2 Nonresident, resident and part-year resident.

You are a nonresident if you are not a resident under any of the conditions listed below:

You are a resident if your permanent home is in Maryland (the law refers to this as your domicile) or your home is outside Maryland but you maintained a place of abode (that is a place to live) in Maryland for more than six (6) months (183 days) of the tax year and you are physically present in Maryland for 183 days or more (you are a statutory resident).

You are a part-year resident if you established or abandoned legal residence during the tax year.

If you are an active duty military member, see Instruction 27.

3 What income is taxable or reportable?

A nonresident individual is subject to tax on that portion of the federal adjusted gross income that is derived from tangible property, real or personal, permanently located in Maryland (whether received directly or from a fiduciary) and on income from a business, trade, profession or occupation carried on in Maryland and on all gambling winnings derived from Maryland sources. Adjustments to federal gross income and losses not allocable to Maryland may not be used to reduce Maryland income. You are required to file even if the net Maryland income is a loss.

4 Who must file?

In general, you must file this return if:

- You are a nonresident of Maryland,
- AND, you are required to file a federal return based upon the income levels in Table 1 or 2,
- AND, you received income from sources within Maryland.

Remember, if your federal gross income is more than the

federal minimum filing requirement for your filing status, you are required to file a Maryland return, even if the income attributable to Maryland is less than the federal filing requirement.

TO DETERMINE IF YOU ARE REQUIRED TO FILE A MARYLAND RETURN

- Add up all of your federal **gross** income to determine your total income. Gross income is defined in the Internal Revenue Code and, in general, consists of all income from any source. It includes wages and other compensation for services, **gross** income derived from business, gains (not losses) derived from dealings in property, interest, rents, royalties, dividends, alimony, annuities, pensions, income from partnerships or fiduciaries, etc. If any modification or deduction reduces your gross income below the minimum filing level, you are still required to file. IRS Publication 525 provides additional information on taxable and nontaxable income.
- Do not include Social Security or railroad retirement benefits in your total income.
- Add to your total income any Maryland additions to income. Do not include any additions related to non-Maryland income or loss. (See Instruction 12.) **This is your Maryland gross income.**
- If you are a dependent taxpayer, add to your total income any Maryland additions and subtract any Maryland subtractions and non-Maryland Income. (See Instructions 12 and 13.) **This is your Maryland gross income.**
- You must file a Maryland return if your Maryland gross income equals or exceeds the income levels in Table 1.
- If you or your spouse is 65 or over, use Table 2, "Minimum Filing Levels for Taxpayers 65 or over."

IF YOU ARE A NONRESIDENT, YOU ARE NOT REQUIRED TO FILE A MARYLAND RETURN IF:

- Your Maryland gross income is less than the minimum filing level for your filing status; OR
- You had no income from Maryland sources; OR
- You reside in the District of Columbia, Virginia or West Virginia and had only wages from Maryland. See Instruction 11 for additional information; OR
- You reside in a local jurisdiction in Pennsylvania, which does not impose an income or earnings tax against Maryland residents, and had only wages from Maryland. See Instruction 11 for additional information.

MARYLAND TAX WITHHELD IN ERROR

If Maryland tax was withheld from your income, you must file to obtain a refund of the withholding. Complete all of the

information at the top of the form through the filing status, residence information and exemption areas. Check the box provided to the right of the residence information for you to indicate your withholding was withheld in error. Enter your federal adjusted gross income on line 17 in both columns 1 and 3 and line 24. Then complete lines 43-48, 50 and 52.

Sign the return and attach withholding statements (Forms W-2 and/or 1099) showing the Maryland tax withheld equal to the refund you are claiming.

Your return is then complete. You must file within three years of the original due date to receive any refund.

5 Use of federal return.

First complete your 2013 federal income tax return.

You will need the information from your federal return in order to complete your Maryland return. Therefore, complete your federal return before you continue beyond this point. Maryland law requires that your income and deductions be entered on your Maryland return exactly as they were reported on your federal return. If you use a federal Form 1040NR, visit our Web page at <http://www.marylandtaxes.com/QR/19.asp>. All items reported on your Maryland return are subject to verification, audit and revision by the Maryland State Comptroller's Office.

