Exhibition Rules & Regulations

1. General

Exhibitors are required to observe and comply with all the laws of Japan.

2. Visa

Exhibitors from overseas may be required to obtain a visa to enter Japan. Please refer to the Ministry of Foreign Affairs of Japan for your support. http://www.mofa.go.jp/j_info/visit/visa/index.html

As an organization policy, JFW Organization is unable to provide any letters of invitation to any exhibitors or visitors for visa application purpose.

All exhibitors and visitors are required to arrange their own visas for travel to Japan if required. For further information of the visa application procedures, please contact the Consular Section of your nearest Embassy or Consulate General of Japan.

http://www.mofa.go.jp/about/emb_cons/mofaserv.html

Our cancellation policy is effective and applicable regardless of any status of visa procedures.

3. Insurance

The Organizer is responsible for the general security of the entire venue but will not undertake any financial or legal responsibility for any type of risk concerning or affecting the exhibitors' personal belongings and exhibits.

The Organizer will not undertake any financial and legal responsibility for any loss or damage suffered by any third party by theft, fire or natural causes. Exhibitors are responsible for effecting all necessary insurance which should cover their displays, exhibits, stand-fittings and fixtures and other third parties against loss or damage by theft, fire or natural causes.

4. Sound Restriction

All audio-visual equipment must not generate a noise level which causes any annoyance or inconvenience to other exhibitors. The organizer reserves the right to terminate any activities of sound by the exhibitors if there are complaints.

5. Photography Video Shooting and Sound Recording

Unauthorized photography, video shooting or sound recording is not allowed in the exhibition hall. Only press photographers with PRESS badges are allowed to conduct press activity and the exhibitors are asked to cooperate with them.

6. Booth Decoration and Manners

All exhibits are to be displayed inside the exhibitors' own booth. The exhibitors are requested to distribute their own promotional materials inside their own booths. Any distribution of brochures and materials in the public areas is not allowed.

Hanging products over walls at booths is not recommended as this may spoil the view of the trade show. Using professional equipment is highly recommended to make your booth appealing to visitors.

Eating inside the booths and any activities which could cause unpleasantness or otherwise disturb

visitors and other exhibitors are not allowed.

No nails or fixtures are allowed to be affixed to the partitions and floor. Exhibitors are liable for any damage caused to booth fixtures, and fittings. (To display posters or styrene boards on the walls, adhesive tape or hook attachments are allowed.)

Any backdrop items displayed by exhibitors should not exceed the max height of 2meters at the back wall, 1.8meters at the side wall.

The materials used for booth construction and decoration must be non-flammable, approved by the Fire and Disaster Management Agency of Japan.

When evacuating, please pack all the items brought in to restore the booth to its original condition.

■ Regulations on Booth Display

7. Fire & Safety Regulations

- Smoking is prohibited in the exhibition hall except in the designated smoking room.
- No objects to be placed around emergency exits, fire hoses and fire extinguishers.

8. Accident Reports

In case any accident occurs in the exhibition booth or is caused by exhibitors, the exhibitor shall notify the organizer immediately and take all action to help the sufferer minimize loss and maintain order.

9. Intellectual Property Rights

Intellectual property rights for all exhibits should be protected from infringement at the fair venue. JFW Organization will not indemnify and will not be responsible for any infringement.

The exhibitors shall guarantee the organizer that the exhibits and the publicity materials do not violate or infringe any third party's rights including trade marks, copy rights designs, names and patents. Exhibitors shall agree to assume the obligation to compensate the organizer for legal costs and other damages arising from a lawsuit based on the claims.

10. Shipping & Custom Clearance

JFW Textile View 2015 S/S

Overview:

< A Quest for Reform >

We must constantly pursue our spiritual lives (discipline mind) and strive for reforms which fit the times; namely retaining the attitude to cultivate ourselves with mental focus and calmly strive on the work of the present by reviewing our careers, while also seeking self-establishment to be esteemed by people. It is thus crucial to attain and fulfil our own duty and pursue reform for the higher state, sensing things ahead of time. Let us continue ceaselessly evolving for an enlivened future awash with vigour.

