IMPI.html>.

41. The PROVIDER agrees that it shall follow the notification requirements adopted by the COALITION for submitting written documentation given to the PROVIDER describing a child's absences for "good cause."
42. The PROVIDER agrees that it shall follow the requirements adopted by the COALITION for notifying the COALITION of all changes in VPK class schedules.
43. The PROVIDER agrees that it shall follow the requirements adopted by the COALITION for notifying the COALITION of all changes in prekindergarten instructors and prekindergarten directors.
44. The PROVIDER agrees that it shall follow the notification requirements adopted by the COALITION for submitting written documentation demonstrating the temporary closure of the PROVIDER's VPK site which is beyond the PROVIDER's control.
45. The PROVIDER understands that failure to follow the COALITION's notification requirements is noncompliance with this Agreement and may result in corrective action under Paragraph 52.
46. Each of the COALITION's notification requirements described in Paragraphs 40-45 is listed in **Attachment A** and is part of this Agreement.

XI. MAINTENANCE OF RECORDS / CONFIDENTIALITY

47. The PROVIDER agrees that it shall keep all VPK records of a child (except as allowed in Paragraph 29) for at least 3 years after the child's last day of attendance, and records of a prekindergarten instructor or prekindergarten director for at least 3 years after the employee's last day of employment (except as required by the Agency for Workforce Innovation's procedures*) or, to the extent required, in accordance with the retention schedules and disposal process adopted under section 119.021(2), Florida Statutes, whichever is greater.
48. The PROVIDER understands that, in accordance with section 1002.72, Florida Statutes, records of children enrolled in the VPK program are confidential. The PROVIDER shall keep all VPK records confidential and disclose the records only in accordance with law. The PROVIDER shall follow the Florida Public Records Act (chapter 119, Florida Statutes) and other applicable laws regarding disclosure of any confidential information received by the State of Florida, the Agency for Workforce Innovation, or the COALITION.
49. The PROVIDER understands that a parent of a VPK child has the right to inspect and review the individual records of his or her child and obtain a copy of the records.

XII. COMPLIANCE VERIFICATION

50. The PROVIDER shall permit the COALITION, the COALITION's contractor, or the Agency for Workforce Innovation, at any reasonable time, to enter the PROVIDER's VPK program site to verify the PROVIDER's compliance with this Agreement and with the requirements of the VPK program as set forth in the Florida Statutes, state rules, and procedures of the COALITION and the Agency for Workforce Innovation. This paragraph does not authorize the COALITION to enforce licensing requirements under sections 402.301-402.319, Florida Statutes, or impose any requirement beyond this Agreement and the requirements of the VPK program as set forth in the Florida Statutes, state rules, and procedures.
51. The PROVIDER shall allow the COALITION, the COALITION's contractor, or the Agency for Workforce Innovation, to inspect and copy the records maintained by the PROVIDER concerning the VPK program, prekindergarten instructors, prekindergarten directors, and VPK children.
52. The COALITION may require the PROVIDER to submit corrective action plans for noncompliance under this Agreement.

* AWI policies and procedures may be viewed at: <http://www.floridajobs.org.earlylearning/IMPI.html>.

53. The PROVIDER's noncompliance with any term in this Agreement may result in the COALITION withholding funds.
54. The COALITION shall notify the PROVIDER in writing of any financial penalties. The COALITION may deduct the amount of the penalty from invoices submitted by the PROVIDER.

XIII. TERMINATION

55. The PROVIDER and the COALITION may agree to terminate this Agreement by mutual agreement. Notice of termination must be given, and alternative arrangements for uninterrupted services shall be made for children enrolled with the PROVIDER in the VPK program, at least 30 calendar days before the termination date.
56. If the PROVIDER withdraws as a provider from the VPK program, the PROVIDER must give notice to the COALITION or the COALITION's contractor, and alternative arrangements for uninterrupted services shall be made for children enrolled with the PROVIDER in the VPK program, at least 30 calendar days before the termination date.
57. If the PROVIDER fails to comply with all terms and conditions of this Agreement and with all requirements of the VPK program as set forth in the Florida Statutes, state rules, and procedures of the COALITION and the Agency for Workforce Innovation,* the COALITION shall notify the PROVIDER in writing and give the PROVIDER a period to comply, which period must be at least 10 days and shall be specified by the COALITION. If the PROVIDER does not comply within the period given, the COALITION may terminate this Agreement.
58. If funds required to finance this Agreement become unavailable, the COALITION may terminate this Agreement with prior written notice of at least 24 hours before termination. This notice of termination due to lack of funds must be delivered in person with proof of delivery or by certified mail with return receipt requested. The COALITION is the final authority as to the availability of funds. The COALITION shall not reallocate funds earmarked for this Agreement to another program, thereby causing the "lack of funds." In the event of termination of this Agreement, the PROVIDER shall be paid for the instructional hours completed through the termination date.
59. Any obligation for payment under this Agreement is contingent upon an annual appropriation by the Legislature. If the funds upon which this Agreement depends are withdrawn or redirected, the Agreement is terminated and the COALITION has no further liability to the PROVIDER beyond payment for the instructional hours completed through the termination date.