6 Name and address.

Please complete the name and address boxes at the top of Form 505.

Name: Please be sure to use your full, legal name. This should match the name that appears on your Social Security card.

Address: Please enter your current mailing address.

7 Social Security Number(s) (SSN).

It is important that you enter each Social Security Number in the space provided at the top of your tax return.

You must enter each SSN legibly because we validate each number. If not correct and legible, it will effect the processing of your return.

The SSN must be a valid number issued by the Social Security Administration of the United States Government. If you or your spouse or dependent(s) do not have a SSN and you are not eligible to get a SSN you must apply for an Individual Tax Identification Number (ITIN) with the IRS and you should wait until you have received it before you file. Enter it wherever your SSN is requested on the return.

A missing or incorrect SSN or ITIN could result in the disallowance of any credits or exemptions you may be entitled to and result in a balance due.

A valid SSN or ITIN is required for any claim or exemption for a dependent. If you have a dependent who was placed with you for legal adoption and you do not know his or her SSN, you must get an Adoption Taxpayer Identification Number (ATIN) for the dependent from the IRS.

If your child was born and died in this tax year and you do not have a SSN for the child, complete just the name and relationship of the dependent and enter code **322**, in one of the code number boxes located to the right of the telephone number area on page 2 of the form; attach a copy of the child's death certificate to your return.

NOTE: If you have contacted the IRS regarding identity theft and have received a notice from the IRS containing a 6-digit Identity Protection PIN, enter the 6-digit IP PIN in the box near the signature area of page 2 of the form.

8 Filing status.

Check the filing status box that matches the filing status you used on your federal return unless you are a dependent taxpayer.

A **dependent taxpayer** is one who can be claimed as a dependent on another person's tax return. If married, the dependent taxpayer and spouse must file separate returns. A dependent taxpayer may not claim a personal exemption. Check the box for filing status 6.

Generally, if you filed a joint federal return for 2013, you must file a joint Maryland return. Married couples who file joint federal returns may file separate Maryland returns when one spouse is a resident of Maryland and the other spouse is a nonresident of Maryland.

If you and your spouse filed separate federal returns you must file separate Maryland Returns.

9 Residence information.

Answer ALL the questions and fill in the appropriate boxes. Enter the appropriate two-letter code from the table below in the space provided for your state of legal residence. If you indicate you are a Pennsylvania resident, list the County and City, Borough or Township in which you live.

Your state of legal residence is your domicile or permanent home. It is the place you intend to return to after temporary absences. You do not change or abandon a domicile until you establish a new domicile in another state. Military personnel retain their states of legal residence as shown in their records until they take specific action to change the state. Duty assignments alone do not affect legal residence. For additional information, see Administrative Release 37.

10 Exemptions.

Determine what exemptions you are entitled to and complete the appropriate area on the form, including the Social Security numbers for children and other dependents on dependent form 502B.

EXEMPTIONS ALLOWED

You are permitted the same number of exemptions that you are permitted on your federal return; however, the exemption amount is different on the Maryland return. Even if you are not required to file a federal return, the federal rules for claiming exemptions still apply to you. Refer to the federal income tax instructions for further information.

In addition to the exemptions allowed on your federal return, you and your spouse are permitted to claim exemptions for being age 65 or over or for blindness. These additional exemptions are in the amount of \$1,000 each.

If any other dependent claimed is 65 or over, you also receive an extra exemption of up to \$3,200. Make sure you check both boxes.

Enter the number of exemptions in the appropriate boxes based upon your entries in parts A, B, and C of the exemption area of the form. Enter the total number of exemptions in Part D. **For Form 505, the number of exemptions for Part C is from Total Dependent Exemptions, Line 3 of Form 502B.**

NOTE: Form 502B must be completed and attached to Form 505 if you are claiming dependents.

PART-YEAR RETURNS

If you are required to file both a resident and nonresident return for tax year 2013, each exemption is limited to a total of \$3,200. Your exemptions must be prorated on the resident return and nonresident return based on Maryland income. See Instruction 28.

11 Income and adjustments.

Complete lines 1 through 17 of the Federal Income column using the figures from your federal return.

