

# Regional River Feature Contest

## Registration Form

RVA loves the James River! We depend on it for drinking water, recreation, and inspiration. It is so important to us that Richmond was named “Best River Town Ever” by Outside Magazine in 2012. To build on this unique designation and continue to promote the James River as the single most important attraction and natural resource in the Richmond region, the James River Association is conducting a contest that encourages residents to identify or create an iconic regional river feature (or features) that symbolizes, creates an identity for, and celebrates the rivers of the Richmond region.
