

## Northwest Education Association

The Northwest Educator Association promotes recruitment and development of future educators. To achieve this, NWEA participates in opportunities such as school placement and a variety of volunteer projects. School placement permits the students to observe once a week in a classroom setting. Options for observations include high school, middle school, and elementary school in all subject areas. Requirements to participate in school placement are club attendance, participation in volunteer projects, two recommendation letters from instructors, and a GPA of 2.75 or better.

NWEA encourages students to get involved in the community. Our members have been involved in charities on and off campus and even in other countries: Operation Christmas Child, The Ronald McDonald House, contributions to a local animal shelter, and the Heart Walk. Guest speakers include representatives from Ole Miss, Mississippi State, Delta State, and other universities. These universities provide transfer and scholarship information. NWEA meets once a month, usually on the third Wednesday. Meeting Location: McLendon Center 222 @ 12:00 p.m. Spring Semester Membership dues are \$10 which includes lunch at each meeting.
