### What's New?

**Tax Rates Changed.** LB 970 (2012) reduced the first three income tax rates in the Nebraska Tax Calculation Schedule for Individual Income Tax beginning in tax year 2013 and expanded the individual income tax brackets beginning in tax year 2014.

**Alternative Minimum Tax Eliminated.** LB 308 (2013) eliminated the alternative minimum tax and the credit for prior year minimum tax beginning in tax year 2014.

**Nebraska College Savings Plan Changes.** LB 296 (2013) includes several changes to the college savings plan. These changes are effective January 1, 2014 and provide that:

- ◆ The maximum state deduction for a contribution to the Nebraska College Savings Plan is now \$10,000 for single, head of household, and married, filing jointly filers; and \$5,000 for married, filing separately filers;
- ◆ Account owners and parents/guardians who are custodians of an UGMA or UTMA NEST Direct account are eligible for the applicable deduction;
- ◆ If another state's plan is rolled over to the Nebraska College Savings Plan, the interest, earnings, and contributions received under an IRC § 529 qualified rollover are eligible for the deduction; and
- ◆ If a successor account owner is not named, the beneficiary will become the account owner upon the death or legal incapacity of the original account owner.

**Refund Claims Filing Date.** LB 851 (2014) is effective July 18, 2014 and requires that a claim for credit or refund of a refundable income tax credit must be filed by the taxpayer within three years after the due date of the return for the year that the refundable credit was allowable, except when otherwise provided by law.

**Additional Updates.** LB 987 (2014) includes changes that are effective January 1, 2015, so they do not apply to your 2014 return.

- Requires the Department to adjust the individual income tax brackets annually for inflation.
- ◆ Allows a deduction for Social Security income included in federal adjusted gross income (AGI) if a taxpayer's federal AGI is less than or equal to \$58,000 for married couples, filing jointly, or \$43,000 for all other tax returns.
- ◆ Allows an individual who retires from the uniformed services of the U.S. on or after July 18, 2012 to make a one-time election to exclude from Nebraska taxable income a portion of his or her income received as a military retirement benefit that is included in federal AGI for tax years beginning on or after January 1, 2015. The election must be made within two years after retirement from the uniformed services.

Apportion Sales of Intangilbes and Services. LB 872 (2012) this change is effective January 1, 2014 and requires that an individual (sole proprietorship) operating a multi-state service business must apportion income from the sales of intangibles and services to the location of the customer (market-based apportionment) rather than the location where the income-producing activity is performed (cost of performance apportionment). The sale of intangibles or services by communications companies will continue to be sourced to the location where the income-producing activity is performed.

Nebraska Job Creation and Mainstreet Revitalization Act. LB 191 (2014) is effective January 1, 2015 eligible person may earn a nonrefundable tax credit equal to 20% of qualifying expenditures to rehabilitate, preserve, or restore qualifying historically-significant real property. An application must be filed with the Nebraska State Historical Society to qualify for the credit.

### Important Information For All Nebraska Filers

Paper Filing Tip: It may take up to 3 months to receive your refund if you file a paper return.

More info . . .

**Complete Your Federal Return.** Your federal return must be completed before starting your Nebraska return. This information is needed to complete your Nebraska return.

Complete Only the Lines on <u>Nebraska Individual Income Tax Return</u>, Form 1040N, That Apply to You. If a line does not apply to your tax calculation, please leave the line blank.

**Enter All Amounts as Whole Dollars.** Do not include cents. Do not change the pre-printed zeros in the cents column of the Form 1040N. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Federal Forms W-2, W-2G, 1099-R, and 1099-MISC. A form should be sent to you by your employer or payor by February 15. If you have not received the form by that date, you should immediately contact your employer or payor. If the information on these forms is incorrect, get a corrected form from your employer or payor. A corrected form should be clearly marked "Corrected by Employer/Payor." If a wage and tax statement is lost or destroyed, request a substitute copy clearly marked "Reissued by Employer."

**Balance Due.** Any balance due must be paid in full with your return. All taxpayers are encouraged to use the Nebraska Department of Revenue's (Department's) e-pay system. It is fast, secure, and easy. See the Department's <u>website</u>.

**Use Tax.** Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. This often occurs when making purchases over the Internet or from out-of-state retailers. See the instructions for line 38.

More info . . .