XIV. DISPUTE RESOLUTION

60. The PROVIDER agrees to submit any disputes or disagreements concerning this Agreement in writing to the COALITION or the COALITION's contractor. The COALITION agrees to respond to the dispute or disagreement within 10 business days after receiving the dispute or disagreement. If the PROVIDER is dissatisfied with the response, the COALITION agrees to allow the PROVIDER to bring the dispute or disagreement before a quorum of the membership of the COALITION or a standing committee of the coalition composed exclusively of voting members for a final decision.

* AWI policies and procedures may be viewed at: <http://www.floridajobs.org.earlylearning/IMPI.html>.

If the PROVIDER is a public school or school district, this paragraph is limited to the extent required by section 768.28, Florida Statutes.

XVI. SEVERABILITY

- 62.** If any provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remaining terms and conditions remain in full force and effect.

XVII. AMENDMENTS

**REENROLLMENT FOR GOOD CAUSE AND
EXTREME HARDSHIP IN VPK**

November 19, 2008

This document is offered as interim program guidance by the Agency for Workforce Innovation while the Agency engages in the rule promulgation process. To the extent not established by Florida law or agreed upon, compliance with the terms of this document is voluntary.

Summary

This document is offered by the Agency as program guidance in order to advise early learning coalitions of a recommended process which may be used to determine when a VPK student is eligible for a one-time reenrollment as a full-time equivalent (FTE) student in another provider's or school's VPK program under provisions of "good cause" and "extreme hardship." This document also offers an interim definition for the term "substantial completion". If a student is seeking to complete their existing FTE, please refer to *Class and Provider Transfers in VPK* (OEL-PG-0050-08) for guidance.

Background

Sections 1002.51 through 1002.79, Florida Statutes, (the VPK law) allow a parent to enroll his or her eligible child in one of the following VPK program types: 1) A school-year prekindergarten program (540 instructional hours) delivered by a private prekindergarten provider (s. 1002.55, F.S.); 2) a school-year program (540 instructional hours) delivered by a public school (s. 1002.63, F.S.); or 3) a summer prekindergarten program (300 instructional hours) delivered by a public school or private prekindergarten provider (s. 1002.61, F.S.).

REENROLLMENT FOR GOOD CAUSE OR EXTREME HARDSHIP IN VPK

The VPK law prohibits a child from enrolling in more than one of these program types (s. 1002.53(3), F.S.) and, generally, from being reported for funding purposes as more than one full-time equivalent (FTE) student (s. 1002.71(2), F.S.). The VPK law, however, does allow a one-time opportunity for reenrollment with full funding in another VPK program for good cause or due to an extreme hardship (s. 1002.71(4), F.S.).

In order to implement the process for a student's one-time reenrollment, the VPK law requires the Agency to establish criteria specifying whether a "good cause" exists for a student to withdraw from a program, whether a student has "substantially completed" a program, and whether an "extreme hardship" exists which is beyond the student's or parent's control.

Program Guidance

(1) *Definitions.*—As used in this program guidance, the term:

- (a) "Dismissal" from a VPK program means that a private prekindergarten provider or public school removes a student from its VPK program, resulting in the coalition or its designee recording a termination and assigning "Provider Dropped Enrollment" (Code 26) as the reason for the termination in the statewide information system.¹
- (b) "Full-time equivalent" or "FTE" has the meaning ascribed in s. 1002.71(2), F.S.
- (c) "Reenrollment" means that a coalition or its designee records the termination of an eligible student's enrollment in a VPK program as documented by the provider or school in the statewide information system and subsequently records an enrollment in the statewide information system between the student and a provider or school delivering the VPK program for which the student would be counted as more than one FTE student.
- (d) "Student's attendance period" means instructional days in the program, counting from the first instructional day that the student attends the program to the last day the student attends the program.
- (e) "Substantial completion" occurs when the student's attendance has obligated payment to the provider or school for 70 percent or more of the VPK program's instructional hours.
- (f) "Withdrawal" from a VPK program means that a parent or guardian removes his or her child from a private prekindergarten provider's or public school's VPK program, resulting in the coalition or its designee recording a termination and assigning "Parent

¹ The current statewide information system is the Enhanced Field System (EFS). In accordance with the Statewide Provider Agreement (*see* Rule 60BB-8.301), a provider or school must submit to the coalition or its designee documentation specifying the reasons that a student is dismissed by the provider or school, with an effective date.

