

Wage and Earnings Assignment

This form packet is designed for individuals who have already obtained a court order for child support and wish to have the amount of the support order deducted from the other party's paycheck. In order to make sure that you do have the correct forms and to make the process of completing your forms easier, we have designed the following set of simple questions and instructions to help guide you.

1. Do you have a court order making orders on child support?

- ⇒ If yes, use these forms!
- ⇒ If no, you will need to obtain an order by the court before you can begin this process. See us for help at the Resource Center.

2. Was the initial case filed in the County of San Bernardino?

- ⇒ If yes, use these forms!
- ⇒ If no, you may still use these forms but be sure to submit to the right courthouse.

- ☆ The information that you put into the forms CANNOT be saved. It is very important that you print any forms that you need prior to closing the program.
- ☆ The form set has a "Stop Here" page. It contains information needed for you to finish our forms.

- ☆ Look for the yellow question marks for explanations. When you see a yellow question mark (?), simply roll your cursor over it.
- ☆ After you print, please stop by one of our Resource Centers so we can sit down with you, review your papers, and answer all of your questions.