Penalty and Interest. Either or both may be imposed under the following circumstances:

- 1. Failure to file a return and pay the tax due on or before the due date;
- 2. Failure to pay the tax due on or before the due date;
- 3. Failure to file an amended Nebraska income tax return to report changes made to your federal income tax return; More info...
- 4. Preparing or filing a fraudulent income tax return; or
- 5. Understatement of income on an income tax return.

The interest rate for any unpaid tax is 3%, and is calculated from the original due date of the return, even if an extension of time to file is granted.

**A Nebraska Extension of Time.** The Department accepts the federal extension of time to file. It is only necessary to file a Nebraska extension of time if you are making a tentative tax payment or when a federal extension is not filed. A six-month extension to file Form 1040N may only be obtained by:

- 1. Attaching a copy of a timely-filed Application for Automatic Extension of Time to File U.S. Individual Income Tax Return, Federal Form 4868, to the Nebraska return when filed;
- Attaching a schedule to your Nebraska return listing your federal confirmation number and providing an explanation that you received an automatic federal extension by making a payment of your federal estimate of tax due using a credit card;
- 3. Filing a <u>Nebraska Application for Extension of Time, Form 4868N</u>, on or before the due date of the return, when you need to make a tentative Nebraska payment or when a federal extension is not being requested; or
- 4. Attaching a copy of the statement or letter submitted with your federal return requesting the automatic extension of time to file for a U.S. citizen residing outside the U.S. or Puerto Rico, to the Nebraska return when filed.

If you have an authorized IRS tax preparer e-file your return, Nebraska will grant you an automatic extension to file. If you e-file your own return using software you have purchased or accessed from the Internet, you will be required to mail in a Nebraska Form 4868N. See number 3 above for further instructions.

NOTE: If you have a combat zone-related or contingency operation-related extension, see the Department's Information Guide titled "Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces."

If the extension documentation is not attached, a late filing penalty may be imposed. Any tax not paid by April 15 is subject to interest. An extension of time cannot exceed a total of six months after the original due date of the return.

Estimating Your 2015 Income Tax. The 2015 Nebraska Individual Estimated Income Tax Payment Vouchers booklet is available on the Department's website or you can contact the Department. You are encouraged to make estimated income tax payments using the Department's e-pay system.

**Estimated Income Tax Payments and Penalty for Underpayment of Estimated Income Tax.** You may owe a penalty if your estimated income tax payments did not total at least:

3

- 90% of the tax shown on your 2014 Nebraska return; or
- ◆ 100% of the tax shown on your 2013 return; or

◆ 110% of the tax shown on your 2013 return if adjusted gross income (AGI) on the return was more than \$150,000 or, if your filing status is married, filing separately, more than \$75,000.

See the <u>Individual Underpayment of Estimated Tax</u>, Form 2210N, instructions.

An individual who did not pay enough estimated income tax by any of the applicable due dates (April 15, June 15, September 15, and January 15), or who did not have enough state income tax withheld, will be assessed a penalty. This may be true even if you are due a refund. The underpayment penalty is calculated separately for each installment due date (four equal and timely payments). You may owe a penalty for an earlier payment that was due, even if you paid enough estimated income tax later to make up the underpayment.

**Note**: Taxpayers impacted by a federal disaster declaration should note the declaration at the top of the form when filing a paper return.

Active Duty Military Servicemembers. Your active duty military pay is taxed only by the state where you are a legal resident. Your place of legal residence at the time of entry into the service is presumed to be your state of legal residence. Your state of legal residence stays the same until it is established in another state. Moving to a new location for a limited period of time, including a permanent change of station, does not change your legal residence. Nebraska income tax is imposed on the total federal AGI of a Nebraska resident who is a member of the uniformed services, regardless of where the income is received.

Check the box "Active Military" on <u>Form 1040N</u> if you or your spouse were active military servicemembers at any time during the tax year (including National Guard or Reserve personnel called to active duty). Taxpayers receiving combat pay have the same extended due date for filing a Nebraska return as for the federal return.

Military pay received by a nonresident servicemember stationed in Nebraska is not subject to Nebraska income tax. Other income derived from Nebraska sources by a servicemember, such as income earned from a separate job not connected with the servicemember's military service, is subject to Nebraska income tax. See special instructions for line 64, Nebraska Schedule I.