A parent or guardian may withdraw his or her child from the program at any time, with or without a reason.

- (2) ***A student withdrawn or dismissed before the student attends VPK instruction.***—If the student was withdrawn or dismissed before the student’s first day of attendance, the student may be transferred to another provider or school delivering the school-year or summer programs and be reported for funding purposes as one FTE student in the program for which the student is transferred. Refer to *Class and Provider Transfers in VPK* (OEL-PG-0050-08) for guidance.
- (3) ***Reenrollment of a student withdrawn or dismissed for good cause***—If the student’s attendance and paid absences have obligated payment to a provider or school for fewer than 10 percent of the VPK program’s instructional hours, the student may be reenrolled with another provider or school delivering the school-year or summer programs and be reported for funding purposes as one FTE student in the program for which the student is reenrolled, if all of the following applies:
- (a) The student has not previously reenrolled for good cause under this paragraph or due to an extreme hardship under (4) below; and
 - (b) The student’s parent or guardian attests in writing to the coalition or its designee that one or more of the following applies:

- (4) *Reenrollment of a student withdrawn or dismissed for extreme hardship.*—If the student’s attendance and paid absences have obligated payment to the provider or school for 10 percent or more of the VPK program’s instructional hours, but the student has not substantially completed the VPK program, the student may be reenrolled with another provider or school delivering the school-year or summer programs and be reported for funding purposes as one full FTE student in the program for which the student is reenrolled, if all of the following applies:
- (a) The student has not previously reenrolled due to an extreme hardship under this subparagraph or for good cause under (3) above;
 - (b) The student has not substantially completed the VPK program; and
 - (c) The student’s parent or guardian submits to the coalition or its designee written documentation of one or more of the following:

 - 4. Provider’s or school’s misconduct or noncompliance with law, rule, or the Statewide Provider Agreement (*see* Rule 60BB-8.301, F.A.C.), as documented by the coalition.
 - 5. Change in the student’s residence, as documented by rent, mortgage, or utility records, which:

10. Other extraordinary circumstances submitted to the Agency for Workforce Innovation, Office of Early Learning in writing, dated, and signed by the coalition and the parent or guardian, and approved by the Deputy Director of Early Learning.

(5) Procedures for reenrollment.—

- (a) To reenroll a student, a coalition may request the student's parent or guardian to:
 1. Complete the Reenrollment Application (Form AWI-VPK 05), attach documentation of an extreme hardship or written attestation of good cause, and submit the completed application to the coalition or its designee.
 2. If the student is reenrolled with a coalition other than the coalition of the previous enrollment, the parent or guardian should also complete and resubmit the Child Application (Form AWI-VPK 01).
- (b) The coalition may follow the registration, eligibility determination, and enrollment procedures described in rule 60BB-8.202, F.A.C., to reenroll a student, except that the coalition is not required to repeat the face-to-face parent consultation.

60BB-4.400 Required Parent Co-payment.

(1) Each family that receives school readiness services shall be assessed a co-payment based on family size and the family's income, according to the sliding fee scale included in the coalition's approved school readiness plan.

(a) For protective services in-home placements and out-of-home placements (relative/non-relative/foster placements) in which the child does not receive a TANF "child-only" benefit, relative caregiver payment, or other income:

1. The co-payment shall be assessed against the income of the parent or legal guardian of the child, and shall be court ordered if necessary; or

2. The co-payment may be temporarily reduced to the minimum fee on a case by case basis during an event that limits a parent's ability to pay, such as:

- a. Child's parents/guardians are in prison;
- b. Child's parents/guardians are in residential treatment;
- c. Child's parents/guardians become incapacitated;
- d. Death of child's parents/guardians;
- e. Homeless shelter/living arrangements;
- f. Child's parents/guardians experience a natural disaster (storm, earthquake, etc.);
- g. Child's parents/guardians experience an emergency situation such as a fire or robbery; or
- h. Child's parents/guardians become unemployed.

Each coalition must include a list of such qualifying events in its business plan and outline the procedure for obtaining a co-payment reduction.

(b) For protective services out-of-home placements (relative/non-relative/foster placement) in which the child receives a TANF "child-only" benefit in which the needs of the relative or legal guardian are not included in the grant, or TANF at-risk (Relative Caregiver Program) participants, based upon documentation identifying the child as TANF at-risk or as a TANF "child only" benefit recipient, from the court system or the Department of Children and Families, or its designee:

1. The co-payment shall be assessed against the child's income and paid by the relative or legal guardian; or

2. The amount of the co-payment may be temporarily reduced to the minimum fee on a case by case basis during an event that limits a parent's ability to pay, such as:

- a. Child's parents/guardians are in prison;
- b. Child's parents/guardians are in residential treatment;
- c. Child's parents/guardians become incapacitated;
- d. Death of child's parents/guardians;
- e. Homeless shelter/living arrangements;
- f. Child's parents/guardians experience a natural disaster (storm, earthquake, etc.);
- g. Child's parents/guardians experience an emergency situation such as a fire or robbery; or
- h. Child's parents/guardians become unemployed.