Colours:

An exquisite colour palette of seasonal loveliness, with an enticing eccentricity and glittering allure.

- Anthro-archives⁺

Pondering time and effort imbued with overflowing passion to be cherished. Something as warm as human or breathing; an almost analogic freshness, with a dash of modernity, and non-nostalgic natures. Reconsidering blissful convenience while defining 'inconvenience' amid a modish, amusing lifestyle. Let us rethink humanity by structuring a frame in which we see true improvement alongside abundant sincerity ... where humans love humans as well as nature, born from the fruit of such empowered imagination and creation.

- Alfresco Art Gallery

A blissful open-air oasis celebrated under glittering sun, verdure, harmonious breezes and the starry nocturne sky ... a pleasure unique to summer! A treasured sensory experience, indulged in art, music or ingenious performances inspiring all five senses while profoundly immersed in the openness of nature. An exclusively estival and cultural experience to fully recharge both mind and body. A tactic of artistic insight, letting us recharge ourselves for a pleasant, energized, and naturally beautified evolution.

- Relucent Lyric

A lucid interplay of illusion and reality amid the swaying summery mid-afternoon mood, while savouring the passage of time. Like a lyrical chant of ambivalence, awash in the muted indulgence and unarticulated anxiety of the real world. A lyrico-dramatic moment, bathed in tones luxurious and elegant-grungy, wavering like a graceful silhouette ... with lucidity and shadows intersected.

- Fabled Wonderland

An adventure in an unknown land of exotic fables... marvellously imbued with fragrant and respiring memories of the past. Why not amuse ourselves in this wonderland by delving into fantastic but lonely encounters, amazingly dense, incomparably whimsical !

Transport yourself to a landscape of eccentric beauty, a product of creature comforts; somehow nostalgic yet still vividly coloured...a horizon where past and future come together. A fragrance of nostalgia for reminiscing while pursuing a dual delight: historical fantasy and modernity...

