

B. THE COMMUNITY MEETING

1. THE FACILITATOR'S GUIDE:

"ALONE WE CAN DO SO LITTLE
TOGETHER WE CAN DO SO MUCH."

1. Set-up

As this is the launch of the programme, it is important to make a positive impression from the start. You need to be prepared for the meeting, polished in your presentation skills and you must arrive at least 45 minutes before the meeting is due to start. This will allow you time to set up everything as per Checklist 2 in your Toolkit.

2. Introduction and Welcome

- Introduce yourself.
- Welcome any important guests or dignitaries. Warmly welcome all the residents to the Meeting.
- Thank everyone for giving up their valuable time to attend this important meeting.
- Thank whoever is responsible for allowing use of the venue for the meeting.
- Start off by saying that we are here because we are concerned about the high levels of crime in our community.

3. Register

Please explain that as keeping accurate records is important to us, we would like to keep a register of everyone who is attending the Meeting. During the course of the meeting an Attendance Form will be passed around for each person to fill in, sign and pass on.

4. Power Point Presentation

- The purpose of this Presentation is to provide an overview of the Street Committee Project without becoming bogged down in too much detail.
- We want the residents to take the brochures home and be able to explain the basics to others who weren't at the meeting.
- You have a set of flash cards in your kit which is identical to the slides in the Power Point. You should use these to talk to the people instead of reading off the screen.
- If for any reason you are not able to use a computer and projector then the meeting can continue on the basis of the flash cards alone.

5. Questions

- Explain that more detail on the process will be explained at the First Street Meetings, but that if there is anyone who did not understand the content of your presentation, then you can answer questions briefly.
- Mention that you only have 10 minutes so people need to keep their questions brief so that everyone gets a turn.
- Do not become drawn into an argument or any political discussions.

6. Thank You & Close

- Mention that it is time to draw the meeting to a close and thank everyone for the interest shown during the presentation.
- Ask everyone to make sure they have filled in the Attendance Registers before they go.
- Remind them to take some brochures to hand out to friends who are not at the meeting.
