Each Party shall present a negotiations proposal addressing each item it has placed on the agenda not later than the second meeting.

ARTICLE III. GRIEVANCE PROCEDURE

3.01 Definition

A grievance is defined as a claim by an employee or the Association that there has been a violation, misinterpretation, or misapplication of the terms of this Agreement. Grievances shall be handled as set forth in this Grievance Procedure.

3.02 Procedure

3.021 Step 1: Informal Procedure

An employee who feels that he has a grievance shall discuss it with his immediate supervisor. If the employee determines that said discussion does not effect a satisfactory resolution to the grievance, the grievance may be processed to Step 2 of the Grievance Procedure. If the grievant is the Association, Step 1 may be by-passed and the grievance initiated at Step 2 of the Grievance Procedure.

3.022 Step 2

The employee or the Association may present the grievance in writing to the employee's supervisor who shall arrange for a meeting to take place within five (5) days after receipt of the grievance. The Association's representative, the aggrieved employee, and his supervisor shall be present for the meeting. The supervisor must provide the employee and the Association with his written answer to the grievance within three (3) days after the conclusion of the meeting.

3.023 Step 3

If the grievance is not resolved at Step 2, or if the time limits are not met, the Association may process the grievance to the Superintendent, or his designated representative, within five (5) days after the receipt of the Step 2 answer, or within eight (8) days after the meeting in Step 2, whichever is later.

The Superintendent, or his designated representative, shall arrange for a meeting with the Association representative and the aggrieved employee to take place within five (5) days of his receipt of the appeal. Each Party shall have the right to have present at such meeting such witnesses as it deems necessary to develop facts pertinent to the grievance. Upon conclusion of the hearing, the Superintendent shall have three (3) days in which to provide his written decision to the Association.

3.024 Step 4

If the grievance is not resolved at Step 3, or if the time limits are not met, the Association may process the grievance to the Board in executive session at its next regular meeting after the Superintendent's written response should have been rendered. Each Party shall have the right to have present at such meeting such witnesses as it deems necessary to develop the facts pertinent to the grievance. Upon conclusion of the hearing, the Board shall have five (5) days in which to provide its written decision to the Association.

3.025 Step 5: Arbitration

If the grievance has not been resolved through the preceding procedure, or if the Board has not issued its written answer within the time prescribed in Step 4, then the Association may submit the grievance to arbitration by giving written notice to the Superintendent of its intent to do so. The parties shall first attempt to agree upon an impartial arbitrator to hear the grievance. If the parties are unable to agree within five (5) days from the Superintendent's receipt of the Association's appeal to arbitration, the Association shall then request the American Arbitration Association to administer the proceedings under the voluntary labor arbitration rules of that Association. If a demand for arbitration is not filed within fifteen (15) days of the date for the Board's Step 4 answer, then the grievance will be deemed withdrawn.

A. Authority of Arbitrator

The decision of the arbitrator shall be final and binding upon the parties. The authority of the arbitrator shall be to determine controversies involving the interpretation, application, or alleged violation of specific provisions of this Agreement, and he shall have no power to add to, subtract from, or modify any of the terms of this Agreement, or to arbitrate any matter not specifically provided for by this Agreement.

B. Costs of Arbitration

Each party shall bear the full cost for its representation in the arbitration process. The costs and expenses of the arbitrator and the American Arbitration Association shall be divided equally between the parties.

C. Transcript

Should either party desire a transcript of the proceedings, that party shall bear the full cost for that transcript. Should both parties request a transcript, then the costs for the transcript shall be divided equally between the parties.

3.03 Request for a Second List

Prior to the deadline established by the American Arbitration Association for returning the parties' selection of arbitrator(s), either party may request in writing a second list of arbitrators from which to make a selection. The party making said request shall notify the other party in writing at the time the request is made.

3.04 Expedition of Grievances

If the Association and the Superintendent agree, Step 1, Step 2, and/or Step 3 of the Grievance Procedure may be bypassed and the grievance brought directly to the next step. Class grievances involving more than one supervisor, and grievances involving an administrator above the immediate supervisory level may be filed by the Association at Step 3.

3.05 Rights to Representation

Both parties shall have the right to legal counsel at all levels of the procedure beginning at Step 2. The grievant shall have the right to an Association representative at all levels beginning at Step 1.