3. Business Matching Programme

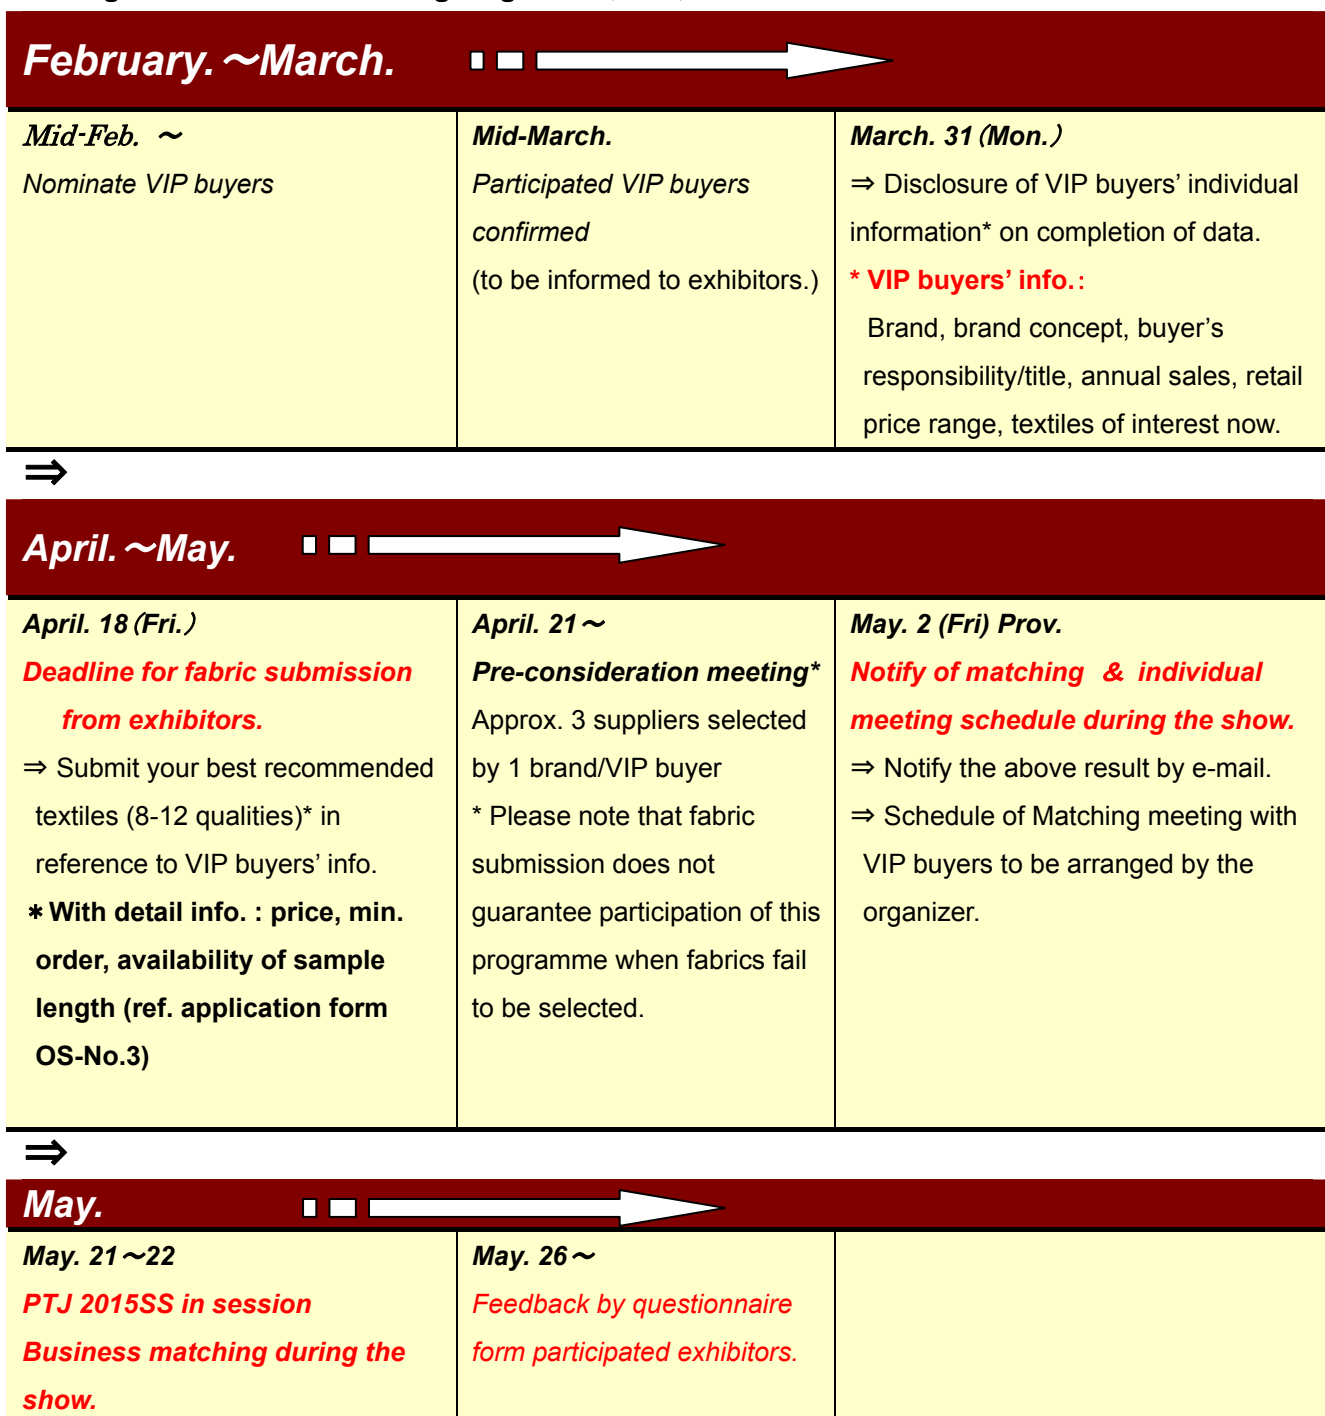

◇Business Matching Programme

“Premium Textile Japan”, for the purpose of providing textile exhibitors with enhancement of business opportunities, organizes successful business matching with VIP buyers during the show period. This provides face to face matching meetings between textile exhibitors and VIP buyers.