Enter in the Maryland Income column all income or loss that was derived from Maryland sources and enter in the Non-Maryland Income column all income or loss derived from non-Maryland sources. Refunds of state or local income taxes, pensions, annuities, IRA distributions, unemployment compensation and Social Security or railroad retirement benefits are not considered to be from Maryland sources for income tax purposes when these items are received by a nonresident of Maryland. Adjustments to federal gross income are not generally applicable to Maryland unless they pertain to business carried on in Maryland or services performed in Maryland.

Special instructions for residents of the following states:

The **District of Columbia, Pennsylvania or Virginia: If you did not maintain** a place of abode in Maryland for more than six months (183 days or more) of 2013, you are exempt from Maryland tax on your Maryland wage and salary income. Enter all wage and salary income in the Non-Maryland Income column of Form 505, even if you earned the income from services performed in Maryland.

If you **did maintain** a place of abode in Maryland for more than six months (183 days or more), you are a **statutory** resident. Refer to Instruction 1 to see which form you need to file.

Therefore, Pat and Chris Jones are entitled to claim a subtraction of \$7,200 (\$9,600- \$2,400) on line hh of Form 505SU.

16 Itemized deductions.

If you figure your tax by the ITEMIZED DEDUCTION METHOD, complete lines 26b, c and d on Maryland Form 505.

USE FEDERAL FORM 1040 SCHEDULE A

To use the ITEMIZED DEDUCTION METHOD, you must itemize your deductions on your federal return and complete federal Form 1040 Schedule A.

Maryland has decoupled from the federal 2013 itemized deduction threshold limiting itemized deductions.

If your federal adjusted gross income is less than \$178,150 (\$89,075 if Married Filing Separately), enter the amount from federal Schedule A, line 29, Total Itemized Deductions, onto line 26b of Form 505. Certain items of federal itemized deductions are not eligible for State purposes and must be subtracted from line 26b. State and local **income** taxes used as a deduction for federal purposes must be entered on line 26c. Also, any amounts deducted as contributions of Preservation and Conservation Easements for which a credit is claimed on Form 502CR must be added to line 26c. Complete lines 26b through 26e and enter the result on line 26.

If your federal adjusted gross income is greater than \$178,150 (\$89,075, if Married Filing Separately), enter the amount from federal Schedule A, line 29, Total Itemized Deductions, onto line 26b of Form 505. Next, complete the ITEMIZED DEDUCTION WORKSHEET (16A), if you elect to itemize deductions on your Maryland return.

Part I of this worksheet is used to calculate federal itemized deductions that would have existed but for the 2013 federal legislation.

Part II is used to calculate the amount of the required decoupling modification for itemized deductions that is included on line 19 of Form 505. (See Instruction 12.)

Part III is used by taxpayers to calculate the amount of state and local income taxes that were limited. Enter the amount from line 24 of Part III on line 26c of Form 505.

You are not required to itemize deductions on your Maryland return because you itemized on your federal return. Figure your tax each way to determine which method is best for you.

Your Maryland itemized deductions are limited to those deductions related to Maryland income. You must adjust the total itemized deductions on line 26d using the AGI factor. On line 26e enter the AGI factor from the ADJUSTED GROSS INCOME FACTOR WORKSHEET (14A) in Instruction 14.

If your unreimbursed business expenses include depreciation to which an adjustment is required for Maryland purposes, complete Form 500DM to calculate the addition modification "j" or subtraction modification "bb."

23 Overpayment or balance due.

Calculate the Balance Due (line 49) or Overpayment (line 50). Read the instructions for UNDERPAYMENT OF ESTIMATED TAX and then go to BALANCE DUE or OVERPAYMENT.

UNDERPAYMENT OF ESTIMATED TAX

If you had income that did not have tax withheld or did not have enough tax withheld during the year, you may have owed an estimated tax. All taxpayers should refer to Form 502UP to determine if they owe interest because they paid too little estimated tax during the year.

If you owe interest, then complete Form 502UP and write the amount of interest (line 18 of Form 502UP) on line 53 in the appropriate box. Attach Form 502UP.

Generally, you do not owe interest if:

- a. You owe less than \$500 tax on income that is not subject to withholding, or
- b. Each current year payment, made quarterly as required, is equal to or more than one-fourth of 110% of last year's tax, OR

- c. You made quarterly payments during the year that equal 90% of this year's tax.

