

# THE SOCIAL STUDIO

## *Proud Supporter Program*

Show you believe in giving people a chance to pursue their talents by signing up to The Social Studio's Proud Supporter program. As a Proud Supporter you'll enjoy benefits such as:

- 10% discount on purchases at The Social Studio and The Cutting Table Café
- Free entry to The Social Studio events
- A welcome gift
- Public acknowledgement on our website (you can request to remain anonymous)

Each year The Social Studio supports many young people to achieve accredited certificate qualifications in fashion, retail and hospitality. Our café, shop and manufacturing enterprise have created meaningful and long term employment for members of the community who face barriers to employment. The Studio's vocational training has consistently achieved a retention and completion rate above 90% for the past 3 years.

The Proud Supporter program gives you the chance to directly contribute to ensuring the continuation of our training programs to the highest standard possible. Thank you for showing that you believe in young people!

I'd like to become a Proud Supporter by donating  \$75

\$150
