Catering Agreement

Thank you for choosing Black Water Grill to cater your event. We hope our team can make your event a huge success. Our restaurant concept has partnered up with some of the top vendors in the northeast. Having such great partners makes it possible for us to personalize any menu to suit your needs. If there is anything that we may have forgotten to include, please let us know.

At our initial meeting we are hoping to grasp your vision and make it come to life. At any time during the planning process, please feel free to contact us with changes. We just ask that you have your final decisions made two weeks prior to the date of your event.

We require a 150.00 non-refundable deposit to order your food. This check will be returned to you the day of your event or you can use this deposit towards the balance. We also require a final count 1 week prior to the event.

All food prepared at Black Water Grill is subject to 8% state, room and meals tax. Your food can be available for pick up or delivery. We have a \$25 delivery fee for anywhere within 20 miles of the restaurant; over 20 miles is subject to an additional mileage charge. Plastic cutlery and serving utensils can be included with your order for \$1.00/person.

We can also assist in setup and service, as well as table and serving piece rentals. Details can be discussed according to your needs. Basic set up fee for lunch is \$50.00 and dinner is \$100.00. An additional 18% gratuity is added to all menu items if setup is included in the catering arrangement.