Special rules apply if your gross income from farming or fishing is at least two-thirds of your total estimated gross income. See the back of Form 502UP for additional information and instructions for claiming this exemption from interest.

INTEREST FOR LATE FILING

Interest is due at a rate of 13% annually or 1.08% per month for any month or part of a month that tax is paid after the original due date of the return. Enter any interest due in the appropriate box on line 53 of Form 505.

TOTAL INTEREST

Enter the total of interest for underpayment of estimated tax and interest for late filing on line 53 of Form 505.

BALANCE DUE

If you have a balance due on line 49, add this amount to any amount on line 53. Put the total on line 54.

OVERPAYMENT

If you have an overpayment on line 50, the Revenue Administration Division will refund any amount of \$1.00 or more. If you want part or all of your overpayment credited to your 2014 estimated tax, then write the amount you want credited on line 51. Overpayments may first be applied to previous year's tax liabilities or other debts as required by federal or state law. If you must pay interest for underpayment of estimated tax, enter the amount of interest from line 18 of Form 502UP on line 53. Subtract lines 51 and 53 from your overpayment (line 50). This is the amount of your refund. Write this amount on line 52. No refunds of less than \$1.00 will be sent.

If the amount of interest charges from Form 502UP on line 53 is more than the overpayment on line 50 of Form 505, enter zero (0) on lines 51 and 52. Then subtract line 53 from line 50 and enter the result on line 54.

DIRECT DEPOSIT OF REFUND

To comply with banking rules, we ask you to indicate on your return if the state refund is going to an account outside the United States. If you indicate that this is the case, do not enter your routing and account number, as the direct deposit option is not available to you. We will send you a paper check. Complete lines 55a, b and c of Form 505 if you want us to deposit your refund directly into your account at a bank or other financial institution (such as a mutual fund, brokerage firm, or credit union) in the United States.

Check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing and account numbers. **The State of Maryland is not responsible for a lost refund if you enter the wrong account information.**

Line 55a: Check the appropriate box to identify the type of account that will be used (checking or savings). You must check one box only, or a refund check will be mailed.

Line 55b: The routing number must be nine digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check sent instead.

If you are not sure of the correct routing number or if your check states that it is payable through a financial institution different from the one at which you have your checking account, contact your financial institution for the correct routing number.

Line 55c: The account number can be up to 17 characters (both numbers and letters). Omit spaces, hyphens and other special symbols. Enter the number from left to right and leave any unused spaces blank.

If we are notified by the financial institution that the direct deposit is not successful, a refund check will be mailed to you.

Please have a bank statement for the deposit account available

if you contact us concerning the direct deposit of your refund.

DISCLOSURE

Entering your bank account routing number, account number and account type in the area provided on your Maryland income tax return to request a direct deposit of your income tax refund authorizes the Comptroller's Office to disclose this information and your refund amount to the Maryland State Treasurer's Office who performs banking services for the Comptroller's Office.

SPLITTING YOUR DIRECT DEPOSIT

If you would like to deposit portions of your refund (Form 505, line 52) to multiple accounts, do not complete any direct deposit information on your income tax return (Form 505). Instead, you must enter code number **588** in one of the code number boxes located to the right of the telephone number area on your return, and complete and attach Form 588.

NOTE: you may not use Form 588 if you are filing Form 502INJ, Maryland Injured Spouse Claim Form, or if you plan to deposit your refund in a bank outside the United States.

24 Telephone numbers, code numbers, signatures and attachments.

Sign and date your return, and enter your telephone numbers. Be sure to attach all required forms, schedules and statements.

CODE NUMBERS

If special circumstances apply, you may not owe the interest for underpayment of estimated tax. Refer to Form 502UP for additional information. Enter the applicable code number in one of the code number boxes located to the right of the telephone number area. Enter code **300** if you are a farmer or fisherman or **301** if your income was received unevenly throughout the year. Attach your completed Form 502UP if you have entered code **301**.

