For a list of third-party software services available in your market (such as credit card payments, SMSs, credit checking, eInvoicing, and postcode verification) and their prices, please refer to your local distributor.

All prices shown in this price list are exclusive of Tax. Price List valid from 01/12/2008.

HansaWorld Software Maintenance fee is 15% of the list price of the software per year. HansaWorld charges for Software Maintenance periodically in advance. HansaWorld Remote Support fee is 10% of the list price of the software per year. HansaWorld charges for the Remote Support periodically in advance. If support services are provided by HansaWorld partner, the support fee is agreed between the licensee and the partner who is providing the support. HansaWorld Software rental is 5% of the list price of the software per month. It includes both Software Maintenance and Remote Support.