Each coalition must include a list of such qualifying events in its business plan and outline the procedure for obtaining a co-payment reduction.

(c) A co-payment may be temporarily waived on a case-by-case basis for foster parents and families participating in an at-risk program during an event that limits a parent's ability to pay, such as:

1. Child's parents/guardians are in prison;
2. Child's parents/guardians are in residential treatment;
3. Child's parents/guardians become incapacitated;
4. Death of child's parents/guardians;
5. Homeless shelter/living arrangements;

- 6. Child's parents/guardians experience a natural disaster (storm, earthquake, etc.);
- 7. Child's parents/guardians experience an emergency situation such as a fire or robbery; or
- 8. Child's parents/guardians become unemployed.

Each coalition must include a list of such qualifying events in its business plan and outline the procedure for obtaining a co-payment reduction.

(2) A coalition shall adopt a policy that establishes criteria and authorization procedures for fee reduction on a case-by-case basis during the duration of special circumstances set forth in the coalition policy. A special circumstance is any event that temporarily reduces the parent's ability to pay the required co-payment. The coalition policy must describe the special circumstances that qualify for fee reduction. The duration of the fee reduction shall coincide with the duration of the special circumstances.

(3) A coalition's sliding fee scale must be set at a level that provides low-income families equal access to the care available to families whose income is high enough not to qualify for financial assistance for school readiness services. To that end, the co-payment for the family of an "economically disadvantaged child", as defined by Section 411.01(6), F.S., should not exceed 10 percent of the family's income, regardless of the number of children in care. If the coalition's proposed sliding fee scale does exceed 10 percent of family income, the coalition must provide justification of how the sliding fee scale meets the federal requirement that the co-payment be affordable, prior to approval of the proposed sliding fee scale by the Office of Early Learning.

(4) Prior to a child's enrollment, the person determining eligibility shall inform the parent and the school readiness service provider of the co-payment to be paid by the parent and that additional fees which are charged by the provider may apply. Amount of co-payment shall be in effect for the family's 12-month eligibility period, unless:

- (a) Redetermination is conducted during the year pursuant to Rule 60BB-4.209, F.A.C.; or
- (b) The caretaker parent or legal guardian requests, and is granted, a reduction in co-payment due to special circumstances; or
- (c) An incorrect co-payment was assessed by the eligibility determiner as a result of an error of the eligibility determiner, program participant error, or program participant fraud, resulting in corrective action to reduce or increase the family's co-payment; or
- (d) If there is any change in marital status, employment status, income or family size.

1. The coalition or its designee shall not take action to recover a reimbursement rate overpayment caused by an incorrect co-payment due to an error of the coalition or its designee.

2. A reimbursement rate overpayment caused by an incorrect co-payment which resulted from program participant error or program participant fraud shall be recovered by the coalition or its designee.

Specific Authority 411.01(4)(k) FS. Law Implemented 411.01(5)(d)3.a. FS. History—New 2-2-05.

60BB-4.401 Co-payment Collection.

The co-payment amount for which the family is responsible shall be subtracted from the provider's reimbursement, prior to payment by the coalition or its designee. Collection of the family's required co-payment for school readiness services shall be the responsibility of the provider of school readiness services.

Specific Authority 411.01(4)(k) FS. Law Implemented 411.01(5)(d)3.a. FS. History—New 2-2-05.

60BB-4.500 Reimbursement-General Provisions Regarding Reimbursements for Holidays and Absences.

(1) Holidays. A recognized holiday as approved by the local coalitions shall not be counted as an absence for purposes of reimbursement. The Office of Early Learning shall include reimbursements to providers of full and part-time care for up to twelve (12) recognized holidays per year.

(2) Absences. Reimbursement shall be authorized for no more than three (3) absences per calendar month per child except in the event of extraordinary circumstances in which case the coalition or its designee shall provide written approval for payment based on written documentation provided by the parent justifying the excessive absence for up to an additional seven (7) days.

(a) Examples of extraordinary circumstances include the following:

- 1. Hospitalization of the child or parent with appropriate documentation;
- 2. Illness requiring home-stay as documented;
- 3. Death in the immediate family with appropriate documentation (i.e., obituary, death certificate);
- 4. Court ordered visitation with appropriate documentation (i.e., court order); or
- 5. Unforeseen documented military deployment or exercise of the parent(s).