TAX PREPARERS

If another person prepared your return, that person must also sign the return and enter their Preparer's Tax Identification Number (PTIN). The preparer declares, under the penalties of perjury, that the return is based on all information required to be reported of which the preparer has knowledge. Income tax preparers who, for compensation, completed 100 or more original Maryland individual income tax returns (paper and electronic forms) for Tax Year 2012 are required to file all original individual income tax returns electronically for Tax Year 2013, except when a taxpayer specifically requests a preparer to file by paper or when a preparer has received a valid written waiver from the Comptroller.

Penalties may be imposed for tax preparers who fail to sign the tax return and provide their PTIN or who failed to file electronically when required.

At the bottom of the return at the signature area, we have provided a check box for you to authorize your preparer to discuss your return with us. Another check box is provided for you to authorize your preparer to not file your return electronically.

SIGNATURES

You must sign your return. Your signature(s) signifies that your return, including all attachments, is, to the best of your knowledge and belief, true, correct and complete, under the penalties of perjury.

Both spouses must sign a joint return. If your spouse cannot sign because of injury or disease and tells you to sign, you can sign your spouse's name in the proper space on the return followed by the words "By (your name), spouse." Be sure to also sign in the space provided for your signature.

If a power of attorney is necessary, complete federal Form 2848 and attach to your return.

ATTACHMENTS

Be sure to attach wage and tax statements (Form W-2, W-2G and 1099) to the front of your return if Maryland tax was withheld. Also attach all forms, K-1s, schedules, statements required by these instructions following this return. When filing a Nonresident return for tax year 2013, instructions regarding sequence numbers should be disregarded. Any other forms, documents or certifications should be placed last.

Place your check or money order on top of your wage and tax statements and fasten with one staple on the front of your tax return.

25 Electronic and PC filing, mailing and payment instructions and deadlines.

ELECTRONICALLY FILING YOUR RETURN

The fastest way to file your return and receive your refund is to file electronically and request direct deposit. If you request direct deposit on your electronic return your refund should be in your bank account within 72 hours of acknowledgement from the Revenue Administration Division. **You may request electronic funds withdrawal (direct debit) payments on your electronic return.** If you both file and pay electronically, your return is due April 15th. **However, you will have until April 30th to make your electronic payment. Note: An online payment where the bank mails the Comptroller of Maryland a paper check is not considered an electronic payment.** You may file your return electronically through your personal computer. Do not send a paper copy of the return you electronically filed. For more information, please visit our Web site at: www.marylandtaxes.com

ELECTRONIC PAYMENT OF BALANCE DUE

If your paper or electronic tax return has a balance due, you may pay electronically at www.marylandtaxes.com by selecting BillPay. The amount that you designate will be debited from your bank or financial institution on the date that you choose.

PAYMENT BY CHECK OR MONEY ORDER

Make your check or money order payable to "Comptroller of Maryland." Use blue or black ink. Do not use red ink or pencil. Write the type of tax and year of tax, being paid on your check. It is recommended that you include your Social Security Number on your check. **DO NOT SEND CASH.**

DUE DATE

Returns must be mailed by April 15, 2014, for calendar year taxpayers. Persons filing on a fiscal year basis should see Instruction 26.

EXTENSION OF TIME TO FILE

Follow the instructions on Form 502E to request an automatic extension of the time to file your 2013 return. Filing this form extends the time to file your return, but does not extend the time to pay your taxes. Payment of the expected tax due is required with Form 502E by April 15, 2014. You can file and pay by credit card or electronic funds withdrawal (direct debit) on our Web site. If no tax is due and you requested a federal extension, you do not need to file Form 502E or take any other action to obtain an automatic **six-month extension**. If no tax is due and you did not request a federal extension, file your extension online at **www.marylandtaxes.com** or by phone at 410-260-7829. Only submit Form 502E if tax is due.

COMBAT ZONE EXTENSION

Maryland allows the same six-month extension for filing **and paying** personal income taxes for military and support personnel serving in a designated combat zone or qualified hazardous duty area and their spouses as allowed by the IRS. For more detailed information visit **www.irs.gov**. If you are affected by the extension enter **912** in one of the code number boxes to the right of the telephone number area.

26 Fiscal year.

You must file your Maryland return using the same tax year and the same basis (cash or accrual) as you used on your federal return.