The federal Servicemembers Civil Relief Act provides that Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in Nebraska only in support of the servicemember. A Nebraska resident servicemember's spouse, who is also a Nebraska resident and who works and resides in another state, is required to file a Nebraska income tax return. More information is available in the instructions for lines <u>64</u>, Nebraska Schedule I and <u>77</u>, Nebraska Schedule III, or on the Department's website.

**Foreign Income.** Income earned by a Nebraska resident while living in another country is taxable by Nebraska when the taxpayer maintains Nebraska residency.

More info . . .

**Deceased Taxpayer.** A deceased taxpayer's spouse, personal representative, or other person may file and sign a return for a taxpayer who died before filing a 2014 return. A personal representative is an executor, administrator, or anyone else who is in charge of the deceased taxpayer's property. Additional documentation will be required when claiming a refund on behalf of a deceased taxpayer unless the deceased is your spouse with whom you are filing as married, filing jointly for this tax year.

"DECEASED" must be written across the top of a paper return and the taxpayer's name and the date of death must be shown in the space provided. See additional instructions for deceased taxpayers in the "How to Complete your Form 1040N" section of these instructions on page 5.

**Fiscal Year Returns.** The taxable year used for Nebraska must be the same as the taxable year used for federal income tax purposes. For fiscal years beginning after January 1, 2014, the <u>2014 Nebraska Tax Calculation Schedule</u> or Tax Table and Nebraska Additional Tax Rate Schedule must be used without adjustment.

More info . . .

**Due Date for Fiscal Year Returns.** The due date for a fiscal year return is the 15th day of the fourth month following the end of the taxable year.

Refer to instructions for <u>line 28</u> for additional information on a fiscal year taxpayer claiming the income tax withholding credit.

Taxpayers filing fiscal year returns may not e-file their Nebraska return.

### Who Must File?

#### A Nebraska resident who:

- ◆ Is required to file a federal return reporting a federal liability; or
- ◆ Has \$5,000 or more of net Nebraska adjustments to federal AGI including non-Nebraska state and local bond interest exempt from federal tax (see Nebraska Schedule I instructions).

#### A partial-year resident or a nonresident who:

◆ Has income derived from or connected with Nebraska sources.

### **Definitions**

**Domicile.** Domicile is the place an individual has his or her permanent place of abode and home. Even if the individual is absent at times, domicile is the place where the individual intends to return. Actual residence is not necessarily domicile. An individual establishes domicile in Nebraska on the date he or she arrives in the state for other than temporary or transitory purposes. Once domicile is established, it remains the individual's domicile until it is abandoned. Domicile in Nebraska is abandoned when an individual leaves the state, abandons the Nebraska domicile with no intention of returning to the state, and establishes a domicile in another state while present in the other state for other than temporary or transitory purposes.

**Partial-Year Resident.** A partial-year resident is an individual who is a resident for part of the year, but less than the entire year. To be a partial-year resident, a taxpayer must change domicile during the year, either moving into or out of Nebraska.

**Permanent Place of Abode.** A permanent place of abode is a dwelling place permanently maintained by the taxpayer, whether or not it is owned by the taxpayer. A dwelling means a house, apartment, room, or other accommodation suitable for human occupation. It does not include a vacation camp, cottage, or dwelling place kept only for a temporary purpose.

**Resident.** A resident is an individual whose domicile is Nebraska, or an individual who is physically present in this state and maintains a permanent place of abode within this state for an aggregate of more than six months. Nebraska residence will be determined by Nebraska law. If an individual maintains a permanent place of abode in Nebraska and is present in Nebraska for at least 183 days during the tax year, that individual is a Nebraska resident even if living in another state. For this purpose, Nebraska considers any part of a day spent in Nebraska as a full day spent in the state.

For additional information, refer to the <u>Determining Residency Status for Nebraska Individual Income</u> <u>Tax Filing Information Guide</u> on the Department's website.

### **How to Complete your Form 1040N**

Name and Address. When filing a paper return, enter or clearly print your name and correct mailing address information in the spaces provided. Include your spouse's name if filing a joint return.

**Social Security Numbers.** You must enter your Social Security number (SSN) or Individual Tax Identification Number (ITIN) on the form in the boxes indicated. Include your spouse's SSN or ITIN if filing a joint return.

The Privacy Act of 1974 provides that when the Department asks you for your Social Security number (SSN), you must first be told of the Department's legal right to ask for this information, why the Department is asking for it, and how it will be used. The Department must also tell you what would happen if it is not received and whether your response is voluntary, required to obtain a benefit, or mandatory under the law.