(b) Total monthly reimbursed absences shall not exceed ten (10) calendar days.

(c) In the event that a child is absent for five consecutive days with no contact from the parent, the provider shall notify the local coalition or its designee who in turn shall determine the need for continued care. If a termination is filed, the notice will be provided to the referring entity.

(d) When an at-risk child has an unexcused absence or seven consecutive days of excused absences, the school readiness provider shall notify the Department of Children and Families. The Rilya Wilson Act establishes these reporting requirements for children 3 to 5 years old. This rule shall apply to all at-risk children of any age in a school readiness program.

Specific Authority 411.01(4)(k) FS. Law Implemented 411.01(5)(d)3.f. FS. History–New 2-2-05.

60BB-4.501 Reimbursement During Emergency Closures.

(1) Each coalition shall maintain a Continuation of Operations Plan (C.O.O.P.) to be used in the event of emergency closings due to catastrophic events. Providers shall be reimbursed at the rate normally received during non-emergency hours when a coalition activates its Continuation of Operations Plan (C.O.O.P.).

(2) The coalition may consider reimbursement, in accordance with Federal and State law, for circumstances of temporary closure for individual providers when closure is beyond the control of the provider. In no circumstances may a coalition reimburse in excess of the pre-existing approved hours for an individual child during the temporary closure.

Specific Authority 411.01(4)(k) FS. Law Implemented 411.01(5)(d)3.f. FS. History–New 2-2-05.

60BB-4.502 Records to be Maintained and Monitoring for Reimbursements.

(1) Daily attendance documentation shall be maintained by each school readiness provider. At a minimum, this documentation shall include a “sign in/sign out” process, as approved by the coalition, maintained at the provider site to validate the attendance data.

(2) Each coalition is responsible for implementing a records retention policy ensuring that all documentation is maintained in accordance with the provisions set forth in their sub-grant awards.

(3) The coalition or its designee must conduct monitoring activities to ensure the accuracy of payments of the monthly reimbursement requests.

Specific Authority 411.01(4)(k) FS. Law Implemented 411.01(5)(d)3.f. FS. History–New 2-2-05.

60BB-4.503 Misrepresentation or Fraud Regarding Reimbursement.

If a school readiness provider, after investigation and adjudication by a court of competent jurisdiction, has fraudulently misrepresented enrollment or attendance for funds related to the school readiness programs, the coalition shall permanently disengage services of that provider. This applies to either contracted reimbursement or voucher reimbursement.

Specific Authority 411.01(4)(k) FS. Law Implemented 411.01(5)(d)3.f. FS. History–New 2-2-05.

(2) Eligibility. A private VPK provider must meet the following requirements for initial eligibility to participate in the pilot project and must continue to meet the requirements to maintain its eligibility:

(a) The private provider must apply to participate in the pilot project on forms adopted by the early learning coalition. The following information must be included on the form: the name of the private provider, the address and telephone number of the provider's VPK site, the name of the provider's prekindergarten director or designee, the date that the director or designee attends the training session required under paragraph (c). Additional information demonstrating that the provider is eligible under this rule to participate in the pilot project may be required by the coalition.

(b) The private provider must have delivered instruction in the VPK program for at least two program years.

(c) The private provider's prekindergarten director or designee must attend a training session conducted by the coalition which instructs the provider on procedures for registering a child in the VPK program, accepting a child application and supporting documents on behalf of the coalition, and conducting a parent-orientation session or exhibiting a parent-orientation video.

(d) The private provider must comply with this rule.

(e) The private provider's VPK site must be located in one of the pilot counties listed in subsection (1).

(f) The private provider, while participating in the pilot project, must annually sign and submit to the coalition Form AWI-VPK 21 (Addendum to Statewide Provider Agreement), dated February 14, 2007, which is hereby incorporated by reference in and may be obtained as described in Rule 60BB-8.900, F.A.C.

(h) The private provider must submit accurate and timely monthly attendance rosters for the VPK program in accordance with subsection 60BB-8.305(3), F.A.C. If a private provider is a school readiness provider, the provider must also submit accurate and timely monthly attendance rosters for the school readiness. A private provider is not eligible for the pilot project if, during previous 24 months, the provider:

1. Submitted two or more consecutive, or a combined total of four or more, monthly attendance rosters 10 or more calendar days after the required submission date;
2. Submitted two or more consecutive, or a combined total of four or more, monthly attendance rosters containing inaccurate reporting of a child's attendance;
3. Failed to repay an overpayment by the required repayment date after the coalition discovered the overpayment and requested repayment;

5. Submitted a monthly attendance roster containing fraudulent or other intentional misreporting of a child's attendance.

