Dear Corporate Sponsor,

Amador STARS is pleased to present our 13th annual Amador County Camp Out for Cancer on September 10, 2016 at the Amador County Fairgrounds in Plymouth. This inspiring community event gathers teams to raise funds to help our local cancer patients and for cancer research. Our event also includes an Illumination Ceremony to honor those who have been touched by cancer and a Survivor Celebration to recognize the strength and courage of all cancer survivors. We do hope you can attend and see what it's all about!

Amador STARS began in 2004 with one van transporting patients to radiation treatments only. We now have six vans that transport patients to radiation and chemotherapy appointments in Amador, Calaveras, San Joaquin, El Dorado and Sacramento counties. Over 40 volunteers take turns driving cancer patients to their treatment appointments. The Amador STARS is a volunteer-driven organization, with only one paid part-time office manager. The entire board including the Director is also volunteer.

You may know that due to the Butte Fire, Camp Out for Cancer was cancelled last year. Thanks to generous support from corporate sponsors like you, we have been able to continue serving the local community. In fact, the demand for our free transportation and support services is at an all-time high – we have already logged over 38,000 miles this year! The STARS transportation vans and volunteer drivers took over 700 trips in 2015 and supplied those in need with a lending library, free wigs, caps and scarves. We also offer support groups to cancer patients and their families. All these services are made possible because of the generosity of our community and our sponsors.

As we enter our 13th year as a nonprofit organization, our budget remains stretched and we hope that you will be able to help support STARS so that we may continue to support those patients on their cancer journey.

Please choose an appropriate sponsorship level from the choices on the reverse of this letter, and return your donation and completed sponsorship form before June 30, 2016. This will ensure that you will be included in local press coverage of the event and obtain all benefits of your sponsorship. Some sponsorship levels are limited, so please return your sponsorship as early as possible. If you cannot commit by that date, we will of course accept sponsorships at any time.

Thanks for taking the time to consider our request. Together, **WE DO** make a difference in the fight against cancer in Amador County.

Sincerely,

Donna Jackson & Ginger Rolf