The legal right to ask for the information is <u>Neb. Rev. Stat. § 77-27,119</u>. This law says that you must include your SSN on your return. Your response is mandatory under this section. The SSN is needed to properly identify you and process your return and other documents.

**Public High School District Data.** All residents and partial-year residents domiciled in Nebraska on December 31, 2014, must enter the high school district code where you are domiciled (permanent residence). This information is also required if you reside outside Nebraska but are still domiciled in Nebraska. Nonresidents or partial-year residents not residing in Nebraska on December 31, 2014, do not enter a high school district code. This information is required by law to assist the Nebraska Department of Education in determining the state aid for Nebraska's K-12 public school systems.

**Farmer/Rancher.** Farmers or ranchers deriving at least two-thirds of their yearly gross income for the current or previous tax year from farming or ranching must check the box below the SSN block. A farmer or rancher, who files the 2014 Form 1040N and pays the Nebraska income tax due on or before March 2, 2015, is not required to make estimated income tax payments during 2014; otherwise, the entire amount of estimated income tax must be paid by January 15, 2015. If you file or pay after March 2, 2015, you will be assessed a penalty for failure to properly pay estimated income tax. An extension of time cannot be used to extend the March 2 filing date.

**Active Military.** Check the box "Active Military" only if you or your spouse were on active military duty status at any time during 2014. This includes National Guard/Reservists called to active duty during 2014.

More info . . .

**Deceased.** If the taxpayer or spouse is deceased, enter the first name of the decedent and the date of death in the space provided.

◆ Surviving Spouse filing for a deceased taxpayer's refund must:

Write "surviving spouse" in the signature block on a paper filed Form 1040N for the deceased. No further documentation is required.

When a court-appointed personal representative files an original or amended return on behalf of a deceased person, he or she must attach a copy of one of the following with the completed and signed Form 1040N or 1040XN:

- ◆ The court order showing proof of appointment (Letters of Appointment); or
- ◆ A copy of the probated will.

Other persons requesting a deceased taxpayer's refund should complete a <u>Statement of Person Claiming a Refund Due to a Deceased Person, Form 1310N</u>, and attach one the following:

- ◆ Death certificate (need not be certified); or
- ◆ Formal notification from the appropriate government office (for example, Department of Defense, Department of Health and Human Services, or Department of State) informing the next of kin of the decedent's death.

#### Line 1

Federal Filing Status. Your Nebraska filing status is the same as your federal filing status.

There is an exception for married, filing jointly taxpayers where one spouse is a Nebraska resident and the other spouse is a nonresident or partial-year resident of Nebraska. These taxpayers may elect to file either a married, filing jointly return (both spouses are taxed as residents) or married, filing separately returns with Nebraska.

If you file a married, filing separately return for Nebraska, it must be calculated as if a married, filing separately federal return had been filed. The married, filing separately income, deductions, and exemptions must be used. The spouse's SSN and name must be entered on the married, filing separately line.

There is an additional exception for individuals in a same-sex marriage, who file a federal income tax return using a married filing status. These individuals may not use a married filing status in Nebraska and must instead file using the single or, if qualified, head of household filing status.

More info . . .

For additional information for individuals in a same-sex marriage, please visit our <u>Frequently Asked Questions</u> or contact the Department. See <u>Revenue Ruling 22-13-01</u>.

Nonresident military servicemembers should review the line 64 instructions.

### Line 2a

- Box 2. You were blind;
- Box 3. Your spouse was 65 or older (taxpayers born before January 2, 1950); or

Partial-year residents must also complete dates of residency. Nonresidents and partial-year residents must complete and attach Nebraska <u>Schedule III</u>, even if all income is earned in Nebraska. If one spouse is a full-year resident and the other is a nonresident or partial-year resident, and they elect to file a married, filing jointly return, a resident return must be filed and Schedule III cannot be used. For additional information, refer to the <u>Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide</u> on the Department's website.

Enter the total income tax withholding shown on line 28a, 28b, and 28c on line 28. While many taxpayers will have Nebraska income tax withholding on Form W-2, most taxpayers will not have Nebraska income tax withholding on other forms. Do not use state wages. Your income tax withholding credit will not be allowed if you do not attach the proper forms to a paper filed return or if the form shows withholding from a state other than Nebraska.

