Committee Comments:

Committee Approval Date: _____

Upon completion of the research, a final report (typed, double-spaced) must be submitted for Certificate Committee approval. Within the report, address the goals and objectives approved in the proposal, along with an overall description and evaluation of your experience. Abstracts of a final paper, report or dissertation used to complete requirements for course work done in conjunction with the research are acceptable.

If you have questions concerning your research project, please contact Barbara J. Helm, Certificate Coordinator, at 257-8301 or bjhelm2@email.uky.edu .
