INSTRUCTIONS

COMPUTATION OF SUBTRACTION

You may subtract from federal adjusted gross income unreimbursed automobile travel expenses incurred in connection with service as a volunteer for a nonprofit volunteer fire company or other "qualified" organization.

You may subtract the unreimbursed vehicle expense incurred while providing assistance, other than providing transportation, to handicapped individuals, as defined in Section 190 of the Internal Revenue Code, who are enrolled as students in Maryland community colleges.

The charitable expense modification is 54 cents per mile to the extent this amount is unreimbursed.

The amount must be reduced by any reimbursement received for the charitable travel. The amount also must be reduced by any portion which is claimed as an itemized deduction on your Maryland income tax return for charitable vehicle expenses.

"Total Mileage" on line 1 of Form 502V should include the mileage traveled from home, performing the service and returning home. You should maintain the appropriate documentation.