Nonresidents claiming credit for Nebraska tax withheld by a <u>partnership</u>, <u>limited liability company</u>, <u>S corporation</u>, <u>estate</u>, <u>or trust</u> must attach a copy of the appropriate Schedule K-1N. The tax year ending date on the Form K-1N must be the same as the tax year of the individual's return being filed.

Required supporting documentation may be submitted as an attached PDF document when e-filing your return, if your software supports these types of attachments. If the supporting documentation is not received with the return, the Department may request the required documentation during the processing of your return. This may result in a delayed refund.

A fiscal year taxpayer who receives Forms W-2 issued on a calendar-year basis must attach any 2014 Forms W-2 to the 2014 Form 1040N for a fiscal year beginning in 2014. If you receive any 2015 Forms W-2 before filing your 2014 Form 1040N, save them to attach to the 2015 Form 1040N.

**Use Tax.** Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. You may owe use tax if you have not paid the Nebraska sales tax or any applicable local sales tax on purchases delivered into Nebraska from out-of-state, mail order, or Internet sellers. Nebraska law requires that if sales tax is not collected by the seller on any taxable sale, the purchaser must remit the tax directly to the state.

Enter your total taxable 2014 purchases if Nebraska sales tax was not collected by the seller. Multiply this amount by 5.5% (.055). If local tax applies, enter your local code from the local sales and use tax codes and rates schedule on page 31 and multiply your total taxable purchases by the local rate (.005, .010, .015, or .02). Add the state and local tax amounts together and enter on line 38. You can also report only local tax not paid if your vendor charged you the state tax but not the local tax.

**Example.** You purchase a computer from a seller in South Dakota over the Internet for \$1,470 plus \$30 shipping and handling charges. Both charges are taxable. The computer is shipped to you in Scottsbluff, Nebraska and no tax is charged or collected by the seller. Your state tax is \$83 (\$1,500 X 5.5% = 83) and the local tax is \$23 (\$1,500 X 1.5% = 23). The total use tax owed is \$106 (\$83 + \$23 = \$106). When calculating state and local tax, round your results, and then add together to arrive at your line 38 entry. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

**Note:** If you owe use tax to more than one Nebraska local jurisdiction, do not report use tax here. Instead, report state and local use taxes by filing the <u>Nebraska Individual Use Tax Return</u>, Form 3.

Eligible credit cards include American Express, Discover, MasterCard, and VISA. A convenience fee (2.49% of the tax payment, \$1 minimum) is charged to the card you use. This fee is paid to the credit card vendor, not the state, and will appear on your credit card statement separately from the tax payment. At the end of your transaction, you will be given a confirmation number. Keep this number for your records. [If you are making your credit card payment by phone, you will need to provide the Nebraska Jurisdiction Code, which is 3700.].

<u>Payment Plan</u>. If you are unable to pay the full amount of tax due, you should file your Nebraska income tax return and pay as much as you can by the filing date. You have three options if you cannot pay all your tax when you file your tax return. See our website for additional information on these payment plans options. ### 2014 Public High School District Codes

All taxpayers who are Nebraska residents on December 31, 2014, are required to enter the Public High School District Code on Form 1040N.

Take the following steps:

- 1. On this 2014 Public High School District Codes listing, find your **county of residence.**
- 2. Find the **high school district** (K-12) where you live.
- 3. Find the seven-digit code for your high school district.
- 4. Enter the **seven-digit code** for your high school district on Form 1040N.

If you fail to include your high school district code on your return, processing of your return and any refund may be delayed. High school district code information is required by law so the Nebraska Department of Education can determine state aid allocations to Nebraska's K-12 school systems.

# 2014 Nebraska Tax Table

Use your Nebraska taxable income found on line 14, Form 1040N.

All taxpayers filing paper returns must use the Nebraska Tax Table. If your Nebraska taxable income is more than the highest amount in the tax table, see instructions at the end of the table.

**Example:** If Nebraska taxable income is \$33,010 and filing status is married, filing jointly, Nebraska tax is \$1,096.

Nonresidents and partial-year residents, see Nebraska Schedule III instructions.

Special Instructions: If your federal AGI on line 5, Form 1040N, is more than \$254,200 (single); \$305,050 (married, filing jointly or qualifying widow[er]); \$152,525 (married, filing separately); or \$279,650 (head of household); be sure to complete the Nebraska Tax Worksheet on page 30 to determine your total Nebraska tax.