(i) A private provider licensed by the Department of Children and Family Services or a local licensing agency is not eligible for the pilot project if the provider's license status, as recorded in the department's Child Care Information System, is "Revocation Action Pending," "Suspension Action Pending/Suspended," or "Closed."

(3) Child Registration Procedures. A coalition shall allow a private provider eligible for the pilot project, to register a child for the VPK program on behalf of the coalition. A private provider may only register a child under this rule whom the provider admits in one of its VPK classes and must comply with the following registration procedures:

(a) Notwithstanding subsection 60BB-8.201(1), F.A.C., a parent registering his or her child for the VPK program under this rule must complete, sign, and submit to the private provider Form AWI-VPK 01P (Child Application and Provider Admission), dated February 14, 2007, which is hereby incorporated by reference and may be obtained as described in Rule 60BB-8.900, F.A.C. A parent must submit Form AWI-VPK 01P to the private provider with supporting documents of the child's age and residential address required under Rule 60BB-8.200, F.A.C.

(b) Notwithstanding paragraph 60BB-8.201(3)(a), F.A.C., a private provider participating in the pilot project shall conduct the parent-orientation session or exhibit the parent-orientation video in accordance with subsection 60BB-8.201(3), F.A.C.

(c) Within 5 working days after a child's parent registers the child with a private provider, the provider shall review the child's Form AWI-VPK 01P and supporting documents, as follows:

1. The private provider shall submit a child's Form AWI-VPK 01P and supporting documents to the coalition if the child's Form AWI-VPK 01P is complete, signed, and submitted with the required supporting documents; the provider predetermines that the child appears to be eligible for the VPK program; and the provider admits the child in one of the provider's VPK classes.

2. The private provider shall return a child's Form AWI-VPK 01P and supporting documents to the child's parent if the child's Form AWI-VPK 01P is not complete, not signed, or not submitted with the required supporting documents.

3. If a child does not appear to be eligible, the provider shall return the child's Form AWI-VPK 01P and supporting documents to the child's parent and, on the blank spaces included on Form AWI-VPK 01P, notify the parent of the reasons that the child does not appear to be eligible and that the provider's predetermination is not the coalition's official determination of the child's eligibility. The parent may then apply directly with the coalition.

(d) In accordance with Rule 60BB-8.202, F.A.C., a coalition shall determine the eligibility of a child registering for the VPK program under this rule. Notwithstanding paragraph 60BB-8.202(1)(c), F.A.C., a coalition is not required to issue a certificate of eligibility for a child registering under this rule.

(e) If a coalition determines that a child is not eligible for the VPK program, the coalition shall inform the private provider and the child's parent in writing why the child is not eligible and return the child's Form AWI-VPK 01P and supporting documentation to the parent.

(4) Payment for Pilot Project Prohibited. A coalition, qualified contractor, or subcontractor may not pay or otherwise compensate a private provider for participating in the pilot project, registering a child in the VPK program under this rule, accepting a child application or supporting documents on behalf of the coalition, conducting a parent-orientation session, or exhibiting a parent-orientation video.

(5) School District. Notwithstanding Rules 60BB-8.201 and 60BB-8.202, F.A.C., a school district, if allowed under a contract with the coalition, may use the child registration procedures in subsection (3) to register a child for the district's VPK programs in the district's public schools, regardless of whether the district is a pilot county listed in subsection (1).

(c)1. A coalition, upon determining that a child is eligible for the VPK program, shall issue the child's parent Form AWI-VPK 02 (Child Eligibility and Enrollment Certificate) dated February 14, 2007, which is hereby incorporated by reference and may be obtained as described in Rule 60BB-8.900, F.A.C.

- e. Does not include the logo of the Agency for Workforce Innovation, logo of the Office of Early Learning, or AWI form number (i.e., Form AWI-VPK 02).

(2) Enrollment.

(a) A VPK provider may only enroll a child in the VPK program after the coalition determines that the child is eligible for the program. To enroll an eligible child, the VPK provider admitting the child must submit the child's certificate of eligibility and the child's assigned VPK class to the coalition.

(b) A coalition must allow a VPK provider to enroll a child who resides in a Florida county other than the county where the provider's VPK site is located.

(c) A VPK provider may only enroll a child with the coalition of the county where the provider's VPK site is located, regardless of the county in which the child resides.

(d) A coalition shall complete a child's enrollment in the statewide information system by recording an association between the child and the child's assigned VPK class. A coalition is encouraged, but not required, to notify a parent by mail after his or her child's enrollment is complete.

60BB-8.204 Uniform Attendance Policy for Funding the VPK Program.

