¹ Put the radio channel designator or other source here. Examples of Designators - CC1, R25, NRC. Examples of Sources - ALE Net 3, Telephone, Liaison. For HF-ALE, put the contact channel number such as B67or C126, in the Channel/Reference (CH REF) column.

² Time may be in local mission time (daylight or standard) or in military format Zulu time. Note the time zone in the first TIME entry on each page.

³ Use the Designator/Source letter in this column, if appropriate.
