DON'T DELAY... ENROLL TODAY!

Space Travel

Learn what it takes to be a true globetrotter! Race a rocket and design your own car engine as you learn about thrust. See the principles of propulsion at work in a real rocket launch and build your very own Mad Science® *Space Copter* to fly to the skies!

Atmosphere & Beyond

We're on a mission to explore the atmosphere on Earth, and beyond! Travel to the end of the rainbow and make a sunset. Mix up various planetary atmospheres, one molecule at a time. Discover how NASA monitors planetary weather by using your very own Mad Science® *Meteorological Station!*

Rocket Science

This is your chance to be a rocket scientist! Investigate the four forces of flight as you race through space. Explore the science involved in rocket construction as you build and take home your own Mad Science® *Skyblazer Rocket.*

Sun & Stars

This stellar program leads you through the life cycles of the stars! Learn about our star; the sun, and see stardust form. Use your Mad Science® *Cosmic Disk* and newfound knowledge about the constellations to navigate the night sky!

Living Space

Experience the life of an astronaut as you suit up for space flight! Use teamwork to complete an important space mission and build a model space station. Bring home the challenge of repairing a ripped solar panel on the International Space Station with your very own Mad Science® *Spacewalk Mission!*

Space Technology

Discover technology that's out of this world! Steer a laser beam through a laser maze, and discover everyday objects originally designed for use in space! Take home a Mad Science® *Stereoscopic Viewer* and observe actual 3-D images from NASA's probe transmissions!

MAD SCIENCE® AFTER-SCHOOL PROGRAMS

- ★ Meet national and state science curriculum standards.
- ★ Are led by trained, qualified, and dynamic instructors.
- ★ Follow professional lesson plans.
- ★ Use unique equipment and original materials.
- ★ Are age-appropriate and loved by children.

OUR MISSION

Mad Science® is on a mission to spark the imagination and curiosity of children by providing them with fun, interactive and educational programs that instill a clear understanding about science and how it affects their world.

MAD SCIENCE PROGRAM POLICIES

- ★ If your child will be picked up after Mad Science, you must meet your child at the room location.
- ★ Failure to pick up a child within 30 minutes of dismissal time will result in a call to the Police Department, to assist in locating the child's parent or guardian.
- ★ For refund requests made prior to the start of the program, a \$10 processing fee will be deducted. Payments made directly to your child's school are subject to the school's refund policy.
- ★ No refunds will be issued once the program has begun.
- ★ All children are expected to maintain proper behavior while attending the program. If a child displays disruptive, disrespectful, or inappropriate behavior and repeated warnings by Mad Science fail to yield results, parents will be contacted. If the behavior continues, the child will be dismissed from the program and no refund will be given.
- ★ Space is limited. Registrations are accepted on a first come first serve basis.
- ★ If a minimum number of students is not reached class will be cancelled, and a full refund will be given.
- ★ The nature of Mad Science programs allows for grades K-6 to participate in the same classroom with one instructor.
- ★ Mad Science's average class size is 12-20 students per one instructor.
- ★ A \$25 fee will be charged for checks that are returned unpaid.