(1) Payment for the VPK program. An early learning coalition shall pay a private provider or public school for the VPK program in accordance with this rule.

(2) Payment for attendance. An instructional day on which a child attends the VPK program, either in whole or in part, is payable.

(3) Payment for absences.

(a) An instructional day from which a child is absent is payable if the child's absence is excused. If a child's absence is unexcused, the absence is payable, not to exceed three unexcused absences per calendar month.

(b) A child's absence is excused if the child does not attend the VPK program on an instructional day due to one of the following reasons:

1. Illness or injury of the child or the child's family member which requires hospitalization or bed rest;
2. Physician or dentist appointment;
3. Infectious disease or parasitic infestation;
4. Funeral service, memorial service, or bereavement upon the death of the child's family member;
5. Life-threatening illness or injury of the child's family member;
6. Compliance with a court order (e.g., visitation, subpoena);
7. Special education or related services as defined in 20 U.S.C. § 1401 (2004) for the child's disability;
8. Observance of a religious holiday or service, or because the child's or parent's religion forbids secular activity on the instructional day;
9. Family vacation, not to exceed five excused absences per program year; or
10. Extraordinary circumstances beyond the control of the child and the child's parent.

(c) An excused absence is not payable unless the reason for the absence is documented in writing and submitted to the VPK provider. A VPK provider must keep the documentation for at least 1 year, allow the Agency for Workforce Innovation or the coalition to inspect the documentation during normal hours of operation, and submit a copy of the documentation to the coalition upon request.

1. A child's parent may document (e.g., parent's note) seven or fewer excused absences per calendar month.
2. Beyond seven excused absences, a person other than the child's parent must document the excused absence, the person must be unrelated to the child or the child's parent, and the documentation must show that the person has personal knowledge of the reason for the child's absence (e.g., letter from a physician).

(d) An absence is not payable for an instructional day before a child's first day of attendance or after the child's last day of attendance.

(e) Payment for a child shall be suspended if the child does not attend at least 1 instructional day during a calendar month. Payment for the child, including payment for absences accruing while payment is suspended, shall resume when the child subsequently attends the program. If a child does not resume attendance, an absence is not payable for an instructional day after the child's last day of attendance.

(4) Payment for temporary closures.

(a) A temporary closure is payable if a VPK provider submits written documentation to the coalition which demonstrates that the closure is temporary and caused by circumstances beyond the provider's control.

(b) Documentation of the circumstances causing a temporary closure is not required if the private provider's or public school's VPK site is located in a county in which government offices normally open to the public are closed by the county, state, or federal governments, or public schools are closed by the school district, because a state of emergency is declared to exist in the county by the county government, the Governor, or the President of the United States. Documentation is required if government offices remain open or a state of emergency is not declared to exist.

(c) A temporary closure is payable for the amount otherwise payable (as if each child enrolled in a private provider's or public school's VPK program attends the program), not to exceed 10 instructional days per closure. If circumstances cause more than one temporary closure, the closures are payable for a combined total of 10 instructional days.

(d) If the combined instructional days of one or more temporary closures extend beyond 10 instructional days, the private provider or public school shall revise its class schedule to restore each instructional day after the 10th instructional day. The revised schedule must not extend beyond the last day by which the VPK class is required to complete instruction. When revising its

schedule, a private provider or public school is not required to change the instructional hours per instructional day or instructional days per week of the current class schedule.

(e) A temporary closure is not payable if the closure is caused by circumstances within a private provider's or public school's control. If a temporary closure is caused by circumstances within a private provider's or public school's control, the provider or school must revise its class schedule in accordance with paragraph (d).

(f) A temporary closure is not payable if a VPK provider does not reopen and resume instruction after the closure. A coalition shall assist a child with reenrollment if the child's VPK program does not resume instruction after a temporary closure.

(g) If a child does not resume attendance in the VPK program after a temporary closure, notwithstanding paragraph (3)(d), the closure is payable, but the child's absence from an instructional day after the temporary closure is not payable.

(h) A private provider or public school, instead of requesting payment for a temporary closure, may revise its class schedule to restore the instructional days that the closure affects.

If a VPK provider has more than one VPK site, the provider must submit a separate Form AWI-VPK 10 for each site.

(c) Once a VPK provider is determined eligible for the VPK program, the provider is not required to resubmit Form AWI-VPK 10 for a subsequent program year unless the submitted information on the prior year's application changes. A school district may sign a provider agreement on behalf of a public school in the district.

(2) A coalition shall keep a signed copy of a provider agreement in the coalition's records on the VPK provider.

