

ACT Review and Prep Class

This three-session class designed specifically for homeschool students will review content material and provide test-taking tips for the ACT Test. The first night will cover the English and reading sections; the second night will deal with the science section and begin reviewing math-related concepts. The final session will focus on algebra, geometry and beginning trigonometry, as well as provide basic information on the test itself.

Advance registration is required to assure materials are amply prepared, but payment is not due until the first night of class. Students should bring a check for \$60 made payable to CAHSA with "ACT Prep" in the memo line; Eta Sigma Alpha honor society members receive a \$5 discount. Complete this form and return it to the address below by February 23, 2008.