To file a fiscal year return, complete the fiscal year information at the top of Form 505, and print "FY" in bold letters in the upper left hand corner of the form. Whenever the term "tax year" appears in these instructions, fiscal year taxpayers should understand the term to mean "fiscal year." Use the 2013 forms for fiscal years which begin during calendar year 2013.

Fiscal year returns are due on the 15th day of the 4th month following the close of the fiscal year.

27 Special instructions for military taxpayers.

Instructions and worksheets referenced below are in the resident booklet. For more information, see Administrative Release 1.

MILITARY PERSONNEL WHO ARE LEGAL RESIDENTS OF MARYLAND	
1 - Without overseas pay	Must file a resident return (Form 502 or Form 503) and report all income from all sources, wherever earned. You must calculate the local portion of the tax regardless of whether you were stationed in Maryland or not. The location of your legal residence determines which county should be entered on your return. See Instructions 6 and 19. If you filed a joint federal return, see Instruction 7.

2 - With overseas pay	Same as above, may subtract up to \$15,000 in military pay earned outside U.S. boundaries or possessions, depending upon total military income. If you filed a joint federal return, see Instruction 7.
-----------------------	---

MILITARY PERSONNEL WHO ARE LEGAL RESIDENTS OF ANOTHER STATE	
1 - With military income only.	Not required to file a Maryland return.
2 - With military income and other income outside Maryland.	Not required to file a Maryland return.
3 - With military and other income earned in Maryland, single or with an unemployed civilian spouse.	Must file a nonresident return (Form 505) reporting total income and subtracting military pay; and Form 505NR, subtracting unearned and non-Maryland income, then computing the Maryland taxable net income. Deductions and exemptions must be adjusted. The State of Maryland does not tax the military pay, and does not use the military pay to increase the tax liability imposed on other income earned in Maryland.
4 - With military income with or without other income earned in Maryland, and civilian spouse employed in Maryland.	See Administrative Release 1 for guidance and application of the Military Spouses Residency Relief Act, amending the Servicemembers Civil Relief Act.
5 - Both spouses in the military and not domiciled in Maryland and one or both have Maryland income.	Must file a joint nonresident return. Exemptions and deductions must be adjusted.

Military personnel should be aware that there may be provisions for tax credits granted either by Maryland or another state when the same income is subject to tax by both states; however, military income is subject to tax only by the state of domicile. See Maryland Form 502CR and instructions. Read carefully the instructions provided by the state of legal residence for any possible credits allowed by that state.

28 Part-year residents.

If you moved into or out of Maryland during 2013 AND received taxable Maryland income both while you were a resident and while you were a nonresident AND you are required to file a federal return, you are required to file two returns with the State of Maryland.

Complete your resident return (Form 502) using the instructions for part-year residents. Complete your nonresident return (Form 505) using the instructions in this booklet with the following exceptions:

INCOME AND ADJUSTMENTS

Treat your Maryland **resident** income as non-Maryland income. **This amount is included as a subtraction on line 6b of**

Form 505NR. You will be taxed on this income on your resident return.

STANDARD DEDUCTION

Your combined total standard deduction may not exceed the maximum amount for your filing status.

EXEMPTIONS

Each exemption is limited to a maximum of \$3,200 and is subject to further reduction using the chart in Instruction 10. Your exemption must be prorated on the resident and nonresident returns based on Maryland income.

EARNED INCOME AND POVERTY LEVEL CREDITS

You must prorate your earned income and poverty level credits based on Maryland income.

WITHHOLDING AND ESTIMATED TAX PAYMENTS

You must allocate your total payments between your two returns.

29 Pass-through entities (PTE) may file a composite income tax return (Form 510C) on behalf of nonresident individual members.

Note: A single member entity cannot file Maryland Form 510C.

Nonresident members other than individuals may not participate in the composite return. The Maryland tax of each nonresident individual member is calculated using the rate of 5.75% plus the 1.25% Special nonresident tax.

Nonresident individual members of a PTE doing business in the State who meet the composite return requirements contained in Administrative Release 6 and elect to be included in a composite return may not be required to file Maryland nonresident individual returns. Instead, the PTE doing business in the State may file a composite return on behalf of such nonresident individual members using Form 510C.

For more information, Administrative Release 6 may be obtained from our Web site at www.marylandtaxes.com.