(3) A provider agreement shall contain identical terms and conditions as Form AWI-VPK 20 (Statewide Provider Agreement), dated February 14, 2007, which is hereby incorporated by reference and may be obtained as described in Rule 60BB-8.900, F.A.C. (a) The coalition submits the agreement to the Office of Early Learning of the Agency for Workforce Innovation in writing, dated, and signed by the coalition and the VPK provider; and

(b) The Deputy Director for Early Learning approves the agreement.

60BB-8.305 Recording and Certifying Child Attendance in the VPK Program.

(1) Record of child attendance:

(a) A VPK provider in the VPK program shall keep a daily record of a child's attendance in the program.

(b) If a VPK provider is also a school readiness provider, the provider may jointly record a child's daily attendance for the VPK program with the child's attendance for the school readiness program.

(2) Monthly Verification of Child Attendance. A VPK provider shall require the parent of a child enrolled in its VPK program to verify monthly the child's attendance for the prior month, as follows:

(a) A child's parent must verify the child's attendance on Form AWI-VPK 03S (Child Attendance and Parental Choice Certificate Short Form), dated February 14, 2007, which is hereby incorporated by reference and may be obtained as described in Rule 60BB-8.900, F.A.C., if the VPK provider records the child's daily attendance using one of the following methods:

1. A paper sign-in or sign-out log that records the date, child's name, and signature of the parent or other person dropping off or picking up the child to, or from, the VPK site; or

2. An electronic attendance-tracking system that records the date, child's name, and electronic signature, card swipe, entry of a personal identification number, or similar daily action taken by the parent or other person dropping off or picking up the child to, or from, the VPK site.

(b) A child's parent must verify the child's monthly attendance on Form AWI-VPK 03L (Child Attendance and Parental Choice Certificate Long Form), dated February 14, 2007, which is hereby incorporated by reference and may be obtained as described in Rule 60BB-8.900, F.A.C., if the VPK provider records the child's daily attendance using a method other than the methods described in paragraph (a) (e.g. instructor records daily attendance using a roll book). Before a parent signs Form AWI-VPK 03L, the VPK provider must record the child's monthly attendance on the form or attach documentation to the form which shows the child's monthly attendance.

(3) Monthly certification of child attendance for payment.

(a) An early learning coalition shall give a VPK provider a monthly roster, prepared by using the statewide information system, that lists each child enrolled in the provider's or school's VPK program, and includes blank spaces for a private provider or public school to certify a child's attendance for the calendar month.

(b) A VPK provider must certify the monthly attendance of a child enrolled in the provider's VPK program. A VPK provider may certify monthly attendance by electronic means approved by the Deputy Director for Early Learning.

(c) After payment for the first calendar month that a VPK provider participates in the VPK program, the coalition may not pay the VPK provider for a subsequent month until the provider submits a monthly attendance roster to the coalition which certifies the attendance of each enrolled child from the prior month.

(d) The coalition may not pay the VPK provider the final payment for the program year until the provider submits a final verification of the annual cumulative attendance of each child enrolled in the provider's VPK program, which certifies the paid hours of attendance of each child enrolled for the program year, in a manner prescribed by the Deputy Director of Early Learning.

(e) If a child arrives at a VPK provider's VPK site but the provider or school refuses the child's attendance (e.g., for disciplinary reasons, including tardiness or prohibited attire), the provider or school must record the instructional day as an absence.

60BB-8.400 VPK Class Sizes; Blended Classes; Multi-Class Groups.

(1) Blended classes.

(a) A private provider or public school may organize a VPK class as a blended class, instructing children enrolled in the VPK program together with children not enrolled in the program.

(b) A blended class may include children of any age. A private provider or public school, however, may not organize a blended class in a multi-age arrangement that prevents the provider or school from implementing a developmentally appropriate curriculum in accordance with Section 1002.67(2)(b), F.S.

(2) Minimum class size. A VPK class must be composed of at least four children enrolled in the VPK program.

(a) An early learning coalition may not issue the initial prepayment for a VPK class unless at least four children in the class are enrolled in the VPK program.

(b) A private provider or public school does not violate the minimum class size, if:

1. Fewer than four children enrolled in the VPK program attend a VPK class on a particular day; or
2. After the initial prepayment is issued, fewer than four children in a VPK class remain enrolled in the VPK program (e.g., withdrawals).

(c) If a VPK class is composed of four or fewer children enrolled in the VPK program, the VPK provider may not dismiss a child enrolled in the program, unless, within 3 business days after the child's dismissal, the VPK provider submits to the coalition written documentation of the child's noncompliance with the conduct or attendance policies of the provider.

(3) Maximum class size. A VPK class may not exceed 18 children for a school-year program or 10 children for a summer program. Children enrolled in the VPK program, and children not enrolled in the program, are both counted toward the 18-child or 10-child maximum class size. A VPK class may not exceed the maximum class size in enrollment or attendance on a particular day.
