This map gives detailed information about Chicago Transit Authority bus and elevated/subway train service, and shows Pace suburban bus and Metra commuter train routes in the CTA service area. It is updated twice a year, and available at CTA rail stations, Metra downtown terminals, visitor centers, airports, or by calling the RTA Travel Information Center number below.

RTA Service Overview

CTA runs buses (routes 1 to 206) and elevated/subway trains serving the city and 40 nearby suburbs. Most routes run daily through late evening, every 7 to 15 minutes. Sunday schedules apply on New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas.

PACE runs buses throughout the suburbs (routes 208 and above), and many routes connect with CTA. Major routes run daily through mid-evening, every 30 to 60 minutes. You can use your CTA Transit Card, Chicago Card®, Chicago Card Plus®, or CTA Passes to ride.

METRA runs 12 suburban commuter train lines from several downtown Chicago terminals. Rush hour service is frequent; otherwise every 1 to 2 hours. Most routes run daily. Fares are separate, but a Link-Up Pass is available to Metra monthly ticketholders for use on CTA (weekdays 6 a.m.-9:30 a.m. and 3:30 p.m.-7:00 p.m.) or Pace (anytime).

Three-Track Operation

Leave early. Leave late. Alternate.

Since Spring 2007, Brown, Red and Purple Express trains have temporarily shared three tracks instead of four during construction at the Belmont and Fullerton stations. Operating on one less track will allow both stations to remain open during construction while maintaining rail service. Customers are asked to consider alternate service such as nearby bus routes, other CTA rail lines such as the Blue Line or Metra trains.