3.06 Time Limits

3.061 Definition of Day

All time limits or days, as used in this grievance and arbitration procedure, shall be interpreted to mean school days. Except that when a grievance is submitted on or after June 1, time limits shall consist of all week days so that the matter may be resolved before the close of the school term or as soon as possible thereafter. The time limits set forth in this procedure may be extended only by mutual written agreement of the parties, and the parties agree that every reasonable effort will be made to expedite the grievance process.

3.062 Waiver of Grievance

If a grievance is not initiated within fifteen (15) days after the grievant knew, or should have known, of the event or condition upon which the grievance is based, the grievance shall be considered as waived.

3.07 Record Keeping

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of any employee involved.

ARTICLE IV. LEAVE POLICIES

4.01 Personal Leave

4.011 Definition

Personal leave is defined as leave which must be used to conduct business or personal affairs which

cannot be conducted at any time other than during the regular school day without creating an undue hardship on an employee.

4.012 Entitlement to Personal Leave

An employee shall be granted, upon request, three (3) days of personal leave per year without loss of salary for the following reasons:

Falsification of a statement shall be grounds for disciplinary action.

4.024 Accumulation of Sick Leave

A. Full-time members of the Employee Unit shall accrue to their credit fifteen (15) days' sick leave for each year under contract, which shall be credited at the rate of one and one-fourth (1 1/4) days per month. Part-time members of the Employee Unit shall accrue sick leave in accordance with the provisions of Ohio Revised Code 3319.141.

B. Accumulation of sick leave credit shall be unlimited days.

4.026 Advance of Sick Leave

Each new full-time member of the Employee Unit and any member of the Employee Unit who has exhausted all accumulated sick leave shall be advanced five (5) days of sick leave credit. If utilization of sick leave requires the employee to use the full amount of credit before the advanced sick leave credit has been earned, such member of the Employee Unit may not be lawfully advanced additional sick leave credit. The five-day advance is to be deducted from the future accumulation of sick leave credit the member of the Employee Unit earns on the basis of completed months of service under the provisions of Ohio Revised Code 3319.141.

- 4.027 An employee off duty for more than seven (7) days because of a workers' compensation claim shall have the option of salary continuation using accumulated sick leave or electing to receive Temporary Total (TT) compensation from the Bureau of Workers' Compensation.

After the waiting period imposed by the State Industrial Commission, the pay of any employee on assault leave shall be reduced by the amount received by that employee, if any, for Worker's Compensation as a benefit to cover loss of pay sustained for the injury. However, the employee's pay shall not be reduced by benefits received for Worker's Compensation to cover occupational diseases, medical expenses, nursing expenses, hospital services, medicines, and/or rehabilitation services.

4.032 Justification for Use of Assault Leave

An employee desiring assault leave shall file the prescribed form (Appendix B) with the Superintendent. If medical attention is required, the employee shall provide a certificate from a licensed physician stating the nature of the disability and its probable duration.

4.033 Restriction

Section 4.031 of this Section to be void if through due process the teacher was found to be negligent or had acted irresponsibly.

4.04 Court Leave

4.041 Definition

Leave for court appearance shall be defined as an absence that is prescribed by an employee being subpoenaed as a witness or selected as a juror.

4.042 Compensation

The Board shall pay an employee the difference between the employee's regular compensation and any remuneration received for serving as a witness or a juror.

4.05 Professional Leave

4.051 Entitlement to Professional Leave

- A. A teacher may be granted leave with pay for attendance at meetings, and conferences, or visitations of a professional nature upon prior approval of the Superintendent of Schools.
- B. Attendance at such meetings or conferences can be of a specific or general education

program and need not be in the same teaching field as the teacher's normal assignment.

4.052 Application for Professional Leave

Requests for said leave shall be made in writing to the Superintendent at least two (2) weeks prior to the date of leave. Within three (3) school days after a request for professional leave has been submitted to the Superintendent, the Superintendent shall provide to the employee written notice of approval or disapproval of the leave request. (Appendix A).

6.091 Board Pickup of Employee Contributions to the State Teachers Retirement System (Salary Reduction/Restatement)

In accordance with Internal Revenue Service Rulings 77-462, 81-35 and 81-36, the Association and the Board agree that effective for the term of this Agreement, the Board shall contribute to the State Teachers Retirement System, in addition to the Board's required employer contribution, an amount equal to each employee's contribution to the State Teachers Retirement System in lieu of payment of said amount to each employee and that such amount contributed by the Board on behalf of the employee shall be treated as a mandatory salary reduction from the contract salary or hourly rate otherwise payable to each employee.

contributions to the State Teachers Retirement System shall not be greater than the amounts the Board would have paid had this provision not been in effect.