30 Filing return of deceased taxpayer.

Enter code 321 in one of the code number boxes located to the right of the telephone number area. Use the following special instructions:

FILING THE RETURN

If an individual required to file an income tax return dies, the final income tax return shall be filed:

- By the personal representative of the individual's estate;
- If there is no personal representative, by the decedent's surviving spouse; or
- Jointly by the personal representatives of each if both spouses are deceased.

JOINT RETURN

If the spouse of the deceased taxpayer filed a joint federal return with the decedent, generally a joint Maryland return must be filed.

The word "DECEASED" and the date of death should be written after the decedent's name at the top of the form. The name and title of any person, other than the surviving spouse, filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration or, if the return is filed solely by the surviving spouse, attach a death certificate.

ALL OTHER RETURNS

If the return is filed by the personal representative, write the words "ESTATE OF" before the decedent's first name and the date of death after the last name. The name and title of the person filing the return should be clearly noted on the form.

Attach a copy of the Letters of Administration.

If there is no personal representative, write the word "DECEASED" and the date of death after the decedent's last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of federal Form 1310.

KILLED IN ACTION

Maryland will abate the tax liability for an individual who is a member of the U.S. Armed Forces at death, and dies while in an active service in a combat zone or at any place from wounds, disease, or injury incurred while in active service in a combat zone. To obtain an abatement, a return must be filed. The abatement will apply to the tax year in which death occurred, and any earlier tax year ending on or after the first day the member served in a combat zone in active service.

Maryland also will abate the tax liability of an individual who dies while a military or civilian employee of the United States, if such death occurs as a result of wounds or injury incurred outside the United States in a terrorist or military action.

In the case of a joint return, Maryland applies the same rules for these taxpayers as does the IRS. For more information on filing a return, see Publication 3 Armed Forces Tax Guide available at www.irs.gov. Place code number **915** in one of the boxes marked "code numbers" to the right of the telephone number area, if you are filing a return for a taxpayer who was killed in action meeting the above criteria.

31 Amended returns.

If you need to change a return that you have already filed, or if the IRS changes your return, you must file an amended return and include Form 505NR using the amended figures.

FILING AN AMENDED RETURN

You must file an amended return to make certain changes on your original return. These include changes in income, filing status, amount of deductions, the number of exemptions and the amount of additions to income and subtractions from income.

Note: Changes made as part of an amended return are subject to audit for up to three years from the date the amended return is filed.

Use Form 505X and Form 505NR to file an amended return and include a copy of your federal return. Forms and instructions may be obtained by calling 410-260-7951, or by visiting www.marylandtaxes.com.

CHANGES TO YOUR FEDERAL RETURN

If the IRS makes any changes to your federal return, you must notify the State of Maryland. Send notification to the Maryland Revenue Administration Division within 90 days of the final determination of the changes by the IRS.

If you file an amended federal return that changes your Maryland return, you must file an amended Maryland return.

IF YOUR ORIGINAL RETURN SHOWED A REFUND

If you expect a refund from your original return, do not file an amended return until you have received your refund check. Cash the check; do not return it. If your amended return shows a smaller refund, send a check for the difference with the amended return. If your amended return shows a larger refund, the Revenue Administration Division will issue an additional refund check.

ADDITIONAL INFORMATION

Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.

Generally, a claim for a refund or overpayment credit must be filed within three years from the date the original return was filed

or within two years from the date the tax was paid, whichever is later. A return filed early is considered filed on the date it was due. If a claim is filed within three years after the date the return was filed, the credit or refund may not be more than that part of the tax paid within the three years, plus any extension of time for filing the return, prior to the filing of the claim. If a claim is filed after the three-year period, but within two years from the time the tax was paid, the refund or credit may not be more than the tax paid within two years immediately before filing the claim for a refund or credit.

A claim for refund based on a federal net operating loss carryback must be filed within three years from the due date of the return for the year of the net operating loss.

If the claim for refund resulted from a federal adjustment or final decision of a federal court which is more than two years from the time the tax was paid, a claim for refund must be filed within one year from the date of the adjustment or final decision.

If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.

No refund for less than \$1.00 will be issued. No payment of less than \$1.00 is required.
