SUMMER HOLIDAY PARTIES 2015

A-Star Sports offers inclusive, developmental multi-sports coaching for children. Our holiday clubs focus on a high-energy combination of games, sports and all-round active entertainment for children aged 3+*. Building on a fun ABC-based programme (agility, balance and co-ordination), your child will be introduced to and develop the skills for a broad range of sports, including basketball, cricket, dodgeball, football, handball, hockey, rounders, rugby, tennis and volleyball.

Plus additional activities inspired by *sport in the news* in celebration of sporting events around the world that keep us sporty grown-ups gripped!

With small group sizes and step-by-step support in a positive environment, your child will have a memorable multi-sports experience.

All 2 hour sessions will cost £8.

Children are required to bring plenty of water and a healthy snack.

Terms and conditions

Holiday party

- A-Star Sports activities are primarily aimed at children aged 3-10. Children under school age will be considered in full consultation with families to ensure all the children enjoy themselves. Under Care Inspectorate (Scotland) guidance, A-Star Sports can only have children under school age for two hours or less in any one day. School aged children may stay for full holiday club sessions.
- Children attending holiday club must also be able to, for example:
 - go to the toilet independently;
 - manage clothing independently (if / when required);
 - manage snacks / food independently;
 - manage medication independently (see below).

Under Care Inspectorate (Scotland) regulations, if a child requires 'care' in any of these areas (or has needs outlined by the parent / carer / guardian that would fall under a 'care' bracket) then this falls outside of sports clubs operating as 'excepted services'. Parents / carers / guardians should discuss needs and/or concerns in full with the coach to ensure guidelines are met and children have the most positive and fun experience at holiday club. In some cases, at the coach's discretion, it may be possible for parents / carers / guardians to accompany children to holiday club and provide the required care.

- Customers are required to drop off and collect children from within the premises.
- Customers are asked to double check all contact number(s) for their child / children at the drop-off point and inform their coach of any health issues (in addition to those on the application form) that may be relevant for that day. It is advised that children requiring (prescription) medication should take it prior to attending the session as appropriate. For children who need to self-administer medication (e.g. an asthma inhaler), parents / carers / guardians should advise the coach of their permission for their child to do this through the completion of a permission to administer medication form provided by the coach.
- Children should be appropriately dressed for running around, particularly with their 'fast shoes' on!
- Customers must follow health and safety procedures as advised to them by their coach.
- Coaches make every effort to avoid injury during holiday party activities. In the event an injury should occur, coaches will administer appropriate first aid to children as required.
- All coaches hold up-to-date first aid certificates and are fully PVG checked.
- Customers accept that at times there will be physical contact between the coach and the children in a professional, caring manner.
- Should children bring their own snack (or packed lunch where appropriate) we ask that this does not contain nuts.
- Smoking is strictly forbidden in all coaching / holiday club venues.

Fees / refunds

- Bookings will be confirmed on receipt of a booking form. Full payment is required when your place is confirmed. Cheques can be made payable to A-Star Sports.
- A full refund will only be given if written cancellation is received within four weeks of the holiday party date.
- If a customer's cheque is returned from the bank unpaid, a £10 administration charge may be applied.

Staff training

- We place great importance on high quality training of new coaches and franchise owners. Occasionally, those undergoing training may accompany our qualified and experienced coaches.

All customers are expected to abide by the terms and conditions set out above.

If you would like to see our full Safeguarding Children Policy, please ask your local coach for a copy. If you have any concerns or questions about our policy and procedures, please contact our Safeguarding Children Officer: Sharon Bassett on 07932 182148.

Feedback

Our coaches regularly survey customers to ensure that they are very happy and satisfied with the service provided and can support us in positive developments for the future.

Should any issues arise, please speak to the local franchise owner / coach where appropriate in the first instance. Customers can also contact Head Office on the details below and the A-Star team will make every effort to resolve the matter satisfactorily.
